AMERICAN GOLF PROS. HAVE LITTLE KICK

Claim St. Andrew's Committee Should Have Made Ruling Earlier—Punched Clubs were Barred.

London, June 19—Walter Hagen and Gene Sarazen are quoted in the Sunday Times as denouncing on the eve of their departure the ruling of the St. Andrews committee against punched clubs just before the British Open Golf Championship began. Both felt rather keenly on the subject. Hagen who lost his championship title to Arthur G. Havers after paying tribute to the reception extended to the Americans added that what they did not appreciate was apparently the unsportsmanlike way punched clubs were declared illegal at the 11th hour.

Sarazen agreed saying: It is a great mistake to have men at St. Andrews with such autocratic powers. When we come here again if they have anything to bar let them bar it a week before the event."

New York, June 19—Technique instilled through chalk talks by Babe Ruth of the New York Yankees enabled the Newspaper Club to defeat the Baseball Writers Association 8 to 7 in the Yankee Stadium today. Ruth umpired the game which went five innings. Col Jacob Ruppert owner of the Yankees pitched the first ball and tendered a banquet to the newspapermen after the game.

HUBBARD AFTER WORLD'S RECORD

Ned Gourdin world record of 25ft 3in for the broad jump is far from safe when DeHart Hubbard of Michigan can jump in successive meets 25ft 1-2in and 25ft 2in. The negro wonder seems to be able to do his best consistently, if the conditions are not adverse.

INTERLEAGUE GAME ENDS IN WIN FOR FREDERICTON 5 TO 1 OVER ST. CROIX LEAGUE LEADERS

Paynter Pitches Good Ball for Fredericton — Best Game Seen Here This Season From Fans' Viewpoint—Ideal Baseball Weather and a Good Sized Crowd in Attendance—Locals Away Today to St. John to Play War Vets This Evening in League Contest.

In the season's first Inter-League baseball game Tuesday evening Fredericton defeated Milltown, leaders of the St. Croix League 5 to 1 in eight innings. Milltown took a lead early and the home team tied keeping the score 1 to 1 till the sixth inning when Fredericton let loose its heavy artillery and batted in a victory. Paynter was in the box for the locals and handed out only four hits while Corbett for Milltown was more generous being touched for a total of eight. Errors played an important part in the scoring, Milltown having four against them and Fredericton three. The teams will meet again soon in another Inter-League game.

Features of the game were sensational stops by Bill Dean, and good catches in the outfield by Bolster, McKay and Tuck. McKay robbed Dean of what looked like a safe hit for three bases in the sixth when he pulled one out of the sky in fine style.

In the first inning neither side scored only three men coming to bat for each team. Milltown scored in the second on a choice, a stolen base and an error. After that both teams settled down and the game went scoreless until the last of the fifth when O'Brien was hit by a pitched ball, was sacrificed to second by Clancy and scored on Smith's single. Fredericton added two more in the sixth. Paynter, the first man up reached first on a nice hit. McBeth sacrificed him to second. Bolster walked. Dean drove in two runs with a nice single. Dillon flied out to McKay. O'Brien then hit one for two bases sending Dean to third. It looked like another run or two but Clancy retired the side by flying out.

With the score 3 to 1 neither side scored in the seventh but Fredericton added two more in the eighth. Bolster flied out to Corbett. Dean flied out to Tuck. Dillon singled. O'Brien reached first on Cody's error and Dillon went to second and stole third. Clancy singled scoring Dillon and O'Brien. Smith sent out an easy grounder near second base which McIntosh easily handled.

BILL SHARON LOOKS BETTER THIS YEAR

Bill Sharen the Fredericton bred stor trotter which got away to so poor a start in fast company is giving better promise. He has worked in 2.1b already. The Boston Globe has the following:—

Bill Sharen, 2.04½ continues to train nicely for 'Ad' Van Houten. The Bull of the Woods worked in 2.14 at Worcester last week finishing like a free for all in high.

Grace Direct won the free-for-all pace at Syracuse by finishing in front in the first and third heats. Lambert Todd won the second heat. The time was 2.08½, 2.09½, 2.08.

Saccharose To Race.

The Short Ship horses are at Woonsocket this week for a three day session promising several high lights one being the 2.12 pace on Wednesday in which Anokia and Saccharose come together.

There appears to be more pre-race interest in the first meeting of the two Northern Man mares than in any other event on the Rhode Island card. Saccharose will be making her first start in this section but she comes from two sterling campaigns over Down-East rings with plenty of admirers some of whom place her second only to John R. Braden among Aroostook County pacers.

She will have to check up closely if she is to be the sensation on the Short Ship her followers predict for in her relative she has quite a proposition to handle, the black mare lacking only a little of being Big Line stake material.

NEW ENGLAND HORSES STARTING FOR THE RACES

Season Getting Under Way—Readville track Being Improved—To Be Ready for Grand Circuit.

Dick McMahon is said to have a 2 year old trotting wonder in Truax a son of Guy Axworthy and Hollyrood Polly. She has been in 2.14 and several quarter mile brushes in 30 seconds.

The Readville track is being re-clayed and J. S. Coates who has charge of the work says the first two minute course will be as fast as ever before the Grand Circuit reaches Boston late in August.

Float Jolly the clever Indiana trainer is at Great Barrington with a likely lot of Short Ship Circuit candidates. He planned to start in at Medford but did not find the Berkshire track safe for fast work and so has been delayed in getting under way. Norman Tallman will soon be leaving Readville for North Randall with four of Charles W. Leonard's Beaumont Farm trotters, Ruby Hall, 2.08½, the three year old Hollywood Leonard, 2.15½ a two year old by Axvolo 2.07½ and one by Chestnut Peter 2.05½.

The three year old trotter Peggy Vonia lately marked in 2.22½ was bred and is owned by Mase Dickson of Hatfield. She is by Peter Vonia 2.03½ out of Toshie Cochato 2.19½ second dam Lily Strenger 2.15½; third dam Lillian Wilkes 2.17½ dam of Guy Axworthy 2.08½.

Red Silk 2.10 the second dam of Heather 2.10 winner of the first race on the Short Ship was raced on Boston tracks 25 years ago by Herman Tyson. Peter Daw 2.05½ is out of training and is earning his keep in the Murphy stable as an honest to goodness workhorse.

ST. PETERS IN SECOND PLACE

St. John, June 20—Baseball fans were treated to another pitching duel last evening this time between Lefty Strecher of St. Peter's and Callinan, of Quincy in which the local twirler emerged the victor when his opponent's support cracked behind him the final score being 3 to 2. For six and a half innings these pitchers turned back the batters with almost monotonous regularity, but in the last half of the seventh the Quincy defence gave way under the strain and the locals secured two unearned runs.

Score by innings:—
St. Peter's 0 0 0 0 0 2 0 1—3
Quincy 0 0 0 0 0 0 0 2—2
Batteries: Strecher and Dever;
Callinan and Ward.

BOSTON BRAVES DEMORALIZED

Dayton, O., June 19—The Boston Braves who played an exhibition game in Dayton today, appear to be badly demoralized.

Mickey O'Neil quit the club in St. Louis without giving Mgr. Mitchell any explanation although it is said that he told some friends that he as leaving the team because of the poor health of his mother who lives in St. Louis.

Larry Kopf has also left the club, and returned to his home in Cincinnati. His excuse so far as could be learned, was that he left his business affairs there in charge of his father.

NOW SHE'S REPEATING.

Scott—I certainly did wrong when I told my girl I admired her chin.
Shrew—How's that.
Scott—She started raising another one.—Rollins Sandspur.
