Says World War Debts
Should be Struck Off

Montreal Sept. 11—Inter-Allied nations should wipe out all war debts.

This is the opinion of Lord Shaw of Dunfermline, Lord of Privy Council, who arrived in Montreal from Ottawa this morning.

"As an abstract proposition I think it is the most practical solution of Europe's ills," he declared on his arrival. "But of course this action would have to be done in a spirit of magnanimity. No nation is to be coerced or forced into any such arrangement. Unity is essential."

The British peer is accompanied by his daughter, Mrs. Isabel Thompson. Dressed in his frock coat, silk hat and white gloves he strolled along the platform, the embodiment of judicial dignity.

Welcomed By Bar

The Montreal Bar officially welcomed him. Hon. J. L. Perron, K. C., batonnier; J. A. Mann, K. C., and Pierre Beullac, K. C., were on hand when the train pulled in, to extend the official welcome of the Bar to the distinguished jurist. Others of the legal fraternity present were Eugene Lafleur, K. C., Hon. Mr. Justice Martin and the Hon. Mr. Justice Survevor.

Lord Shaw said that it would be almost two generations before Europe could hope to recover anything like her pre-war status.

"It will mean years of human and industrial struggle and application," he said, "and even then one will never know which way the road leads. One of the first and best plans would be the cancellation of Inter-Allied debts. This must be done, if it ever is done, in the most enthusiastic spirit of friendliness. With that accomplished, the cards would be on the table and the nations of the world would receive the best and only start that would prove the most beneficial to all."

Must Eliminate Cavil

"Cavil must be eliminated and coercion out of the question. It is the best thing that presents itself at the present time, and progress will be very slow and industries handicapped until a common agreement is reached in a true spirit of magnanimity."

Lord Shaw does not in any way reflect his years, though in his seventy-

second year he could readily be mistaken for a man in his sixties. In contract, however, to his daughter, Mrs. Isabel Thompson, the comparison is striking. With two crimson carnations in his buttonhole he faced a battery of cameras in the station after his arrival and in full dress the party was mistaken for a bridal couple which drew the remark from one observer, "Oh my, what a young bride for such an elderly gentleman."

Lord Shaw did not hear the remark and walked away when the cameras finished clicking.

WAS HELD UP,
HELD DOWN AND
SANDBAGGED

Max Straus, president of the Baltic-American Line, Inc., who returned from Europe a few days ago on the White Star Liner "Olympic," said the following letter was an exact copy of communication received by an English bank from one of its customers:

"Dear Sir:—For the following reasons I regret being unable to reduce my overdraft. I have been held up, held down, sandbagged, walked on,

WASTING TIME.

"Have you the time about you" he asked as they sat on the moonlit beach.

"Why yes," she murmured; "you are wearing a wrist watch aren't you?"

"The Government has governed my business so that I do not know who owns it. I am inspected suspected, examined and re-examined, informed, required and commanded, so that I don't know who I am or why I am here at all. All that I know is that I am supposed to be an inexhaustible

supply of money for every known need, desire or hope of the human race, and because I will not sell all I have and go out and beg, borrow or steal money to give away, I am assailed, discussed, boycotted, talked to, talked about, lied about and held up, hung up, robbed and damn near ruined and the only reason why I am clinging to life now is to see what will happen next."

To Holders of Five Year
5½ per cent Canada's
Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5½ per cent interest, payable half yearly, of either of the following classes:—

- Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.
- Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmatured coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
Minister of Finance.
