TWENTY DAYS TO GO.

Oh, Colin is a Scotchman and
A canny lad is he;
He loved a bonny lass who lives
At Belmar by the sea.

He often went to call on her
When he was at the station
He thought it would be best to buy
A montrly commutation.

But then there came a quarrel
He didn't mean to pick it;
She wouldn't make up with him—
Should wasted go his ticket,

No; Colin is a Scotsman who
Employs economy;
He found another bonny lass
At Belmar by the sea.

Husband Didn't Dare Leave Her Alone Heart Was so Bad

Those feelings of faintness, those dizzy spells, the all-gone sinking sensations which come on from time to time indicate a weakened condition of the heart and a disordered state of the nerves.

Milburn's Heart and Nerve Pills

have no equal as a remedy to strengthen the heart, invigorate the nerves and build up the run-down system.

Mrs. C. Vanhorn, Eckville, Alta., writes: "About a year ago I had heart trouble. My husband didn't dare leave me alone, and often had to stay up at night with me. I would just feel kind of faint and my heart would seem to stop beating. I would just faint away, and it would sometimes be an hour before they could bring me back to life. Someone told me about Milburn's Heart and Nerve Pills. I got three boxes; I took them faintness. I surely do appreciate the good they have done for me." winter, and now I never feel any such and felt much better, so continued all

NO PAMPERING OF GAOL PRISONERS IN YORK COUNTY; WORK INSTEAD OF IMPROVED FOOD SUGGESTED

The Municipal Council of York County has no intention of permitting the County Gaol in this city to become a winter resort. By resolution a special committee appointed to look into the matter in regard to the food of prisoners at the County Gaol presented a report Wednesday afternoon which was adopted by the council on motion, to the effect that the commitee "do not recommend any change at the present time as we feel it would fill our gaol with prisoners in the winter months and we have no facilities for preparing meals, it would also cause us to have extra help at the County Gaol. We also recommend that some arrangements be made whereby prisoners would have to work while confined in the County Gaol."

The council followed up the latter part of the report by continuing the special committee for the purpose of supplying work for the prisoners.

Food of prisoners in gaol has formed the subject of frequent deliberation on the part of the Municipal Council. One concession to the prisoners, on the basis of improving their health, was made some years ago, when the deadly routine of a bread and water diet was relieved by the addition of molassess—once a week.

The council also devoted much time to discussing the proposal to have a Provincial Board of Valuators instead of the present system. Opinion varied. Some were strongly for an equalization and others were equally as strong for the preservation of the existing system.

Provincial Valuation

Council resumed at 3 p.m.

Coun. Pond introduced the subject of a Provincial Board of Valuators previously discussed.

Coun. Allen pointed out that there was considerable difference between the last valuation of 1915 and the assessable valuation for 1923. Parishes contributed to the County fund in proportion to the valuation of 1915. There were possibilities of injustice especially where a school district might be in two parishes. He wished an expression of opinion.

Coun. Pond said that previously it had been said that direct taxation was forecasted. He did not wish to pave the way toward that.

Coun. Hinchey was opposed to valuation by provincial officials.

Coun. Graham said he could see no benefit from provincial valuation.

Coun. Allen said the fundamental purpose would be to equalize valuation. If need for such equalization did not exist there would be no demand for provincial valuation.

Coun. Cowperthwaite advised that things be left as they were. The great need in administration of all kinds was economy and not revaluation.

Coun. Greenlaw said he could see little need for provincial valuation.

Coun. Nason drew attention to the assessment of a school district partly in his own parish of New Maryland and partly in Sunbury County. Sunbury valuation was the lower.

Coun. Seymour said that time spent on the discussion of assessment valuation was well spent at any time. It was an important question. He could recollect three valuations and could say that assessors seldom altered valuations.

General discussion ensued in which varying opinion was expressed.

Coun. Brewer said that the present act would produce required results if it were carried out in its spirit.

On the motion of Coun. Graham seconded by Coun. Greenlaw the discussion was closed.

Food for Gaol Prisoners

Coun. Seymour for the special committee on Food of Gaol Prisoners presented a report as follows:

Fredericton, N. B.,
July 3rd, 1923.

Your committee appointed to look into the matter in regard to the food to prisoners at the County Gaol beg leave to report that we have investigated this matter and do not recommend any change at the present time as we feel it would fill our gaol with prisoners in the winter months, and we have no facilities for preparing meals, it would also cause us to have extra help at the County Gaol.

We also recommend that some arrangements be made whereby prisoners would have to work while confined in the County Gaol.

(Signed)
FRED SEYMOUR
DOUGLAS CLARKSON
J. W. WALKER
J. C. GRANT.

Coun. Brewer moved that the committee be continued to report at the next meeting of the County Council on employment of gaol prisoners.

Motion was carried.

Council adjourned to 10 a.m. Thursday.

HON. J. E. MICHAUD
Who succeeds Hon. L. A. Dugal as a member of the N. B. Power Commission.

BARLEYCORN IS IN JAIL

Putnam, N. Y., July 4—One cargo of Scotch and Canadian liquor valued at $2000 is the only inmate of the Putnam, N. Y. county jail now and this occupies the padded cell. The jail door is now open and visitors can walk right out again because the padded cell is locked and it is useless to stand with a parched throat and look inside at the spirits.

In the basement of the jail under lock and key there are several barrels, demijohns and bottles of wine and other hooch as well as several stills confiscated by the officials.
