The following subjects have been announced for competition during the Academic Year, 1924-25:

Douglas Gold Medal, For Best English Essay on the subject "An Immigration Policy for Canada".

City of Fredericton Gold Medal, For Best Essay on the subject, "The History of the Lumber Industry in New Brunswick".

Alumni Gold Medal, For Best Translation from English into Latin of the passage from Dr. Smith's History of Greece, page 420, beginning with the words "From his intercourse with the Greeks", and ending with the words "thus raising the Grecian force to about 14,000 men."

Mix together half a teaspoon of salt, one and a half teaspoons of grated onion, one-quarter of a teaspoon of white pepper, one tablespoon of tomato conserve, or catsup, half a teaspoon of powdered sugar and half a minced green pepper. Then very gradually beat in five tablespoons of salad oil and one tablespoon of mild vinegar. Use with any vegetable salad.

A MIRACLE—
BALED HAY
TURNED TO ALE

Schenectady, May 20—Federal Prohibition agents operating from the Albany office raided the New York Central freight yards in this city yesterday and seized a carload of Canadian ale valued at \$10,000, two automobiles and three men.

The bill of lading showed the car had cleared from Valley Fields, Quebec, on May 8, and, billed as containing baled hay, had passed inspection by the customs office at Malone. It was consigned to the Coslar Feed and Coal Company of Schenectady, but no such firm is known here.

The men, arrested and released on bail pending arraignment this morning, gave their names as George Anderson, Marion Napierkowski and John Gerlowski, all of this city. Federal agents said the car contained some baled hay, but underneath were packed 300 bags, each containing twenty-four bottles of ale. Some of the ale, it was said, already had been carted away and the men were caught in the act of unloading the remaining bags.

MAN BURIED
ALIVE SAVED BY
BENDING ARM

New York, May 19—As more than a ton and a half of earth poured on him, John Kenny, who was working today in an excavation at Thirty-seventh street and Second avenue, crooked his arm over his mouth and nose, thereby saving his life. When he was dug out, his arm was broken, but he was conscious.

When the collapse came two fellow workers rushed across the street to St. Gabriel's Church, where they telephoned to the gas company and the fire department. Then, accompanied by a priest, they went back to dig for Kenny. The priest, seeing two of Kenny's fingers protruding through the earth, administered extreme unction. Working desperately unaided for about five minutes, and then with the assistance of men from Hook and Ladder Company 7, they uncovered Kenny's head after ten minutes digging. He was taken to Bellevue Hospital suffering from his fractured arm and possible internal injuries.

MILLICENT
ROGERS BACK IN
NEW YORK

New York, May 21—Millicent Rogers Salm was home today a pale little girl who bit her lips as to keep from crying. Henry Huddleston Rogers of Standard Oil fame was with her smiling but saying nothing.

New Yorkers speculated on the romance of the \$40,000,000 heiress. There was no word about Count Ludwig Salm von Hoogstraeten dashing middle aged Austrian whose marriage to New York heiress and set the tongues of society of two continents a-wag.

Adrian H. Larkin, Rogers' attorney shrugged and smiled when asked if it were true the Rogers family settled \$100,000 on the count to induce him to allow his wife to return to the United States without him.

Furthermore according to information gathered following arrival of the Rogers party there appears to be no foundation by recent hints from the count that Millicent would in a few months become a mother.

HENS SUPPLY
COPS WITH FOOD

Jamaica, L. I., May 20—Police of the city jail here will in future scorn the regular city egg, and if they can't get a four-minute one—meaning four minutes after it has been laid—they will breakfast on lamb chops. For that truckload of chickens seized the other night by the police are laying all over the place, and the police demand for omelets can't keep up with the supply.

Tenders For Hauling
Coal

Tenders will be received up to Friday, May 23rd, for the hauling of one thousand tons, more or less, of coal from the Freight Yards to the Pumping Station, all coal to be weighed on the City Scales, Phoenix Square.

(Sgd) G. R. PERKINS, City Clerk.

TENDERS FOR COAL

Tenders will be received at the City Clerk's Office, City Hall, up to Friday May 23rd, for the supplying of one thousand tons, more or less, of best run of mine coal, for the year beginning June 1st, 1924, to May 30th, 1925.

(Sgd) G. R. PERKINS, City Clerk.
