

Rich yet Delicate— In every cup of the genuine "SALADA" BLACK OR TEA GREEN

will be found a flavour so rich that you may instantly recognise the fine quality of the leaf yet so delicate that it refreshes and "comforts" as no other tea will do. * Samples on request. SALADA, MONTREAL.

Big Hockey Match of Season at Artic Rink Tonight, Sussex Meeting Fredericton Again

Local Team will be Same at That Which Appeared in Other Games—Sussex Expected to be in Good Trim—Marysville Plays Visitors Wednesday Night—Two Good Games Expected—Interscholastic Conference at St. John on Wednesday.

The big game of the local hockey season will be played tonight when Fredericton and Sussex meet in the return match in the Western Section N. B. and P. E. I. League at the Arctic Rink. The Fredericton team worked out Monday night early but did not do any extra hard practise saving themselves for the match. The team will be the same which beat St. John and drove Sussex to the limit to win on Sussex ice.

The injured players have pretty well recovered from the hard knocks they received and should be able to give a good account of themselves. Lack of second string players again will be the weakness.

The Sussex team will be as strong as that which beat Fredericton last Tuesday. Last winter the team made a good showing here and by beating Chatham afterward became New Brunswick champions. A banner crowd is expected to be out for the game.

Marysville Tomorrow.

Sussex goes up against Marysville Wednesday night. Marysville has improved considerably since being defeated by St. John early in the season. The team should give Sussex

the hardest kind of argument. The fact that they play the second game should be an advantage to Marysville the team will use the same players and subs as before.

INTERSCHOLASTIC SERIES

Organization Meeting at St. John Wednesday—Three Teams Sure—Basketball Schedule

Fredericton High School will send one or two representatives to St. John Wednesday to attend the meeting to organize the Interscholastic Hockey League for the season. Rothe say Collegiate, Sussex High and Fredericton High are sure to be members and St. John High is possible.

The matter of organizing a basketball league also will be discussed and Provincial Normal School probably will send a delegate and ask to enter.

DALHOUSIE OUTPLAYED

Boston Globe Says Some Unkind Things About Halifax College Team—Left Defence Open

The Dalhousie University Hockey

team from Halifax failed to make any impression on the Boston hockey experts Massachusetts Tech beat the Dal team 3 to 0 and Harvard beat it 4 to 1. Concerning the first game the Boston Globe's report which does not handle Dalhousie gently is as follows:—

The Tiger of the North turned out to be a lapdog. The Dalhousie College hockey team swept down on Tech last night at the Arena like a chill blast from the Provinces but when it was all over the score read "Technology 3, Dalhousie 0."

It was a smashing slashing game the fans saw and the Nova Scotians found that the Tech boys fresh from their victory over Yale, were not to be beaten even by huskies as Lee Fluck, the 215-pound Canadian defense man. Twice Neville DuVernet, Tech's right defense man sat in the penalty cage once for a doubtful illegal check and once for tripping Horsler of the Dalhousie team occupied the same berth once for checking.

The action was in front of the Tech goal during most of the three periods and Capt. Hugie Nickle of the Engineers was worked much harder than was the Canadian goalie but when Tech went up the ice it went up to score and the Engineers drives seemed to be tagged for the net.

Flint Taylor, the Tech left wing scored two of the goals and he earned both of them playing straight "dribble-and-shoot" hockey. Neil MacNeil scored the third.

Action started with the referee's whistle the Dalhousie forwards going after the disc in whirlwind style.

Nickle Defends Cage.

Tech seemed to be dazed by the swiftness of the attack and inside of a few seconds there was a hot fight directly in front of the Tech goal. Capt. Nickle knocked down a wild drive; a Tech forward recovered it the action was on. Dalhousie started substituting immediately. Lilly being replaced by "Brick" Dunn.

The presence of the red-haired youngster was felt immediately. His offensive attack was harder to stop than that of any other Canadian forward. From the first it was apparent that game was to be no teaparty and at one time nearly half the players were sprawling on the ice. Flint Taylor of Tech seemed to take keen delight in

TELLS HOW CATARRH IS DESTROYED QUICKLY.

Catarrh sufferers, meaning those with colds, sore throat, bronchial trouble, etc., can all be fixed up right at home by inhaling "Catarrhazone." In using Catarrhazone you don't take medicine into the stomach—you just breathe a healing piney vapor direct to the lungs and air passages. The purest balsams and the greatest antiseptics are thus sent to every spot where catarrhal trouble exists—germs are killed, foul secretions are destroyed, nature is given a chance and the disease ends quickly. Colds and throat troubles can't last if the pure healing vapor of Catarrhazone is breathed—sneezing and coughing cease at once, because irritation is removed. Bronchitis, irritation and weakness in the throat soon disappear. Use Catarrhazone, whether young or old. Two months' treatment \$1.00; small size 50c., dealers everywhere, or The Catarrhazone Co., Montreal.

Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contains certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.

FREE TRIAL Cut out this article, write across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps, 50c. box.

Peps

upsetting the huge Fluck and the crowd did not seem to mind seeing the big fellow spilled.

The first goal was made within 30 seconds and although Dalhousie was not putting up the airtight game for which it had been touted, she ladt from the North played better hockey than Tech. At no time during the game did Dalhousie pass consistently while the Tech appeared to have learned the lone game doesn't pay. At times the Dalhousie half of the ice was deserted by everyone but Capt. "Duke" McIsaac, in the net while Tech kept Hugie Nickle protected all the time.

The Tech defense frequently carried the disc but when this happened the forwards dropped back and left the scoring to their teammates.

MacNeil Scores First Goal

The first goal was made within 30 seconds after the opening of the second half. Flint Taylor who won nearly every face-off during the game, caught the disc as the referee dropped it and shot it back to MacNeil, at left defense. MacNeil flashed speed and clever stickwork and took the rubber through the entire Dalhousie team by straight hockey to a position in front of the goal. He drew McIsaac out and made a perfect shot.

The Tech fans who had merely been hoping to hold Dalhousie to a low score went wild and Dalhousie seemed to lose a bit of confidence it had earlier in the game. Tech seemed to play like a team possessed and although it appeared to be luck every time a pass was made there was a Tech man ther to take it. The Tech defence was airtight.

Dalhousie got worked as the period wore on without further score and although the players gave some thrilling individual hockey they forgot all they knew about passing and teamwork on the part of Tech broke up the driving attacks. Goalie Neckle made some wonderful stops.

Dalhousie sent the goaltend down the Tech goal late in the second period and Hugie Nickle was bombarded with shots a number of which seemed tagged for the net.

With the Dalhousie goal left thus unprotected Flint Taylor cut loose after 11 minutes had a clear field and scored the goal neatly.

Third Period Spectacular

The third period brought out some spectacular hockey.

Dunn, Horsler and Bates, Dalhousie forwards made repeated brilliant dashes but had a tendency to shoot from the middle of the rink. Each drive was checked by Nickle and the Tech defense.

Tech's third goal was a beauty. Playing without DuVernet who had been a stone wall at defense, Taylor was again allowed to get loose with the puck and skating easily picked his way through the Dalhousie defense. It would have taken a good man to stop the shot.

Unless Dalhousie picks up before tonight Nova Scotia is in for another jolt at the hands of Harvard. Dalhousie has a good forward line and a good goalie but the defense pair seem to be weak.

YOU MAY BE ILL TONIGHT HAVE YOU A REMEDY?

It may be a disordered stomach, perhaps cramps or acute indigestion. If you have no remedy handy, you are bound to suffer. Twenty drops of Nerviline in sweetened water will ease the pain and enable you to get a good night's sleep. Whether it is Neuralgia, sick headache or some other minor ache or pain, Nerviline can be used internally or externally and will be found a true friend for every family.
