PALMER'S
Moose Head Brand
Summer Packs & Plow Shoes

SLIP on a pair of Palmer's Summer Packs or Plow Boots, and you will realize what Farm work Comfort really means. Added to that, you have strength and durability, making a combination of good features seldom found in one pair of boots. Palmer's Summer Packs and Plow Boots are hand made and hand sewed by expert workmen. The bottoms and uppers are made from Palmer's Famous Skowhegan Waterproof Leather, rich dark brown in color, very soft and pliable. Bottom part of uppers runs clean under, a great advantage over the laced under foot. Soles are attached by special clincher nailing process or sewed by lock stitch process. OF INTEREST TO THE WOMEN

FASHION NOTES.

Short Poirer twill jackets edged with pointed leather in narrow bands complete tailored costumes.

The vogue for tan lace dresses cut in the fashion of the Moyen age is stressed by the younger girls

A stunning coat dress was constructed of fine black broadcloth the skirt section trimmed with satin diamonds applied in all over design for fashion.

In neck pieces two skir chokers and fox scarves vie for favor.

The vogue fir jackets or jacket blouses made out of real Paisley cashmere has taken hold this season some are trimmed with fur others with bands of plain cloth.

Three piece costumes in brown woolen fabrics and in broadtail cloth are popular.

Velvet fowers matching the color scheme of the individual evening frock are worn as bracelets.

The beaded velvet frock is appearing in deep sapphire tones, as well as in the soft pastel shades. The beads are either in self color or crystal.

The bertha treatment in silver lace is a feature frequently noted on the evening gown. It is especially favored by the girl with the bobbed hair.

WHAT THEY'RE WEARING

In evening gowns one cannot emphasize too strongly the vogue of metal clothes authorized by the best designers both here and abroad. These metalized effects are carried out through many mediums but they contribute to a season where everything for evening promises to glow glint and sparkle.

POOR MAN'S PEACH PUDDING

Spread this about an inch thick over the bottom of a small buttered baking dish. Cover it thickly with pared and halved peaches and sprinkle generously with granulated sugar and bake in a quick oven for half an hour. Serve hot with a sweet liquid sauce flavored with almond or lemon.

**The Athlete's
Remedy**
for Sprains and Bruises

THE sprains and bruises encountered in sport vanish with the application of Minard's Liniment. This fact is confirmed by the following letter received from W.E. McPherson, Secy. Armstrong High School Baseball Club: "Since the start of the Baseball season we have been hindered with sore muscles, sprained ankles, etc., but just as soon as we started using Minard's Liniment our troubles ended. Every athlete should keep a bottle handy." This letter is only one of the many we have received from well-known athletes.

"I suffered with Rheumatism for five years, having it so badly at times I was unable to get up.

I tried medicines I saw advertised, and was treated by doctors but the Rheumatism always came back.

In 1916, I saw in an advertisement that "Fruit-a-tives" would stop Rheumatism and took a box, and got relief; then took "Fruit-a-tives" right along for about six months and I have never felt my Rheumatism since".

GIRL FORCED TO LIVE WITH THE DUCKS

Chicag, Nov. 4.—Mary Devine, 19 years old, was rescued today from a basement where she had been kept prisoner by her mother for more than two years.

The girl was unclothed when found. Half starved and under-sized her body was a mass of bruises which she said were the marks of daily whippings inflicted by her mother.

She was hardly able to talk. Her hair was hanging nearly to her knees. Mrs. Josephine Devine the mother was arrested and the case was continued to Nov. 5 to give the girl a chance to recover.

Miss Devine said that she lived in the dark with ducks and chickens and had not been allowed to go out or even wash any.

SUFFERED FROM PIMPLES AND BLOTCHES FOR FIFTEEN YEARS

When the blood becomes impure it is only natural that pimples, blotches, boils or some other blood trouble will manifest itself by breaking out of the system.

There is only one way to get rid of these obnoxious skin troubles, and that is by giving the impure blood a thorough cleansing by the use of a good blood purifier such as

BURDOCK BLOOD BITTERS

This remarkable remedy has been on the market for over forty years; is the best obtainable, and will do all we claim for it is as a blood cleanser.

Mr. Albert R. De Witte, Lake Valley, Sask., writes:—"I have suffered very much from pimples and unsightly blotches for the past fifteen years, and was so had I hated to go out anywhere. I tried many different medicines, but none seemed to help. A friend told me to use Burdock Blood Bitters, I have used three and a half bottles, and now I have a clear, rosy complexion."

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

A CHICKEN STORY FROM NOVA SCOTIA

Truro, N. S., Nov. 3.—A rare—extremely rare—story comes from the town of Stemiackle twenty miles south of here. A few days ago so the story goes Mrs. Barry Fulton a resident of the town wished to dress one of her hens of her flock. Her husband took an axe and whacked off the bird's head but biddy refused to die and kept moving. Mrs. Fulton plucked off all the feathers. Then to the astonishment of herself and other occupants of the house as well as to a neighbor who was called in the bird stood up without a single feather on its body and minus its head. It was one hour and forty-five minutes before this remarkable hen finally appeared to give up her struggle for a hold on life.

Good folk are seldom as good as they think themselves, and the wicked are not half so bad as the good folk think.

We seldom forget the favors we bestow upon others. Let us be equally mindful of those we receive.

Eccentricity is the reason for other people's failings. Temperament, the excuse for ours.

Genius is one part inspiration and two parts perspiration. It is useless being clever if you don't work.
