THE NASHWAAK AGRICULTURAL EXHIBITION A BIG SUCCESS; LIST OF PRIZE WINNERS

Stanley, N. B., Sept. 27—The Stanley Fair which opened yesterday afternoon was a great success. The cattle show was the largest ever seen here for some years while the sheep, swine and poultry were good. There not being only some excellent birds shown but a large number were on exhibition. The vegetable, fruit and women's department, both in cooking and fancy work was away ahead of former years. A large number of Fredericton people were present yesterday who seemed to take a keen interest in all that took place, especially in the midway which was larger and better than ever, business was very busy throughout the day. The weather being perfect a large number were on the grounds, from the surrounding country for 30 miles distance. A band from 71st Regiment under the leadership of Mr. James White, furnished excellent music throughout the day, while Mr. Roy Dunphy sang several solos very nicely. In the evening over 500 paid admission to the dance there being 60 couples on the floor at one time. The music for dancing was furnished by the City of Fredericton Orchestra with James White as leader. During the evening E. O. McDonald the popular music dealer of Fredericton, played several selections on his player piano accompanied by a violin. At eleven o'clock an excellent supper was served, at the Aberdeen Hotel on the grounds where meals had been served throughout the day. Mr. Best the secretary-treasurer of the exhibition informed the Mail representative this morning that over \$1,500 was taken at the gate yesterday and at the dance last night. Tonight is the big time, when in addition to the regular dinner the judges supper will be a feature, on which occasion several prominent men from Fredericton will speak including Mr. R. B. Hanson, M.
