VEZINA READY TO PLAY AFTER OPERATION

Montreal, Nov. 4.—Georges Vezina, veteran goal-tender of the Canadian team, Montreal member of the National Hockey League, should be his old self again this season.

In a letter to Leo Dandurand, managing director of the club, he announced his intention of coming back on the job again this year, and stated that he never felt more fit in his life.

Vezina writes that he was very ill last year, especially toward the end of the season, and that as soon as hockey was finished he underwent a serious operation, which he claims fixed him up so that at the present time, he is ready for a strenuous year.

He has received his contract by this time, and is expected back here any time.

A SURE SIGN.

Mother—Willie I have a big surprise for you. Some one is here to see you.

Willie—Oh I know who it is brither's back fro mcollege. I know cause my bank won't rattle any more.

GUARD THE CHILDREN FROM AUTUMN COLDS

The Fall is the most severe season of the year for colds—one day warm, the next cold and wet, and unless the mother is on her guard, the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers' best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose of the Tablets will prevent colds, or if it does come on suddenly their prompt use will relieve the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HERE—AND ALSO THERE

It is remarkable how the dopesters got it in their heads that Acadia should win against U. of N. B. here. Both Halifax and St. John papers seemed to favor the Wolfville college. The Halifax Chronicle went so far as to say that fine weather would be the Acadia half-backs' dish. The weather could not have been better but Acadia was not there with the scoring—half-backs or any other part of the team.

The dope is that arrangements for a High School playoff between St. Francis Xavier High School of Antigonish and Fredericton High for the Maritime title must be made not later than Sunday.

Britton's age is given variously from thirty seven to forty two. At either figure his performance in holding the top position in his class as a boxer is remarkable. It reminds one of poor old Bob Fitz.

Saturday next is a tentative date for an intercollegiate playoff between U. N. B. and Dalhousie. Halifax is the probable place. Much will depend upon the result of the Halifax City League match today. If Dal should win the result will tie the league up.

Although the dope is going wrong—for some people—it is hard to resist using it. So here is another shot. Mount A. the lowest team in the Western Section, defeated St. Dunstan's one try to nil at Sackville. That should dispose of the story that the Island college believed it was eligible for a try at the Maritime title. St. Francis is to go up against St. Dunstan's at Charlottetown next week. Although St. F. X. is out of the intercollegiate this year the game should give some

ROLLO NOW IS FOOTBALL PLAYER

Rollo Churchill who was considered here to be the comedian of the Houlton baseball team last summer has bobbed up as a freshman at the University of Syracuse. Rollo's actions as a ball-player were considered amusing and it is hard to say what he shapes like as a football player for he is on the Syracuse Freshman team.

On October 7th the Syracuse Freshmen played Wyoming Seminary at Wyoming the occasion being the dedication of a new playing field. Walter Fleet of Fredericton well known a few seasons ago as a hockey player at University of New Brunswick and for Fredericton, is on the teaching staff of Wyoming Seminary. Churchill in that game was substitute on the Syracuse team.

GIRL SEWS WITH HER TOES

Lynchburg, Va., Nov. 4.—Sarah Brown 131 year-old daughter of Mr. and Mrs. Raymond Brown, of this city, deprived of the use of her hands has mastered the use of her toes to such a degree that she uses them to model in clay, cut deft figures with scissors, and sew and knit as well as most girls of her age can with a pair of good hands. She has never been able to use her hands and has never walked. Sarah had an exhibit at the fair here which attracted widespread attention. She is engaged now in making a clay model of the Rev. Billy Sunday, using a newspaper picture of him as a guide.

TRAGEDY TREE GONE; A CURIO

New Brunswick, N. J. Nov. 3.—The crabapple tree in the shade of which on the morning of Sept. 14 last the bodies of the Rev. Wheeler Hall and Mrs. Eleanor Reinhardt Mills, a singer in the church choir, were found slain, is gone.

Leaves, sprigs and limbs, it has been carried away piece by piece by the thousands of curio seekers from all parts of the country who have visited the Phillips farm since the double slaying. Only the stump is left.

line on its ability. Some Nova Scotia papers have said that it is weak.

The Amherst News states that a rumor has been current in Amherst that Fred McLean of this city would go there to play pro hockey. The same paper says that it investigated the report and found nothing to it.

Sandy Staples back from a trip through Nova Scotia reports hockey on the way to a boom with towns getting into the game which were not prominent before. That is amateur games. The pros he said were waiting to see what was going to happen in New Brunswick.

'Yes' gasped the astounded Di Cesaro. "Thanks; good bye" replied Mussolini. Calling Federzoni Mussolini said: "You'll be minister of colonies your under-secretary Giovanni Marchi—now go!"
