

YORK COUNTY A. A. A. WILL HAVE CHIP SEELY AT SUSSEX IN FIVE EVENTS

Local Athlete in Big Track and Field Meet Tomorrow—U. N. B. Athletic Field Has Been Remade—Queens Square Now Undergoing Great Improvements.

H. Chip Seely the star all around athlete of the University of New Brunswick will be sent to Sussex to represent the York County Athletic Association at the big track and field meet which is being run by the Sussex A. A. A. which does something more than produce the champion hockey team of New Brunswick and the Maritime Provinces.

Last year Seely was making a big noise on the local Y. M. C. A. baseball team. This year the amateur ball league not having got away to a start he is devoting his attention to track athletics. Possibly later in the season he will be playing ball.

Seely is entered in the 100 yards dash 220 yards dash, Running Broad Jump, Standing Broad Jump and Shot Put. It is a wide field of events but as Seely was the runner up for the Sir Frederic Williams Taylor Medal at the U. of N. B. he is classed as a pretty good all around athlete. Baseball, Rugby football, Basketball and Track and Field sports make an athlete versatile enough for almost anything.

Improvement of Grounds

Two well known athletic fields in this city have been or are undergoing extensive improvement. The U. of N. B. field, Church street, which has been the scene of many a hard-fought football and baseball game, has been completely remade. The work is about done except recinder the quarter-mile track. The field has been shifted south some yards and the track of course which surrounds it also had to be shifted. The field has been graded and seeded. There is doubt in the minds of some whether there will be heavy enough grass on the field by autumn for football but as the summer so far has been most favorable to grass it is possible there will be. The shifting of the track will remedy the defect caused some years ago by the sale of a portion of the field for the extension of Aberdeen street.

Queen's Square

Jack Lunn of the Y. M. C. A. under the instructions of the Playgrounds Committee is at work—between rain—on the Queen's Square improvements. The senior baseball diamond has been laid out and will soon be completed. It will be a "skinned" diamond with rock chips well rolled in for the surface. The base-lines will be laid in sand. The eighth-mile track, with 100-yards straight away and two tennis courts also are under construction.

THERE IS DANGER IN WATERY BLOOD

If Not Corrected Serious Results May Follow.

In no trouble is delay or neglect more dangerous than anaemia, a poverty of the blood. It is very common in young girls and in persons who are overworked or confined within doors. It makes its approach in so stealthy a manner that it is often well developed before its presence is recognized. But taken in time there is a tonic medicine which increases the number of red blood corpuscles thus enabling the blood to carry the life-giving oxygen to all the tissues of the body. Dr. Williams' Pink Pills have had much success in the treatment of this stubborn trouble because of this wonderful property.

The correction of anaemic conditions by Dr. Williams' Pink Pills is as certain as anything can be. Take as an example the case of Miss Mary D. Kelly, Charlottetown, P. E. I., who says:—"My blood was thin and watery, and my system very much run down. I could not do any work or walk upstairs without resting. I suffered greatly from headaches, my appetite was poor and I was also troubled with indigestion. I began taking Dr. Williams' Pink Pills and in a short time the results showed they were just the medicine I needed. I only used six boxes but am now feeling stronger and better than I have done for several years. From my personal experience I can strongly recommend Dr. Williams' Pink Pills.

These pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams Medicine Co., Brockville, Ont.

tion. The "kid" diamond has been laid out but no work has been done on it yet.

When the contemplated work is done Fredericton will have the finest public playgrounds in the Maritime Provinces. The portion taken by the C. N. R. but never used by it which is to be returned to the city, will greatly extend the playgrounds.

REVIVAL OF MARITIME CIRCUIT IS FORECASTED

St. John Paper Reviews Situation in Harness-Racing—Halifax Again on Racing Map.

(St. John Journal)

The "Down East" harness racing season will get underway this week with the curtain raiser of the Maine and New Brunswick Circuit at Fredericton, and the opening meeting at Moncton, as well as races on Dominion Day at several tracks in Nova Scotia and Prince Edward Island.

All three events on the card for one day's racing at Fredericton have filled, although none of the races will have large fields. Out of the six races offered for two days at Moncton five of them filled including a special \$200 race for trotters but the free for all event had to be declared off.

Halifax owned horses are to make the racing at Moncton, for if it were not for the stables of L. R. Acker and Frank Boutillier, of Halifax, there would not have been sufficient horses to make the Moncton meeting a go. Woodstock and St. John horses have come to the rescue of the new Fredericton Driving and Sporting Club in filling up the Fredericton programme, which, strange to relate does not include any American owned horses.

Good Variety.

While less has been heard of the preparations for the coming season's racing than usual, there is every indication that the Maine and New Brunswick Circuit will provide an even better variety of sport than in the past. Facts of the matter are that the programmes promise to be better balanced, and the recent purchase of Colonel Bidwell, 203-12 by the Caribou Driving Club, has added much to outlook for the free for all as Calgary Earl, 202-14 with "Buster" Burrill—after several years on the Grand Circuit with Walter R. Cox's stable—in charge, is to be a string which Frank P. Fox the Combination Park veteran has for his Down East pilgrimage. John R. Braden, 202-34, the Presque Isle "iron horse," will have a busier summer than last year.

Next Week.

Next week the Maine and New Brunswick Circuit will be underway in earnest with meetings at Houlton and Fort Fairfield in connection with the Fourth of July celebrations but clashing dates will divide the racing forces then as they will again the following week when Woodstock N. B. and Caribou, Wt are to operate rival meetings in connection with Twelfth of July celebrations. It will, therefore, be mid-July before the entire forces swing into action and the fur begins to fly with big fields and the whole retinue swinging into line together, President indications are that St. Stephen will have the first meeting without opposition when the campaigners go to the St. Croix Valley for a stay of two weeks divided between the twin towns on both sides of the river.

At Halifax.

One of the brightest incidents of the pre-season events in connection with the racing outlook has been the fine start which was made in the revival of the sport at Halifax in connection with the Natal Day celebration when 5,000 people turned out for the first racing staged in that city since the exhibition disaster in 1917 wrecked the exhibition plant and the race track became the headquarters for caring for the refugees. Provincial horsemen are showing consideration aversion towards invading Maine this year and some of them have declared they will not cross the boundary during the present season,

POINTED PARAGRAPHS

Public office is a public trust.

He who would reap well must sow well.

To be great is to be misunderstood.

The young cock crows as he hears the old one.

The way to live much is to live will betimes.

Work and wait. N'er despair and n'er abate.

The troubles that never come worry us most.

The wolf never wants a pretence against the lamb.

Never make a mountain of a molehill.

He only is advancing in life whose heart is getting softer, whose blood warmer, whose brain quicker, whose spirit is entering into living peace, and the men who have this life in them are the true lords or kings of the earth—they and they only.

HAS ADVANTAGES TOO.

North. "Don't you want to be cured of your Hay fever?"

West. "Not on your life! It's my only assurance of a real vacation."

to them the revival of the sport at Halifax is a matter of especial satisfaction because with Halifax back on the racing map, they look for a circuit in 1923 which will provide a solid season's campaigning in the Maritime Provinces without having to go into Maine at all.

Meanwhile some of the Maritime horsemen are waking up to the fact that failure to enter this fall has been a tactical error and they are reported to be purchasing nominations. The entry list shows that the stables from Western New England have virtually abandoned Aroostook Co., for their fall racing and the stakes at Presque Isle, Houlton, and also Caribou fairs have been left to the eastern stables to fight for.

bright

A cup of the genuine "Salada" tea sparkles and reflects a clear amber shade that proves the leaf to be free from dust or dirt.

All pollen dust is winnowed and extracted by vacuum process from "Salada" Tea—one reason why it always tastes so clean and refreshing.

Every Maritime grocer sells this delicious tea.

Metal foil packets only
1 lb, ½ lb and ¼ lb sizes

DOMINION DAY WILL HAVE GOOD SPORT PROGRAM

Maine & N. B. Harness Circuit Opener Looks O. K.—Moncton Ball Team Plays Twice.

Fredericton with favorable weather should put on a great day's sport for Dominion Day. The Fredericton Baseball Club has the fast Moncton team back here for a return engagement and the Fredericton Driving and Sporting Club will open the Maine & New Brunswick Harness Racing Circuit with a three-event card.

Fred Cameron's string composed of the McAlister horses from Sussex has been here some days and the St. John horses are here. Exterminator is a new one which Dr. McAlister has this season. He is expected to do something and his first start of the season will be here.

With other racing meets not clashing there will be good attendance from outside points.

The Ball Games

The horses are ordered to face the starter at two o'clock. That will not interfere with the ball games which are scheduled to start at 10.15 and at 6.15. They will give the fans two rattling good games.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she would not be without them. They are the ideal home remedy for the baby; being guaranteed to be absolutely free from opiates or other harmful drugs. They are a gentle but thorough laxative and have been proved of the greatest aid in cases of constipation, indigestion, colic, colds and simple fevers. Concerning them Mrs. Ernest Gagne, Beauséjour, Que., writes: "I have used Baby's Own Tablets for constipation and colic and have found them so successful that I would not be without them. I would strongly recommend every mother to keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

REMINISCENCE.

I loved you once I saw you, Bess;
One doesn't question fate.
(That line went over big with Tess in nineteen eight.)

We've lived before! I swear we two
Have loved since time began
(How well that story went with Sue From Michigan!)

I've thought I was in love before—
But now! well—now, I know!
(Ah, was it Ann or Elinor
Who loved that so?)

How well men learn
From women's eyes
The golden worth
Of splendid lies.

PHILIP OWEN.

The greatest truths are the simplest and so the greatest men.
Think twice before you speak and thrice before you write.

CORNS BETWEEN THE TOES PAINLESSLY REMOVED

The death warrant is passed out every time a corn is treated with Putnam's Corn Extractor. It means the end of the corn. Putnam's lifts out corns root and branch, and never fails. Refuse any substitute for Putnam's.

NOTICE OF MEETING

MUNICIPALITY OF YORK
The Semi-Annual Session of the County Council of the Municipality of York will convene at the Council Chamber, County Court House, Fredericton, on Tuesday, the 4th day of July, 1922, at 2 p. m.

J. S. SCOTT,
Secretary-Treasurer.

Notice To Lady Taxpayers

Ladies who have not paid their taxes will please take notice that executions are now being made out to be placed in the hands of the Collector for immediate service. Do not blame anyone but yourself if you get one.
(Sgd) G. R. PERKINS,
City Treasurer.

Flowers from Schleyers

is always a pleasant surprise because you know you are getting the very best flowers grown. We have a reputation for selling only high grade quality flowers, cut or growing in pots and boxes. Our green plants and shrubs also are that kind.

TENDERS

Sealed tenders marked "Tender for Seven Mile Lake Dams" will be received up to noon of June 30th, by the Secretary, New Brunswick Electric Power Commission, for the construction of a concrete dam near the outlet of Seven Mile Lake and four small earth dams at points along the lake in the Parish of Westfield, County of Kings.

Plans, specifications and general conditions of contract may be seen at the office of the Commission, 65 Prince William Street, St. John. Each tender must be accompanied by a certified cheque for \$20,000 which will be forfeit in the event of the selected tenderer failing to sign a contract within ten days of being notified so to do.

E. A. SMITH,
Chairman.
A. R. CARTER,
Secretary.
