Island Falls Showed Nothing and Were Shut Out 9 to 0 by Locals

Looking very much like a ball team, Fredericton shut Island Falls, Me., out 9 to 0 Monday evening. There was nothing to the game except the effort of the Maine team to break the goose egg and the effort of the home team to prevent them. There were three Fredericton errors but they came late in the game and cost very little. For a time it looked as if Fredericton would turn in an errorless game. Island Falls showed no improvement over their last appearance here. Mason in the box received poor support and for the last two innings after he had been found for twelve hits, Walker did the pitching. Paynter did not exert himself and pitched all the ball that was necessary for a shutout. His support was good.

The Scoring

The Northern Athletic Association team to give the visitors their proper designation, did not get a runner as far as second base until the sixth inning. In that inning Kneeland was safe on a choice. Bill Dean fielded J. Narkus out just afterward with one of the nicest cross-diamond throws ever seen here. Ryan hit and Kneeland reached third on the hit Ryan taking second on the throw. Both died there. In the seventh Walker got to third on Olsen's error, a choice and a passed ball. Mason took second at the same time but Gibbons was fielded out, again by Dean, and the side was retired. The visitors made their final stab at a run in the eighth. Kierstead dropped Kneeland's long fly. J. Narkus filed out to Davis. Ryan then hit and it looked like a run. The ball came in, however in time to get Kneeland at the plate and Ryan afterward as he was trying to make second.

Fredericton started out after the game from the first, scoring three runs in the first inning, three hits, two sacrifices, a base on balls and an error combining to bring about the result. In the third there were three more beginning when Duke Connors rapped out one for three bases, and scored on an error when the ball was fielded in. Smith hit to the outfield for two bases but was run down between second and third. Kierstead was safe on a choice and Olsen and Davis each hit. Hits by Markham and Smith and Dean's sacrifice fly sent in two more in the fourth. In the sixth

there was another on a hit, a sacrifice and an error.

Among The Fans

Bill Dean was there with the whip.
Island Falls will turn loose a left-winger this evening.
The half-hour earlier start did not appear to help out the attendance.
Paynter worked slowly and steadily and had all that was needed.

Dean has been turning in more sacrifice hits lately than any other player in a similar length of time.

The crowd disagreed with the decision of Umpire Cain which declared Gibbons safe the first man up.

The local team now looks equal to anything which has been seen here this season. Island Falls is hardly stiff enough material to give the team a chance to show.

ST. JOHNS SHUT OUT ST. PETERS

St. John, Aug 15—In the best league game of the season, the St. John's defeated the St. Peter's last evening, on the St. Peter's Park by a score of 1 to 0. LURE OF THE MOTORIST

The lure of the motorist is the winding road. The hope of an adventure just ahead, the woods and the hill around the corner—these keep him going on and on with a light heart. He doesn't know what the next mile may bring him and he keeps on. Faith and hope are high within him. The true motorist knows the lure. So with life, it's the long, winding road. Perhaps there is a new adventure just around the next corner. Perhaps there is a spill. But most of us are glad of the road and the adventure, glad to take a chance on the spill, glad for what may be just over the hill. We shall travel more happily with a lighter heart, if we travel with high hope and with faith.

Ended the
Stiffness in
his wrist

Isaac C. Mann, of Matapedia, Que., has written us as follows:

"Fourteen years ago I got the cords of my left wrist nearly severed, and for about nine months I had no use of my hand. I tried other liniments, also doctors, and was receiving no benefit. Under persuasion from a friend I got Minard's Liniment and used one bottle which completely ended my trouble. I have been using Minard's Liniment in my family ever since and find it the same as when I first used it."
