Sussex Favored Locally for Two-Province Title; High School on Way to Title

Fredericton is in line to have at least one hockey title this year for Fredericton High School beat Rothesay Collegiate School at Rothesay Friday afternoon 1 to 0. The margin between the two teams is slight but it is in favor of Fredericton High.

YOU MAY BE ILL TONIGHT

HAVE YOU A REMEDY?

It may be a disordered stomach, perhaps cramps or acute indigestion. If you have no remedy handy, you are bound to suffer. Twenty drops of Nerviline in sweetened water will ease the pain and enable you to get a good night's sleep. Whether it is Neuralgia, sick headache or some other minor ache or pain, Nerviline can be used internally or externally and will be found a true friend for every family.

Here last week the two teams played to a tie after ten minutes overtime. The score was 2 to 2.

Sussex High was beaten 8 to 1 at Sussex Thursday so there is every indication of Fredericton High adding another victory to its standing when the two teams meet here next Friday night. Sussex High beat Rothesay at Rothesay in the opening game. Rothesay said when here that they could not tell how it happened and the scores since that time bear out the contention.

The local High School team contains the makings of some good players according to the old-timers who have looked them over. The pity is that there is not a local junior league composed of players about the same age as the High School players. If

there were, Fredericton would not have to worry about players for future senior teams.

SUSSEX LOOKS GOOD.

Decisive Victory at Chatham Last Night Gives Maritime Champions Good Chance.

The news of the victory of the Sussex team at Chatham Friday night in the N. B. and P. E. I. play-off series was received with pleasure here. The Sussex team is popular in Fredericton and also there is the feeling in favor of the Western Section leaders. It was hardly expected that the champs would shut Chatham out on their own fee. That happened however and the score 4 to 0 showed that Sussex was travelling.

Handicapped Before.

In the match at Charlottetown Wednesday night Radcliffe missing from the defence made a weakness. With the other two matches of the series to be played at Sussex the Blue and White team looks good.

Chatham is scheduled to play at

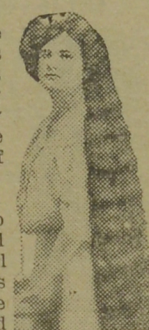

KILLED BY BLOOD POISON

Used an old razor for paring his corns. Foolish because 25c. buys a bottle of Putnam's Painless Corn Extractor which for fifty years has been removing corns and warts without pain. No failure if you use "Putnam's." Refuse a substitute. 25c.

THIN, FLAT HAIR

GROWS LONG, THICK
AND ABUNDANT

"Danderine" costs only 35 cents a bottle. One application ends all dandruff, stops itching and falling hair, and in a few moments, you have doubled the beauty of your hair. It will appear a mass, so soft, lustrous, and easy to do up. But what will please you most will be after a few weeks use, when you see new hair—fine and downy at first—yes—but really new hair growing all over grow long, thick, heavy and luxuriant. The scalp. "Danderine" is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. This delightful, stimulating tonic helps thin, lifeless, faded hair to grow long, thick, heavy, luxuriant.

NOTICE

The Canadian National Railway is making provisions to handle expected rush of travel to Fredericton from Feb. 21st to 23rd, when the United Farmers Cooperative Limited meet. A large number of shareholders are expected from Woodstock and Centreville.

Sussex Monday night next and Charlottetown Wednesday night. Sandy Staples of this city is to referee there Wednesday night.

A delegation of hockey fans from Fredericton probably will go down to see the Charlottetown-Sussex game.

LINES TO A GOLF WIDOW.

James J. Montague in Life.
If you had said eight months ago
When January blizzards blew,
And all the greens were deep with snow,
That I must give up golf or you,
I might have stayed the fatal step
I might before it was too late,
Have vowed that we should never separate.

If, even in the early Spring

When we were playing winter rules,
When mud flew thick at every swing,
And balls fell "chug" in casual pools,
You'd been disposed to raise a row
And talked of leaving me again,
I might have listened to you now
And then.

But now, when greens are hard and fast,
And fairways like an emerald floor,
When I have got the swing at last
And confidently bawl out "Fore!"
Your threat to part may be a bluff,
Or you may really pack and go,
But I shall not be home enough
To know!

When an optimist begins to wonder whether optimism is all claimed for it he getting in a state of mind to backslide.
