WHERE WAS THE SOLDIER VOTE IN THE ELECTION

The recent Federal election has squelched—for the present at least—the hope that was in the hearts of many ex-soldiers that the great war would produce a unity of opinion and a solidarity of spirit amongst the young men who served which would result in good for the country. The defeat of many soldier candidates in all parts of the Dominion demonstrates for one thing that ex-soldiers and their fathers, mothers, wives and other sympathizers in East Toronto to elect Sergeant Rayfield, V. C., would be to slander a very soldierly community. But old, dragged political bunk, hokum, walla walla was potent enough to drive thousands of ex-soldiers away from the support of this very brave, honest and capable

young man who was running as a non-party candidate. There are many ex-soldiers who honestly expected a new political force to arise in Canada out of the war. To remove sixty thousand young men out of a city the size of Toronto and set them apart for three or four years would surely result one would imagine in some thinking and speculation upon the life they had left. The recent election has very effectively indicated that the sixty thousand have dumbly returned to that old life and accepted its old forms and ideas and ideals. They felt no loyalty to fellow-soldiers who were on party tickets. They had no support for a comrade who ran as a soldier alone.

KILLED BY BLOOD POISON

Used an old razor for paring his corns. Foolish because 25c. buys a bottle of Putnam's Painless Corn Extract which for fifty years has been removing corns and warts without pain. No failure if you use "Putnam's." Refuse a substitute. 25c.

Enjoying Winter in Quebec

With the object of making Quebec the leading winter sport city on this continent, a very attractive and varied programme of matches, races, and competitions is being arranged for the season of 1921-22, and visitors to this beautiful and romantic old city will have a wonderful opportunity of witnessing or participating in ski-races, hockey games, snowshoe tramps, curling matches, skating events, ski-joring, indoor and outdoor festivities and entertainments, all in a historic setting without parallel in North America.

The Chateau Frontenac, which is the traditional social centre of the city, is co-operating heartily by the contribution not only of a triple chute toboggan slide on Dufferin Terrace, a ski jump on Citadel Hill, a skating rink adjoining the hotel and a curling rink in the Palm Court, of the hotel, but also offering cups for competition between amateur hockey clubs and snowshoe clubs of the city as well as individual prizes for the various sporting events.

The whole city, with its hilly streets, its skating rinks, its beautiful Battlefields Park on the Plains of Abraham, its proximity to quaint old French-Canadian villages and natural scenery of spectacular beauty such as Montmorency Falls, its atmosphere of hospitality and gaiety and charm, offers to those who love to tramp on snowshoes or glide on skis, or hurtle down on toboggans, or drive, wrapped in furs, to the jingle of the sleigh bells, a choice of out-door winter recreation such as would be difficult to rival anywhere.

The population of Quebec revels in its glorious winter. The Quebec child takes to snowshoes, and very soon after that graduates to skates or a toboggan or skis. As the years pass, he or she joins a club and plays hockey, and many with the approach of maturity learn to wield the broom and the curling stone, and "scoop her up." A dog sleigh is a step on the ladder to a sleigh drawn by a fast trotter.

Winter sport is thus native to Quebec. The snowshoe and ski clubs extend to visitors cordial invitations to their outings which are always most interesting and enjoyable affairs. A big curling Bonspiel lasting for a week, will be held sometime during February, in which teams from many points in Canada and possibly the United States will participate. Within the Chateau Frontenac there will be indoor golf, billiards, music and there is an excellent floor for dancing. The con-

venience of having a curling rink actually within the Chateau walls and a skating rink immediately adjoining the hotel, need only be mentioned to be appreciated, while the toboggan slide on Dufferin Terrace and the ski-jump are within less than 200 yards of the hotel.

Tried for You Find Relief

"FRUIT-A-TIVES" GAVE IT

Chronic Constipation or insufficient action of the bowels, is one of the great causes of disease. Some authorities even claim that Constipation cannot be permanently corrected. This is a great mistake, because here is the proof that constipation can be cured and the bowels made to act regularly and naturally.

YARMOUTH, N.S.

"For years, I was troubled with Constipation, and had to take laxatives and purgatives all the time. If I neglected to take these, the bowels would refuse to do their work.

About two years ago, a friend advised me to try "Fruit-a-tives", which I did. The first box helped me so much that I obtained further supplies of the remedy and continued the treatment. After using about eight boxes, my bowels were able to perform their particular function without aid.

The relief in my case has been lasting. As up to date, I have never had any further trouble. I can recommend "Fruit-a-tives" to all suffering as I did and I am sure they will derive equal benefit."

"Fruit-a-tives" are sold by all druggists at 50c a box, 6 for \$2.50, trial size 25c., or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.
