

# All Are Delighted with Vicks

## Fredericton Families Find it Wonderful for Cold Troubles

Fredericton people became acquainted last winter with Vicks Vapo-Rub, the vaporizing salve for all cold troubles.

In the hundreds of homes where it has been tried, Vicks is already a stand-by for croup, children's colds, bronchitis, catarrh and various skin hurts and itchings.

## The New External Treatment

Vicks, the discovery of a North Carolina druggist, is a combination in salve form of the old time-tried remedies, Camphor, Menthol, Eucalyptus, Thyme, Oil of Turpentine and other volatile oils.

When Vicks is applied it has two immediate actions. Externally, it is absorbed through and stimulates the skin, relieving the soreness and tightness of the chest. Internally, the volatile ingredients, released as vapors by the body heat, are inhaled directly into the affected air passages, loosening the phlegm and relieving the congestion and inflammation.

For croup and common colds you just rub Vicks over throat and chest and cover with a warm flannel cloth. One application at bed-time usually prevents a threatened attack of croup. Colds are ordinarily broken up over night. Croup attacks are usually eased in 15 minutes.

For deep chest colds, tonsillitis, bronchitis, or incipient pneumonia, hot, wet towels should first be applied over the throat and

chest, to open the pores of the skin and then use Vicks. For head colds, asthmatic or catarrhal troubles, insert a little Vicks up the nostrils, snuffing well back. Also melt some in a spoon or tin cup and inhale the vapors arising.

In the United States where Vicks originated, it is almost universally used in preference to internal "dosing." Mothers prefer it for children's cold troubles because it acts directly and quickly, and because it is applied externally and hence does not disturb the most delicate stomach. It is fine also for cuts, burns, scalds, bruises, sores, bites, stings, itching skin troubles and other forms of skin inflammation.

## Reports from New Brunswick People

Last winter each New Brunswick druggist gave away to his customers samples of Vicks, with the understanding that they would test this new remedy and report the results. We are giving below a few reports from the many that were received.

**FREDERICTON**  
Mrs. A. J. Brown, R. F. D. No. 4, Fredericton, N. B., says: "I have given VapoRub a good fair trial and find it excellent for head colds, chest colds and bronchitis. It can't be beat. We have used it throughout the family and find it an excellent remedy."

**FREDERICTON**  
Mr. Charles Hayward, R. F. D. No. 1, Fredericton, N. B., writes "I have used Vicks VapoRub for a cold on the chest. I applied it over my chest rubbing it in well. I am pleased to say my cold entirely disappeared. I have also used it on my boy for a cold on the chest with the same good results."

**JOHNSON'S CROFT**  
Mrs. W. Johnson of Johnson's Croft, N. B., writes: "I have found Vicks VapoRub to be the best ointment I ever used, both to rub on and to inhale."

**MOUTH OF JEMSEG**  
Mrs. Cecil D. Colwell, of Mouth of Jemseg, N. B., says: "I used Vicks chiefly for cold in head and throat and can truthfully say it greatly relieved the trouble. I bathed the throat and nose, inserting the salve well into each nostril. I also found it good for burns, used according to directions."

**STANLEY**  
Mrs. Leo A. Hawkes of Stanley, N. B., writes: "I sent and got a sample of Vicks VapoRub and used it on myself and my two little boys for head colds and found it very good."

**SPRINGFIELD**  
Mrs. Paul M. Spragg, R. F. D. No. 1, Springfield, N. B., says: "My little girl aged five years, had been troubled with a cough. I applied Vicks VapoRub a few times and she was practically well of the cough. I also find Vicks excellent for colds in the head and would advise all mothers to use it for their children. We certainly can't praise Vicks enough."

**WOODSTOCK**  
Mr. J. A. Troy of 75 Emerald St., Woodstock, N. B., writes: "I found Vicks a great relief to me, for I am troubled with asthma. It certainly made my breathing much easier. I would advise any person bothered with asthma to try Vicks."

## OPERA HOUSE RENTAL REBATES TO BE STOPPED; CITY COUNCIL THINKS IT HAS BEEN OVERDONE

### Various Matters Considered — Wilmot Park Transfer — Conference to Settle Aberdeen Street Right-of-Way with City—Letter from John T. Kay.

The City Council in committee Monday night dealt with many matters. One question was that of allowing rebates on the rental of the City Opera House, to local organizations. This subject has come up before and it was thought had been settled permanently. A schedule of rates was then adopted with the rentals for local organizations reduced to bare expenses. Since that time however there have been numerous applications for rebates because the receipts had not come up to expectations or for other reasons. Several cases were dealt with last night and the understanding is that henceforth there will be no rebates.

The matter of improving conditions at the City Market was discussed and action will be taken.

A special meeting of the Council is to be held within the next fortnight for the purpose of considering and deciding about the agreement with the C. N. R. relative to the use of a portion of Aberdeen street as a right of way, the establishing of a crossing over the C. N. R. tracks and the use of part of the railway right of way to make connection with York street.

The taking over of Wilmot Park supervision as requested by the Park Board also was considered.

#### Opera House Rental.

The student-body of the University of New Brunswick requested that the rental for the City Opera House for the Oxford-U. N. B. debate be cancelled, the proceeds not being sufficient to meet expenses.

On the motion of Ald. Phillips a rebate of fifteen dollars was ordered. The Hospital Aid applied for a rebate of Opera House rental for the two performances of "You Never Can Tell". The total was \$110. The Student Christian Association of the University of New Brunswick asked for a rebate on the Sunday night sacred concert given in aid of the Association.

A long discussion ensued upon this matter. The fact that Sunday night sacred concerts seldom paid expenses was brought out and also the fact that the light bills for any performance or occasion on which the Opera House is open.

Ald. Dickson moved that no action be taken with regard to the Hospital Aid performances. His ground was that receipts had been large and that the charitable feature could be alleged by any organization. Ald. Olts seconded his motion which was carried. The charge of Miss Archibald's lecture was reduced to fifteen dollars, and that on the Student Christian Association sacred concert to a like amount.

The opinion also was expressed that it must be understood that in future rebates were to be stopped.

#### Conference With C. N. R.

Mayor Reid brought up the matter of an agreement with the C. N. R. concerning Aberdeen street right-of-way. He said that C. J. Milligan, Regional Solicitor, had communicated with him concerning the matter. A conference could be held. It was decided finally to have a special meeting of the Council to decide the matter.

#### Wilmot Park.

The matter of Wilmot Park was brought up through a communication from Dr. T. C. Allen. It was urged that legislation be secured making the necessary transfer from the Board to the city as requested by the Board previously.

Mayor Reid said that the city provided much of the money expended there anyway and could with economy undertake the management of the Park.

The matter was referred to the incoming council.

#### Some Pointed Criticism.

Mayor Reid read a letter from John T. Kay now an inmate of the D. S. C. R. Hospital at Ste. Anne de Bellevue, Que., in which there was most violent criticism of the appearance of some sections of the city and comparison with conditions of forty years ago to the advantage of the latter. The condition of the City Market was referred to particularly and the lack of proper toilet accommodations kept in good condition.

Several aldermen admitted the justice of statements concerning the market. The opinion was expressed that there should be a market clerk in charge and also that tolls could well be imposed. Ald. Clark said that Sanitary Inspector Fleming had called his attention to the condition of the toilet. It finally was decided to have the

Market Committee and City Engineer act in the matter.

#### Vocational Education.

The Vocational Education Committee has presented a request for \$1,200 to meet the expenses of the night classes now being carried on.

#### Wants Reimbursement.

Mrs. Clarence Jones, York street, requested the City Council to reimburse her for expenses incurred as the result of her breaking one of her ankles in a fall on Charlotte street, requiring the attendance of nurse and physician. The City Engineer was asked to investigate and report to the City Council.

#### Wharf Lease.

Ald. Feeney brought up the matter of the lease of the old Hill & Berry wharf in the West End which was held by A. F. Randolph & Sons from 1897 to 1915 and on yearly tenure since then. He pointed out that under terms of lease, the building should be placed in the condition in which it was when the lease was taken. No action was taken.

## THE PREMIER'S SPEECH WAS BROADCASTED

Halifax, Dec. 3.—For the first time in Halifax a large public meeting has been broadcasted by radio, when the Mackenzie King meeting in the Casino Theatre was sent over a wide area of Canada and the United States. It was said afterward that the results were perfect, and radio fans far and near heard the speeches, as well as the cheers of the audience and the music of an orchestra. A microphone was placed on the stage immediately in front of the speakers. This was connected by land line, furnished by the Maritime Telegraph and Telephone Company to the residence of Cecil A. Landry, 39 Rose Street, Dartmouth, where it was broadcasted by Mr. Landry from his radio station, 10 AR. This station is equipped with 20 Watt Tubes. It has a wide radius and the speeches were heard all over Nova Scotia and further abroad. Mr. Landry's station has frequently been heard in New York.

#### Allowed to Stand.

This morning the two cases of violation of the Motor Vehicles Act arising out of the transfer of a licence plate from a car traded in, to the new car secured were heard before the Police Court. Both dealer and purchaser pleaded guilty. This afternoon they appeared for sentence. Magistrate Limerick allowed the matter to stand.

## Pain in the Muscles, Stiffness in Joints Quickly Subdued by Nerviline.

Those who have tested out numerous liniments will agree that where something is needed to dislodge a deep seated, more or less chronic condition there is nothing to compare with Nerviline. It's because Nerviline penetrates so deeply, because it has about five times the strength of the ordinary oily preparation, it has come to be known as King over all Pain. For Rheumatic conditions, muscular and joint stiffness, Nerviline works wonders. A trial proves this. Get a 35 cent bottle from your dealer today.

## TENDERS

Separate sealed tenders marked "Tender for Seed Extracting Plant" will be received at the Crown Land Department, Departmental Building, Fredericton, until Thursday, December 12th, 1923 at 12 o'clock noon for the building of a 16 ft x 26 ft. Seed Extracting Plant, according to plans and specifications to be obtained at the Crown Land Department.

Building must be completed not later than May 1st, 1924.

Each tender must be accompanied by a cheque for an amount of five per cent of the total amount of tender, which will be forfeited if the party declines to enter into a contract when called upon, but will be returned to parties whose tenders are not accepted. There is no obligation to accept lowest or any tender.

(Sgd) C. W. ROBINSON, Minister of Lands and Mines, Crown Land Office, Nov. 28, 1923.

## NOTICE TO TAXPAYERS

Taxpayers will please take notice that their taxes must be paid on or before Wednesday, the 12th day of December, in order that they be qualified to vote at the Civic Election for Mayor and Aldermen to be held on the second Monday in January 1924.

(Sgd) G. R. PERKINS, City Treasurer.
