

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO THE WOMEN

FASHION FANCIES.

Clothes stamped to resemble leather are among the novelties used by the French designers for tailored gowns.

Black velvet will return to great popularity for evening and afternoon gowns. These costumes are very long and in draped designs.

Some of the new tailored suits have skirts with pearls and other jewels is used for the bodices of evening gowns over which black velvet is draped.

Scarfs and hats to match are by no means back numbers despite their years of popularity. Small tams of cloth with scarfs to match embroidered in bright colors are very smart especially for the young girl.

Ermine wraps are made with a three tiered skirt part. The fur goes over the shoulders and forms a high rolling collar. The lower part of the cape wrap has three rows of ermine tails encircling it at intervals to produce an effect of three flounces.

CORN, CELERY AND ONION RELISH.

Place knife STV-poag esefaw n
Place through the food chopper
using the wine knife
Twelve large onions,
Four red peppers,
Three green peppers
Three large stalks of celery.
Place in the preserving kettle and add

Cold cooked corn cut from six large ears,
One tablespoon of celery seed
One tablespoon of mustard seed
Add two cups of water and cook slowly for thirty five minutes. Now place in the mixing bowl
Two cups of white malt vinegar
Two tablespoons of mustard
One tablespoon of salt
One level teaspoon of tumeric
Two tablespoons of paprika
One half cup of flour.

Stir to dissolve and then add to the vegetable mixture cooking in the preserving kettle, stirring well to blend. Bring to boiling point and cook slowly for twenty minutes. Fill into all glass one-half pint jars, adjust the rubber and lid and seal securely. Place in a hot water bath having water just to the neck of the jars; process for twenty minutes, then remove and store in cool dry place.

THE HEROINE.

This is such a quiet house
With only myself in it;
The stealthy nibble of a mouse
The clock's tick minute on minute.

I whistle a familiar air—
Chopin's March for the Dead!
What was that creak on the stair
(What put that tune in my head).

A paper rustles to the floor,
That shadow on the wall looks queer!
Was that the wind at the door
I'll keep these scissors handy here

I wonder did I leave a light
In the hallway. Dear me,
If I should scream in the night,
Would anybody hear me

What's that, Footsteps! A knock!
two knocks!
The milkman! Oh, gosh!.... A
telephone call!
Yes, dear. Oh, I—read—and—
mended your socks,
NO! I DIDN'T MIND IT AT ALL!
—ELISABETH.

CORNS, CALLOUSES, SORE FOOT LUMPS

REMOVED BY HOT WATER

Looks easy don't it. Actually easier than it looks. Take just a minute or two to cover the corn or callous with Putnam's Painless Corn Extractor, the pain is eased at once. Follow this later by a hot foot bath and watch your corn and callouses drop off. Think of the glorious feeling you will get at the cost of a few cents. Foot and toes are made smooth as a whistle Try it and you will quickly prove this is so. Get the name "Putnam's Painless Corn Extractor," sold at druggists everywhere.

Railway News

Irish newspapers follow up the careers of Irishmen who leave the Green Isle. The Irish Independent had the following item a few days ago:

Sir Herbert Samuel Holt, of Montreal, whose eldest son, Capt. H. P. Holt, M.C., is to marry Aileen Elizabeth, elder daughter of Mr. and Mrs. G. L. Cairns, of Montreal, is a man of considerable standing in Canadian commercial circles. He is a banker and railway engineer, and, besides being President of the Royal Bank of Canada, is a director of the C.P.R.

He is an Irishman, being born in the Co. Kildare in 1856, the son of the late Mr. Grattan Holt. Capt. Holt was in the 3rd Dragoon Guards.

J. M. Gilmour, chief clerk in the C.P.R. general offices at Lethbridge, has been transferred to the same position in the superintendent's office at Medicine Hat. J. H. Fairley, chief clerk at Edmonton, will succeed Mr. Gilmour at Lethbridge. The former is being replaced in Edmonton by S. C. Connolly of Medicine Hat. J. M. Gilmour was the first chief clerk in the Lethbridge division, having been placed here to open the office August 1, 1914. He has been with Supt. C. D. MacKintosh since that date. He has always taken a keen interest in the activities of the C.P.R. Social and Athletic club.

No man in Canada has the reputation of equalling Geo. H. Ham, of the Canadian Pacific Railway Co., as a raconteur and a wit. Sir Thos. White once called him "a great national asset."

Mr. Ham added that he was glad that Sir Thomas had fortunately not forgotten the "et." Even in the hospital undergoing an operation for appendicitis, Mr. Ham sustained his reputation, as his best story, probably, will show.

When he lost consciousness, he says, his last thought was "This is eternity."

"When I recovered from the effects of the opiate, I found myself in a darkened room, and wondered where I was and what it was all about. The kindly-natured nurse quickly discovered that my consciousness had returned, and came to my bedside, and then I remembered everything. 'But why this dark room? It was early morning when they operated on me, but now it can't be night.'

"No, it isn't," she seriously responded, 'but we were afraid of the shock you might get.'

"Why, what shock?"

"Well, there was a big fire just across the street, and we were afraid if you awoke, and saw the flames, you might think that the operation hadn't been successful."

"That shows you what it is to have a reputation."

The Commercial Cable Company and C.P.R. Telegraphs have taken over the Postal Telegraph Service in Newfoundland and are now handling all business over the Newfoundland government's cables and land lines.

Whatever the volume of the coal and grain business this fall, the Canadian Pacific would be in position to handle it. This was the assurance given by Grant Hall, vice-president of the company, at Calgary. Mr. Hall is on his annual tour. He is in a most hopeful frame of mind regarding the crop situation in the three western provinces. Present prospects, he stated, were that there would be a fair average crop.

"No, I do not anticipate any complications arising on this side owing to the strike among United States shippers," he remarked in reply to a question. "There is no occasion to think this at the present time," he added.

Assistant Superintendent W. M. Neal of the C.P.R., who is leaving Toronto, to become general superintendent of Algoma district with headquarters at North Bay, and H. J. Humphrey, superintendent of the Trenton division of the C.P.R., who is to succeed Mr. Neal, were entertained to dinner by C.P.R. officials at Toronto recently. Mr. Neal was presented with silver candlesticks and Mr. Humphrey with an umbrella.

A meeting of a committee of citizens named to consider the building of a Seamen's Institute at Quebec, on the site in the harbor secured from the Government, was held recently at the Royal Bank building. Mr. J. T. Ross presided over the assembly, and a letter was read from Commander Elliot of the Canadian Pacific Steamships, stating that he was authorized by Mr. George M. Bosworth, on behalf of Mr. E. W. Beatty, president of the C.P.R., to say that the latter company would subscribe \$5,000 towards the building, provided that the remainder of the amount required for the purpose is obtained from other sources.

The plans call for an expenditure of from \$25,000 to \$30,000.

It was decided to accept this offer with gratitude, and preliminary discussion took place as to ways and means of collecting the balance of the amount.

THE NEW IMPROVED TWO PASSENGER HAYNES 55 ROADSTER

Style, reliability, value—these are the outstanding characteristics sought and attained by Haynes engineers and designers in the new, improved Haynes 55 Roadster.

Extremely modern and modish is the arrangement of individual fenders and individual aluminum steps, as well as the searchlight design of head lamps and cowl lights. Special compartments for luggage and parcels increase the utility, while the tested and supremely reliable Haynes-built light six engine furnishes an abundance of flexible power.

Like all Haynes cars of the present season, this smart 121-inch wheel base roadster is equipped with four cord tires and the exclusive Haynes electric button starting system, which represents the maximum refinement of convenience.

The genuine leather upholstery of the seats is another token of the superior manufacturing excellence throughout, which emphasizes the value at the low price of
