HARDSHIPS OF THE MODERN CARTOONIST

(Toronto Globe).

"Things are not what they used to be," said Sam Hunter on one of his infrequent visits to the skyscraper district. The cartoonist whose work is a daily delight to readers of The Globe shares the natural preference of the artistic fraternity for the picturesque, and it pains him to witness the standardization process now everywhere apparent. "We are losing our types," he said. "All over Canada there is pretty much the same appearance in people, and the picturesqueness of an earlier day is disappearing. This is a disappointment from a cartoonist's standpoint.

"The same sort of clothes are worn from Sydney to Victoria, and almost

to the North Pole, but there was a time when clothing represented the occupation of the wearer, or his geographical origin. The mail-order store now permits the men and women in the wilderness to wear the same clothing as the people on Yonge Street. I suppose it is all right, and a sign of progress, but it is hard on the cartoonist.

"More than that, the disappearance of whiskers is another drawback. It is mighty hard to bring out individuality in a host of shaven faces, or, at most represented in an occasional toothbrush moustache. It is all a levelling down which may be practical and sanitary but it is awkward for the artist who is trying to preserve the record of a man through his individuality of appearance.

"Twenty-five years ago there was an infinite variety of whiskers which were a delight to the cartoonist. They remind me of the old verse.

Tie in Both Sections of Commercial League; Play-off next Saturday

Hartt Co. to Play John Palmer Co. for Section Title and Palmer McLellan Co. to Play R. Chestnut & Sons—U.N.B. and Marysville to Clash Tuesday Night.

There is a tie in the Fredericton Commercial Hockey League as the result of Saturday night's games. Hartt Shoe Co. by beating Smith Foundry Co. pulled up even with John Palmer Co. and Palmer-McLellan Shoe Co. by defeating Chestnut Canoe Co. tied with R. Chestnut & Sons in the other section. This leaves a play-off in each section for this week probably next Saturday.

The games Saturday night were made necessary by the decision of the league not to let the tied games stand but to have them replayed.

The play-offs next Saturday should be the best games so far in the league as they will decide which teams go into the finals.

Hartt Team Right There

The Hartt team was right there against the Foundry. The latter was weakened by the absence of Rod Bidlake who is threatened with appendicitis and who may not be on the ice again this season. The score was 5 to 2 the Hartt team having the game well in hand right through.

The teams were:—
Hartt Co. Smith Foundry

	Goal.
Titus	Defence.
Carten	Defence.
Chappell	Centre.
Gough	Left Wing.
Kierstead	Right Wing.
Rickard	Substitutes.
Stickles, Gordon and Harvey.	

The section standing in which this match counts is as follows:

	Won	Lost
John Palmer Co.	3	1
Hartt Shoe Co.	3	1
Smith Foundry Co.	0	4

Close Game

Palmer-McLellan Shoe Co. and Chestnut Canoe Co. staged a close game for the second match of the double-header. The score was 2 to 1. Palmer-McLellan took an early lead

"They grew in beauty side by side,
They filled one house with glee;
They came from sections far and wide,
By mountain, stream and sea."

When a girl pins a flower on a man's coat she always tilts her chin up and looks at it sideways—and the man who doesn't take a tumble is too slow to lead a funeral procession.

and held the canoe-builders scoreless until almost the end of the match.

The line up was as follows.

	Goal
H. Neilson	Defence.
McGinn	Defence.
Upton	Centre.
Bailey	Left Wing.
Colwell	Right Wing
Staples	Substitute.
Searles	Delong
Hans Neilson.	

The standing in this section is as follows:

	Won	Lost
R. Chestnut & Sons	3	1
Palmer-McLellan Co.	3	1
Chestnut Canoe Co.	0	4

Charlie Fleet officiated as referee in both games.

POST-SEASON SERIES

University and Marysville Clash Tuesday Night for First Time—Gladys Robinson May Skate.

There should be a hard and close game of Hockey Tuesday when the University of New Brunswick and Marysville meet for the first time. The U. N. B. team was largely the Fredericton team which broke even with Marysville in the provincial league series but the full college team has never met the Nashwaak team. With one game lost to Fredericton Marysville will be out to win. The college will be out to stage a come-back after their elimination from the inter-collegiate series.

Manager Beatty of the Arctic Rink has endeavored to have Miss Gladys Robinson who was skating at St. John last week, give an exhibition here Tuesday night the same night as the game. If she comes this will be a double attraction.

THE DEVIL IS OUR SHREWDEST MONOPOLIST

Wars and rumors of wars and the spectacular upheavals which disturb a world in the process of remaking cannot be denied. Dr. Straton is perhaps the most determined of modern uplifters. But his persistent denunciations of the stage are of interest only because they draw attention again to the faulty reasoning which retards the work of many other professional reformers. Goodness, which these folk sternly recommend is, of course, desirable. It isn't as popular as it ought to be, some of the blame may rest on people who labor zealously to make it seem hopelessly unattractive.

The devil, unlike the more clamorous moralists, has a good ear for goon tunes, a sharp eye for artistic values a disposition to advertise his cause with lights and laughter, gayety and cheerfulness. Being old and wise, the devil knows that a hunger for beauty is inherent in every man and woman, and that even a clever imitation of that rare quality will draw a crowd. Many of the music shows at which Dr. Straton rages are deplorable enough. Why do people go to them in droves.

Is it because the crowd is wicked at heart? Hardly? More likely it is because the dweller in cities finds few places to which he may look for beauty, for relief from a grim, gray routine of sights and sounds, that the pictorial quality of the stage and the tinkle nad blaze of musical comedy attract him as water attracts a thirsty man in a desert.

When one finds that a woman who professes to know all about boys has seven sons one knows she knows

To win a race a Jockey doesn't put extra weight on the horse that helps him succeed

No man or woman who wants to succeed in the race of life can afford the handicap of headaches, insomnia, indigestion and debility. Nor can they afford to take anything that may keep up a continual irritation of the nervous system.

Yet this is what many people do who drink excessive amounts of tea or coffee. For tea and coffee contain caffeine, a substance that is sometimes very injurious. Many doctors say that caffeine raises the blood pressure, irritates the kidneys, and over-stimulates the entire nervous system. Also that it is especially bad for growing children, or for anyone who has any tendency to nervousness or insomnia.

If you want to avoid a possible cause of headache, insomnia, or nervousness, it might be well to stop taking tea and coffee for awhile, and drink rich, satisfying Postum, instead.

Postum is a delicately-roasted, pure cereal beverage—delicious and wholesome.

Order Postum from your grocer today. Drink this fragrant, healthful beverage for awhile, and see if you will not feel brighter, more active, and more resistant to fatigue—as so many thousands of others have felt.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.
