JIMMY WILDE TO DEFEND AT FLYWEIGHT

**His Opponent on 18th
Will be Pancho Villa
Full Blooded Filipino
Some Bout Expected.**

With Jimmy Wilde-Pancho Villa bout for the flyweight championship of the World slated to come off on June 18th and with this same fight promising to be one of the great test scraps ever put on by midgets in the history of the Ring, there is bound to be a lot of talk, newspaper and otherwise, over the relative merits of the men and their chances of winning.

Jimmy Wilde.

Wilde at present is the flyweight champion having held the title for the past seven years or so. Back in 1917 when we saw him give Jack Harrison seventeen pounds and knock him out in the seventeenth round, he was known as "The Tylorstown Terror." Old Jem Driscoll a better boxer even than the incomparable Freddie Welsh, taught Wilde his stuff. Wilde, however had something that Driscoll never had. The ability to hit. In his long career, Wilde has never been beaten by a man his own weight. He has taken on bigger men time after time and knocked them cold. Alf Mansfield was another of his victims and Alf had over fourteen pounds on the Welsh midget. Most of Wilde's fights have been won by the delicate

MILK FUND DID WELL OUT OF THE NEW YORK BOUTS

New York, June 11—The New York Free Milk fund has received a check for \$182,903 its share of the receipts of the heavyweight boxing show held in the Yankee Stadium, May 12 by Tex Rickard. The gross gate receipts at the fights which were featured by Jess Willard's victory over Floyd Johnson and Luis Firpo's triumph over Jack McAuliffe 2d, were \$350,037.

process of knocking his man stiff. Jimmy is now somewhere in the thirties and he may have gone back but if he is nearly as good as he was back in 1916 Pancho El Puncho the Furiour Filipino, is in for a hard fight. Good things come in small parcels.

Pancho Villa.

Packing an over-staggering kick in both hands and possessing to a marked degree the skill and finesse of a miniature James J. Corbett, Pancho Villa a full blooded Filipino, is an opponent worthy of anything the lighter races can produce at his weight. Villa is a great boxer and a powerful hitter. He can also take it. The Filipinos as a rule come very small and Pancho, in spite of his size is a full grown man at the height of his strength and stamina.

FREDERICTON LOSES EXHIBITION GAME TO LEFTY FORD'S QUINCY ALL-STAR; SCORE WAS 5 TO 2

Teams Meet Again Tonight in Another Exhibition Game—Heavy Hitting Did the Trick—Moncton Here for Two Games on Thursday and Fredericton Away to St. Peter's on Saturday—Dick Casey With Moncton Until 23—Fred McLean with Locals.

LEAGUE STANDING

	Won	Lost	P.C.
Fredericton	4	1	.800
St. Peter's	3	1	.750
Quincy	2	2	.500
G. W. V. A.	2	2	.500
Moncton	2	2	.500

The visitors' heavy hitting coupled with a number of untimely errors on the part of the Fredericton players was the cause of the locals losing an exhibition game to "Lefty" Ford's Quincy All-Stars at the Trotting Park Monday evening by a score of 5 to 2. The All-Stars were strengthened by the addition of Ward a catcher and Brennan an out-fielder from the late Casey's Boston team now extinct, and presented a strong line-up. Callinan was in the box for the All-Stars and pitched a good game although batted hard at times. Benny Smith pitched for Fredericton and this game marked his initial appearance on the mound this season. Benny's arm is not in the best of condition and he was hit freely. This with the locals' five errors was enough to give the visitors the game.

Both Fleming and Rouillard of the All-Stars fattened their batting averages by getting four hits in four times at bat. Two-baggers were plentiful and Gilfillan drove a long one for three bases in the 4th. For the locals Dean and O'Brien each had a double to his credit.

Team Strengthened

The two teams will meet again this evening in another exhibition game and Fredericton is out to even the score by walking away with tonight's game. With their strengthened line-up however, the Quincy team is no mean contender and will be heard from during the progress of the league. Fred McLean has signed with the Fredericton Club and a catcher and outfielder named Sylvester and a pitcher named Sepka are expected to arrive this week to complete the Fredericton roster. Twig, another pitcher may also come to Fredericton. The announcement that Dick Casey has disbanded his team and has left for Boston with the intention of procuring a new and stronger

outfit did not come as a surprise to fans in general in view of the poor showing the team made in the opening games. Dick will play with the Moncton team until the 23rd of this month when a team from Boston composed largely of college players will arrive and he will take it in charge, playing off all postponed games on the first open dates.

Away This Week

The Fredericton team plays a double header here on Thursday with the Moncton team and on Saturday journeys to St. John to engage in a double-header with the St. Peter's club. The full schedule of games to be played for the remainder of the season will be announced and published the last of this week.
