NORTH SHORE CAME INTO OWN LAST NIGHT

Sussex Lost at Chatham
by One Goal Margin.
—Series May be Tied
Up.

The North Shore came into its own Friday night when Chatham winners of the Northern Section of the N. B. and P. E. I. Amateur Hockey League walloped Sussex 5 to 4 in the inter-sectional series to decide the league title.

The result could not have come as great surprise to the Chatham fans for the papers there have been handing bouquets out to the team and forecasting victories in the series.

Anything May Happen.

Almost anything may happen in the series. Charlottetown has played both home games first and won them. Chatham has played and won the first home game. Perhaps all home games will be won by each of three teams and thus tie the league up. Sussex will play the first home game on Monday facing Chatham. So far the Southern champions has made the poorest showing of the three teams but they may come later. Next Friday there will be a great game at Sussex when the Charlottetown Abbies will face Sussex. Last winter the corresponding game was a hummer Charlottetown winning out in overtime but long controversy on a referee's ruling left the game finally undecided.

So far Charlottetown is the scoring team of the three but home ice may account for that. Goals stand as follows: Charlottetown, for 8 against 4; Chatham for 6, against 8; Sussex, for 7, against 9.

The teams stand as follows:—

	Won	Lost
Charlottetown	2	0
Chatham	1	1
Sussex	0	2

All of the men except Baker, are expected to be on hand next week. The Athlete's Remedy
for Sprains and Bruises

THE sprains and bruises encountered in sport with the application of Minard's Liniment. This fact is confirmed by the following letter received from W. E. McPherson, Secy. Armstrong High School Baseball Club:

"Since the start of the Baseball season we have been hindered with sore muscles, sprained ankles, etc., but just as soon as we started using Minard's Liniment our troubles ended. Every athlete should keep a bottle handy."

This letter is only one of the many we have received from well-known athletes.

ACADIA LETTER ON SUMNER CUP SITUATION

King's College Ignored
by the Contention—
Proposal to Avoid
Trouble in Future.

Acadia University in a letter addressed to the press advances the claim that the three-cornered tie in the Western Intercollegiate precludes any attempt to play for the Sumner Trophy and that King's College and U. N. B. played for nothing at Amherst. The claim has the outstanding weakness that the rights of King's College are absolutely ignored for under the terms of gift the trophy is for competition among four colleges and not merely the Western Section. The letter is as follows:—

Sir:—So many conflicting reports have appeared in the papers concerning the hockey situation in the Western League that the Acadia Faculty Committee on Athletics desires you to publish the following statement:

On May 5th, 1922, an Athletic Conference of the colleges of the Western League was held in St. John, the representation being one professor and one student from each college. The professors were Prof. Bigelow, Prof. Stevens and Prof. Ross, and the students Myers, Cain and Robinson, from Mt. Allison, University of New Brunswick and Acadia respectively.

After the usual organization, and after discussion of certain eligibility rules, the following resolution was passed (quoting from the minutes of the meeting): "Moved by Prof. Stevens and seconded by Prof. Bigelow, that in case of a three-cornered tie the season in that branch of athletics be closed and that the cup be not awarded, but remain in the custody of the team already holding it."

The three-cornered tie anticipated in the above resolution was actually created by the victory of U. N. B. over Acadia on February 15th, and in accordance with the above agreement the hockey season closed with that game, and the Sumner Trophy remains at Mt. Allison, the present holder, for another year. Acadia and Mt. Allison are keeping the agreement, and the game between U. N. B. and King's University can have no bearing on the possession of the Sumner Trophy.

ROY ROSS, Chairman,
Acadia Faculty Committee
on Athletics.

Wolfville, February 28.
Latest Proposal

The report of the recent conference at Truro contains the following suggestion to avoid such difficulty in the future:—

As the faculties of Mt. Allison and Acadia seem determined to stand by the agreement at St. John which called for no play-off in the event of a three-cornered tie in the western section, the conference recommended to the various athletic associations that the leagues be re-organized for next year as follows: The following pairs of colleges will pay home-and-home games with total scores to count, thus leaving little chance to tie up the leagues; St. F. X. and Dalhousie; King's and Acadia; Mt. Allison and U. N. B. The winner of the King's-Acadia section will play the winner of the Mt. A.-U. N. B. section for the Sumner Trophy and the winner of the Sumner Trophy will play the winner of the St. F. X.-Dalhousie section for the Halifax Herald Trophy emblematic of the Maritime Intercollegiate Championship. The associations of the six universities are to consider this recommendation and their representatives to Truro next fall will draw up schedules based on this re-organization provided that it is approved.

FREDERICTON SAYS FAREWELL TO JIM WILSON

Fine Young Athlete
Leaves for Nova Scotia
—First Class Recruit
for Acadia Teams.

Fredericton said farewell to one of the outstanding young athletes who has been developed here within the last few years Friday night, when an official reception was held by the athletic organization of Fredericton High School in honor of Jimmy Wilson son of Rev. and Mrs. W. D. Wilson who are shortly to remove to Middleton N. S., where his father has accepted the Baptist pastorate.

St. John High Represented.

The visiting St. John High School basketball players were present and the Provincial Normal School also joined in honoring the young athlete. The reception took place in the school-room of the Methodist Church and was largely attended. The presentation of military brushes was the chief feature.

Fine Recruit for Acadia.

Wilson is a fine recruit for athletic teams of Acadia University at Wolfville for he will complete his education there. He is a product however of Fredericton primary schools and Fredericton High. For the latter school he has been an outstanding rugby football player figuring on the half-line or three quarter line as it is likely to be called after this and in .9.2 his team was holder of the Maritime Interscholastic title. He also plays on the school basketball team.

Will Appear Again.

It is expected that within a year or two Jimmy Wilson again will appear in Fredericton on some team from Acadia, as it is hard to keep a good man down.

USUAL CROP OF HOLDOUTS

Toledo, March 2—Fred Nicholson, outfielder purchased from the Boston Nationals by the Toledo American Association has declined to answer contract letters submitted by Pres Roger Bresnahan.

"Big Bill" Terry southpaw pitcher who is being remodeled into a first baseman for the Toledo club but is the property of the New York Giants, is also holding out.

Huge Bedient former big league pitcher; Bill Black, second baseman, farmed out to the Mud Hens by the Giants, and Paul McCullough, New-castle, Penn. youth for whom manager McGraw once offered \$30,000 but who had a bad 1922 season are also reported holding out.

Appearance indicate that St. John High School which won the Inter scholastic Basketball Championship in 1922 will do the same this year. The team appeared here Friday night for the first time this season and defeated Normal School handily 39 to 12. The team has yet to be defeated in the league series.

This afternoon St. John High is playing Fredericton High at the arm-ory.

One Sided Game

Friday night's game was played in the Normal School drill hall. Although Normal School scored first the match was very one-sided as St. John High soon established superiority. The first period was even however the visitors leading 9 to 8 at half-time. The second period was for St. John High right through Normal scoring only four points.

The visitors excelled in combination and the Normal defence was poor. In the second Wittrien for St. John made a remarkable shot. He was one of the team's heavy scorers the others being Donohoe and Humphrey.

The summary is as follows:—
