WAS TROUBLED

WITH HER STOMACH FOR FIVE YEARS

Mrs. Samuel Ward, Millersdale, Sask. writes: "I feel that I must write to you before another day passes I am so happy and so grateful to your splendid medicine Burdock Blood Bitters, for after an illness of five years I am better."

I had stomach trouble so bad, I could not bear the smell or taste of food of any kind, and got so thin and weak I could not work. I had four doctors attend me, but they did me no good. I was in no pain, but felt so ill, at times, I thought I would die, in fact at my friends were sure I could not live many weeks.

This time last year I saw where a man was relieved of stomach trouble by Burdock Blood Bitters, so my husband got me two bottles, but I had no faith in it after all the different medicines I had taken, however he insisted and after the first two days I must say I began to feel better, and after the first bottle I felt so much better I went out a little every day, but could not go alone I was so weak, but I soon got so I could walk and eat, and have got quite stout.

I am nearly seventy years of age and I feel better than I have for years and can now do all my housework.

You may make use of this letter if you wish, as it may be the means of T. Milburn Co. Limited, Toronto, Ont. B. B. B. is manufactured only by The making others as well and as happy as I am."

County Council Increased Grant

Continued from Page Two
ers, Clerk of the Peace, for services over two years time, was left to the decision of the council.

The report was adopted and after discussion the annual salary of the Clerk of the Peace was fixed at twenty five dollars.

Housing Scheme Defeated

The proposal to proceed under the Housing Act was put in a motion by Coun. Whipple.

Coun. Brewer and Coun. Pond said they would oppose because of lack of knowledge of the housing scheme.

Coun. Whipple said that it was unfortunate that councillors pleaded ignorance of the Housing Act. It was in effect in Fredericton and many other places. Opposition would thwart the progress and development of McAdam. It would put no financial burden on the municipality.

County Solicitor Richards was heard in explanation of the Housing Act.

The motion was defeated 19 to 6.

New Valuation

On the motion of Coun. Simmons seconded by Coun. Fleming the council decided to appoint a valuator for Group 1, comprising the Parishes of Canterbury, North Lake, Dumfries and Southampton, in place of Coun. G. C. Grant of Canterbury who by his election became ineligible to hold the office.

Election Charges

Coun. Coburn drew attention to the fact that extortionate charges had been made by election officials in the recent election. He suggested that a rate for all officials should be decided upon.

He moved seconded by Coun. Graham to that effect, placing salaries as follows: returning officer, \$5; polling clerk \$4; district clerk \$4; constable \$3.

The motion was lost by a large majority the opinion being expressed that the matter was one for each parish and not for the county as a whole.

Coun. Wetmore said that a resident of Dumfries, Me., had refused to pay the taxes on land owned by him in North Lake. What procedure should be taken to collect the taxes?

County Solicitor Richards said that the matter could be handled without reference to the council.

Grant to Hospital

Coun. Seymour seconded by Coun. Whipple moved that a grant of \$3,500 be given.

Coun. Graham seconded by Coun. Greenlaw moved in amendment that the grant be \$1,500.

Coun. Brewer said he regretted to hear an amendment. He proceeded to give an historical sketch of the Hospital. He made a strong plea for generous treatment of the hospital. The county for \$1000 grant had actually been getting \$3750 in treatment of patients.

Coun. Inch spoke in favor of the motion.

Coun. Graham said that the nearer parishes were favored in the matter of hospital treatment. He knew of one man in his own parish who received a terrible bill from the hospital.

Coun. Whipple said that he was not afraid to impose a charge of seventy five cents per family upon the Parish of McAdam to aid the hospital.

Warden Dougan spoke in favor of the \$3,500 grant saying that the county would really be paying its just debt.

The amendment was defeated and the motion carried by a vote of 16 to 11.

Revisors' Fees

Coun. Clarkson again introduced the plea of paying for revising voters

FASHION FADS.

Transparent silk stockings woven in black with pink underneath or in gray so that the pink of the skin underneath is not interfered with simulate the bare leg.

Metal cloth either of gold or silver or in combination is a much worn fabric.

Braid is a trimming much in favor for the cloth coat or dress. It usually is applied in a bold conventional design and also forms entire girdles or is used as a trimming for sashes of cloth.

Short loose coats of fur promise to be popular this winter.

Fur trimming this winter has greatly changed the character of suits. It is put on in such a way that the outlines are entirely changed with the effect often of a coat or dress.

The long straight fur scarf which has not been worn for many a year, returns to favor.

With frocks of blue serge or almost any dark color collars of white silk serge are attractive.

THE HUNTER knows the value of **MINARD'S** **ELLISON** Gray, a well known Nova Scotia guide, writes: "Have used MINARD'S LINIMENT in my home, hunting and lumber camps for years and consider it the best white liniment on the market. I find that it gives quick relief to minor ailments, such as Sprains, Bruises and all kinds of wounds. Also it is a great remedy for coughs, colds, etc., which one is liable to catch when log driving and cruising during the winter and spring months. I would not be without MINARD'S LINIMENT and cannot recommend it too highly."

The Warden said that an error had been made by the Secretary Treasurer. The proper rate was two and a half cents.

On motion it was decided to request the councillors who had been overpaid for revising to refund the money.

The council then adjourned.

Like bottles of rich sparkling wine I cellar all these bards of mine.

Like magnums of dark ruddy Beaun I stock my Edwin Robinson;

My Lizette Reeses—I prize them As cases of Chateau Yquem

Like Cote Rotie I lay away My uncut firsts by Miss Milay,

And, after a hearty dinner, Unbin my more astringent Byner,

Or, to Bliss Carman I resort As to a pipe of tawny port.

THE INFLUENCE OF ADVERTISING ON THE PUBLIC MIND

HOW MANY PEOPLE know the names of the highest mountain peaks in the world?

FOR INSTANCE, "Kinchinjinga" is the name of one of the highest mountains in the world. It is 28,156 feet high.

PIKE'S PEAK is only 14,108 feet high—but it gets credit for being higher because it is advertised.

ADVERTISING will bring many unknown things into prominence during the coming years.

NOW IS THE TIME, when so many articles and commodities of trade are flooding already overstocked markets, for the man with goods to sell to let the people know all about it.

THE BEST WAY to let the people know is to advertise in the newspapers

YOU HAVE SEEN THIS in the Daily Mail—let the public know what you have to sell through the advertising resources of this newspaper.
