

Deering Harvesting Implements

The **DEERING REAPER** is a very useful machine for harvesting. It leaves the cut grain in unbound gavels on the field for curing or drying.

The four rakes are under perfect control. Gets the grain that is down. Strong construction. Easily folded for storage.

The **DEERING BINDERS** have always been noted for their easy working qualities and light draft. They work well under bad conditions and are easy to handle in the field.

LARGE AREA IN JAPAN

HAS BEEN DEVASTATED; DEATH TOLL IS HEAVY

Osaka, Japan, Sept. 4.—So vast an area of Japan has been devastated by the greatest earthquake in the history of this country that it will be long before the actual loss of life is known. The most reliable estimates of the dead up to the present reach as high as 200,000 to 320,000. Tokio and Yokohama, with surrounding towns which formed the centre of the disturbances, are almost completely in ruins. For two days Tokio was swept by flames and apart from the loss of life caused directly through the falling of buildings, thousands must have perished in their attempts to make their way through the fire zones and other thousands through exhaustion.

Yokohama, Tokio's busy port, is a city destroyed. Probably more complete destruction has been wrought there than in the capital itself for its great docks were torn asunder its shipping wrecked its public buildings and homes levelled to the earth.

All advices received here indicate a succession of earth disturbances in that area extending for many miles inland and to the north and everywhere the first destructive forces were augmented by explosions, the bursting of water mains the overflowing of rivers and the terrible overpowering rush of tidal waves.

A New Volcano.

Peking, Sept. 4.—A new volcano has broken out in the Chichibu range about 50 miles northwest of Tokio according to advices from Osaka. Nikko country seat of the Imperial family is reported not to be seriously damaged. Many foreigners were reported earlier to have been staying at Nikko

DID INDIANS HAVE COINS?

"The daddy of them all," has been found in the old coin collection, says the St. John, N. B., Telegraph-Journal. A letter carrier came into the office on Saturday and produced a coin which bore the date "1414." It is a very curious copper coin, evidently a cent, and most of the figures and inscriptions which once had adorned it were obliterated, but the date was there, and along the border the words "Halifax, N. S." The rest of the coin was worn too smooth to distinguish much else. Considering the fact that Columbus discovered America in the year 1492, and that Halifax was founded by Lord Halifax in 1749, this is a very remarkable coin. The Indians of what is now Nova Scotia must surely have been able to peer into the future, and to read the white men's minds centuries in advance.

PERSONAL MENTION

W. T. Gordhart of Toronto is a guest at the Barker House.

H. T. Gassar of Ottawa is at the Windsor.

J. J. Gray of Amherst is registered at the Barker House.

H. N. Bell of Woodstock is at the Windsor.

Charles H. Carborn of St. John is a guest at the Barker House.

W. S. Dexter of Boston is at the Windsor.

Inez Bidell, who has been visiting Miss Maggie Chestnut of this city for some time, has returned to her home at St. John.

J. Grant of Boston is registered at the Barker.

Triple Funeral Today.

The funeral of the late Mr. and Mrs. Bangs and their young son, Desmond, who were killed in an automobile accident on Saturday while on their way from St. John to Fredericton, took place from the home of the late Mr. Bang's brother, Isaac Bangs, Westmorland street, this afternoon. Services were conducted both at the house and at the Parish Church. Mr. Bangs is survived by one brother, Isaac, of this city, and a father, in England. Mrs. Bangs is survived by her father, also living in England. Interment was made at Forest Hill Cemetery.

The last half holiday of the season was a peach.

MONEY NOT RECOVERED FROM WRECKED CAR

(Continued from page eight)

In the matter of the Marysville car which was wrecked Monday morning on the way to St. John, the charge is made that the accident was due to excessive speed. Robert Crawford, special speed officer, came here last night and returned to St. John with the driver under arrest.

In Many Accidents

Desmond Bangs who with his foster parents the late Charles Bangs and wife who met death Monday night while motoring from St. John to Fredericton, had been unfortunate in accidents although only a child. He was a survivor of the Halifax explosion in which he lost his parents, being adopted by Mr. and Mrs. Bangs. During the early summer he was struck by a car in Queen street and had one of his hips injured leaving hospital only a few days ago.

FORESTRY EXPERTS HERE.

spring. Seeding may be done then but also may be done in the autumn which is the time when Nature does her seeding. Plots in burnt over acres are to be seeded this autumn.

Lower St. Mary's W. I.

The Women's Institute of Lower St. Mary's held their regular monthly meeting at the Barker's Point School house last evening. The picnic committee brought in their report and showed a balance on hand from the affair. On motion it was decided to pay for the fixing of the rooms in the school house. The amount of twenty dollars will be handed to the trustees for that purpose. After the business had been disposed of a social hour was spent very pleasantly and refreshments were served.

Wedding at Wolfville

Charles T. Harrison of this city today officiated as groomsman at the wedding of Miss Eunice Currie of Wolfville and J. Prescott of St. John. The groom attended Dalhousie University with Mr. Harrison.

ST. STEPHEN NOSED CAPS OUT BY ONE RUN

St. Stephen, Sept. 4.—In a fast eight inning game here tonight, St. Stephen, champions of the St. Croix league, defeated Fredericton, who are now playing off for the championship of the Two I League; score 5 to 4. Paul and Paynter practically divided honors.

Score by innings:

St. Stephen0200021—5
Fredericton10030000—4
Batteries, Paul and Vanstone; Paynter and Kenyon.

On Acadia Faculty

Rev. J. H. McDonald, D. D., O. B. E., F. R. C. S., until recently pastor of the Wolfville Baptist Church and for some years pastor of the Brunswick street Baptist Church here, has been appointed to the chair of Church History and Biblical History in the theological department of Acadia University.

They're All Coming.

Mr. Alonzo Staples, the veteran druggist, received a letter yesterday from a friend at Mars Hill, Me., asking him to secure for him six tickets for the Exhibition races. This is only one of several letters of this kind which Mr. Staples has received. The Exhibition races are pretty certain to draw a record breaking crowd.

An alliance nowadays appears to be something else that is for the duration of war only.
