

MILLION IN STUMPAGE IS FORECASTED

Col. T. G. Loggie, Deputy Minister, Says the Crown Land Cut will Total About 375,000,000.

One million dollars in stumpage from Crown Lands in New Brunswick is the forecast made today by Col. T. G. Loggie, Deputy Minister of Lands and Mines, for the present logging season which will be shown in the fiscal year closing October 31st, 1924.

Quarter Million More

The total for the last fiscal year which closed October 31st, 1923, in stumpage was \$740,226.92. Other items of revenue in the Department of Lands and Mines for which timber License Renewals was the chief, brought the total of \$1,069,295.16. The prospect for the present year is that the total territorial should run in excess of a million and a quarter dollars. The excess in stumpage alone over that of last year is upwards of a quarter-million.

Col. Loggie also made an estimate of total cut on Crown Lands of 375,000,000. That is considerably in excess of any estimates made so far. A total announced previously was 314,000,000 though that was believed to be rather conservative.

Big Cut of Damaged Trees.

Trees damaged by fires last summer or by the bud-worm in preceding years have been cut in huge quantities. That fact is responsible for the great increase in total cut. Operators have made particular efforts to get all the fire damaged timber out that is possible.

CITY AFFAIRS

Died in New York.

Rev. Dr. Robert Jardine at one time Professor of English at the University of New Brunswick, died early in the year at New York at the advanced age of eighty-three.

Record of Service.

It is the intention to use two of the gothic windows of the convocation hall of the War Memorial Building of the University of New Brunswick to record the names of alumni who lost their lives in the war and also of all alumni who served.

Horse Ran Away.

A horse attached to a sleight containing two ladies, became frightened and ran away on Waterloo Row yesterday afternoon. The ladies were thrown out, but fortunately escaped injury. The horse was captured after it had upset and damaged the sleigh.

Drunk Was Arrested.

One drunk was arrested last night and appeared this morning before the police magistrate. The usual fine was imposed.

Edward Carey is seriously ill at the home of his sister, Mrs. John Coyle, Aberdeen street.

The Rotary Club.

The weekly luncheon of the Rotary Club, scheduled for today has been postponed until tomorrow. It will take place in the Masonic Hall as usual. The chief speaker will be Professor Barrow of McGill University. At this meeting, officers will be elected for the ensuing year.

Died in St. John.

Word was received here this morning of the death at St. John of John C. Machum of Devon, a well known resident of that town after a short illness. Mr. Machum was undergoing treatment at St. John. The body will arrive here tonight. The arrangements for the funeral will be made later. A widow, four daughters and four sons survive. The daughters are Mrs. F. L. Orchard of Montreal, Miss Cora Machum, at home, Miss Grace Machum in the Baptist mission field in India and Miss Lillian Machum, teaching at Sussex, N. B. The sons are Rev. Waldo C. Machum of Devon, George of Montreal and Lloyd and Lee at home.

HOSPITAL BOARD RECEIVES NEW MEMBERS

Down to Business of the New Year—Hoped W. W. Boyce Will Reconsider His Resignation.

The monthly meeting of the Trustees of Victoria Public Hospital was held in the Mayor's office, City Hall, last evening, when the Trustees spent two or three busy hours. President Brewer took the chair.

His Worship Mayor Phillips was congratulated upon his new office and was welcomed by the president to the seat at the Board so satisfactorily filled by Mayor Reid. Ald. Ivan McKnight was next to present his credentials and was soon made to feel quite at home and was assured that he would be kept busy. Dr. M. L. Jewett accompanied by Coun. Harry Greenlaw, both of Millville also were present.

Col. Loggie, who for two years had faithfully and effectively performed the duties of president, was warmly welcomed home again from California and other American states by the president and members.

Mayor Phillips, from committee, reported that the fire escapes upon the old section of the hospital had been completed and danger from fire has been largely averted.

Mr. Boyce's Report

Dr. Ross and C. N. Goodspeed each reported having had a conversation with W. W. Boyce requesting him to withdraw his resignation submitted at a previous meeting. While the committee to whom this matter had been assigned had not formally met, it was apparently the unanimous desire of the members that splendid work done for the hospital by Mr. Boyce called for a continuance of his services. The committee was continued.

Dr. Ross, from committee, submitted the list of names of members of the five permanent committees which was approved.

Report of Supt.

Miss Winslow, the superintendent, (Continued On Page 5.)

CHIEF JUSTICE REFERS TO LATE JUDGE CHANDLER

Pays Tribute to Worth of Late Member of King's Bench Division—Graduate of U. N. B.

Reference to the death of the late Hon. William B. Chandler, judge of the King's Bench Division of the Supreme Court of New Brunswick was made this morning in the Supreme Court Chamber by the Chief Justice Sir J. Douglas Hazen, upon the occasion of the regular session of the Court.

Sir Douglas Spoke as follows:—

"It is with the deepest regret—a regret which is shared by all the Judges of the Supreme Court of this Province—that I refer to the lamented death of the Honourable William B. Chandler, an associate Judge of this Court, who passed away, after a brief illness, at St. John, on the 28th day of January last. He had been a Judge of the Supreme Court for more than seven years, during which period he discharged the duties of his high office with ability, fidelity and learning. He commanded in an unusual degree the esteem and affection of his colleagues, the respect of the members of the Bar, and the confidence of the public, and by his death the judiciary is deprived of the services of one who was an ornament to his profession, and a learned fearless and upright Judge, who brought to the discharge of his duties great qualities of heart and mind.

"What I have just said is concurred in by my colleagues, and the Registrar is directed to enter this slight appreciation upon the records of the Court."

Reference in Alumni Bulletin.

In the Alumni Bulletin of the University of New Brunswick, reference also is made to the death of the deceased judge who was himself an alumnus of the Provincial University.
