SWITZERLAND LOOKS GOOD IN DAVIS CUP PLAY

Eliminates Austria Three to One—Matches Were Played at Vienna—Some Play Brilliant.

Vienna, May 21—Switzerland defeated Austria in the Davis Cup tennis competition, winning three events to one.

Switzerland eliminated Austria by capturing one of the singles matches having already won a singles match and the doubles.

The second singles match between Count Ludwig Salem von Hoogstraeten and C. F. Aeschliman, the Swiss star, was interrupted by darkness. The veteran Swiss player, Martin, defeated Paul Brueck of Austria, 6-2, 3-6, 8-6, 6-2.

In the Ludwig Salm-Aeschliman match each had won two sets when darkness put an end to the play, which was brilliant throughout.

In the previous matches, Saturday and Sunday, Count Ludwig Salm defeated Martin, 8-6, 6-2, 6-2, and Aeschliman Switzerland, defeated Brueck in straight sets.

In the doubles Aeschliman and Sauter, Switzerland, defeated Count Ludwig and Count Otto Salm 2-6, 6-3, 6-4, 6-4.

ENDURANCE IN MARATHON REMARKABLE

Race Originated from Ancient Battle—First Race in 1896 Won by Greek Shepherd.

New York, May 21—A silver cup donated by an enthusiastic Frenchman to a runner able to negotiate the marathon distance "without dying as a result," was responsible for the revival of this classic event, considered today the feature of the Olympic Games and the crowning exhibition of athletic prowess.

The marathon, 42 kilometers or 26 miles 385 yards, takes its name from the site of the ancient battle of that name, and its distance that over which the runner with news of victory travelled to waiting Athens.

M. Michel Breal, a young Frenchman, advanced the plan to put such a race on the program when Baron Pierre de Coubertin first suggested the revival of the Olympic Games.

The first race, held at the 1896 games at Athens, was won by a Greek shepherd named Spiridon Louys, who fasted for two days and spent the nights after his triumph in prayer before holy pictures.

Astounding tales of human endurance have been told about athletes who have won honors in this long grind. In Antwerp in 1920, Hannes Kolehmainen, a Finn, won first honors in the Olympic record time of 2 hours, 32 minutes, 35 4-5 seconds, crossing the finish line 13 1-5 seconds ahead of J. Lossman of Estonia. Four minutes behind Lossman came a young Italian, A. Valerio who, upon crossing the finish line, turned about and astounded the spectators by turning a double somersault to prove his physical condition. A Broos, a Belgian, followed the Italian to the tape and then made an extra lap of the big track carrying a shield with his national colors.

SHAH PICKED OUT GOOD ONE

Paris, May 20—The Shah of Persia attended the race between Sir Gallahad III and Epinard. "Who is the favorite?" he inquired, "Epinard," was the reply.

"Then bet 40 francs on Sir Gallahad," commanded the Persian ruler.

The Prince Regent of Abyssinia Ras Tafari, also was among those present but he did not venture near the Pari Mutuel booths.

Fable: Once upon a time there was a girl who wore an engagement ring two years and never once wondered what he coughed up for it.

About the time Europe gets out of one hole she starts digging another.

JOHN PERSHING PUT ON FASTEST NORTHERN MILE

Paced in 2.11 1/4 Last Week at Windsor, Conn.—Weather Not Favorable to Training.

Boston, May 20—There are spots where the cold Spring has not caused the training season to be a mite backward. Such a place is the half-mile track at Windsor, Conn. where last Friday Noah Squire worked John Pershing 2.09 1-2 a mile in 2.11 1-4.

This is one of the fastest mid-May training miles ever reported over a Northern half mile track and is believed the fastest ever over any New England course.

John Pershing's sensational mile was not the only noteworthy exhibition of speed on Connecticut Valley tracks last week for on the same day at Charter Oak Harry Brusie moved some of his pupils along for fast quarters. With Riley Crosby's 4 year old trotter, Watts Edition 2.25 1-2 he came he last two furlong of a 2.21 1-2 mile in 30 1-2 seconds and behind a Peter Volo's 2 year old rode the final quarter of a 2.26 mile in 32 1-2 seconds.

The fastest mile by a 2 year old this Spring is 2.16 by a sister to Hindustan, 2.06 1-4 in Ben White's stable at Lexington. The White filly was Wintered at Orlando and was up to 2.20 before leaving Florida. The performance of the Brusie juvenile is quite as striking under the conditions and tells that the "Wizard of Windsor" has a most promising 2-year-old trotter in his stable.

The Northern trained horses are quite generally around 2.20 except a few which will turn for the money out in Ohio next week. The exceptions in the East are John Pershing and Margaret Dillon. Margaret has turned Readville around 2.15 which would appear to be where she ought to be in her training is she is to race around 2.05 at Canton, O a month hence.

Trainers will welcome seasonable weather from now on as the early Summer campaigners must soon be getting fast work.

CATCHER BROKE BONE IN HAND

Cincinnati, May 12—Catcher "Bubbles" Hargrave, hit by a pitched ball yesterday, probably will be out of the Cincinnati Reds lineup for five or six weeks. Examination of his hand showed a bone was broken.

Detours are generally as bad as people say they are, if not worse.

BALL PLAYERS APPEARED FOR FIRST TIME

Introduced From Stage of Opera House Wednesday Night—Four Players are Still Coming.

The Fredericton Baseball Club of 1924 made its first appearance on Wednesday. The appearance was not on the diamond but upon the stage of the Opera House where the play "The Hottentot" was presented as a benefit for the club.

Ex-Mayor W. S. Hooper, president of the New Brunswick Baseball League introduced the players after the second act. All were not there as four are still to report. Those who did appear received a rousing welcome from the audience. President Hooper phrased his introduction in his usual manner.

Players Who Appeared.

The players who appeared were McBeth, captain-manager and shortstop; Shields, pitcher; McCourt, pitcher; Cole, catcher; Connors, 1st base; Mulno, pitcher; Mills, outfielder; Bolster, outfielder.

Johnny Bolster as a local man was given an especially hearty welcome. Former members of the club were given the same.

Others Coming.

President Hooper said Freeman, outfielder; Fallon, pitcher; Shaghalian third base; Rouillard, second base, were on their way. Freeman is taking fire department examinations at his home town and will come in a few days.

Several players were introduced as coming from Bob Ganley's home town.

EDDIE COLLINS AT HELM FOR WHITE SOX

Philadelphia, May 21—Eddie Collins star second baseman of the Chicago Americans, was put in charge of the club as acting manager.

He succeeds Johnny Evers, who is ill at his home in Troy, N. Y., with appendicitis, for which he was operated upon. Evers succeeded Frank Chance as the season opened, making Collins the third pilot of the White Sox so far this year.

The White Sox squad arrived for a series with the Athletics in charge of Ed Walsh, coach of pitchers. Until game time this afternoon, when Collins' appointment was announced, it was believed Walsh would continue in charge.

The typical cake-eater doesn't know just what the labor movement is, but he is probably against it on general principles.

DAYLIGHT SAVING PLEBISCITE

To be held on THURSDAY, MAY 22, 1924. How to Vote FOR or AGAINST DAYLIGHT SAVING TIME:

FORM OF BALLOT. PLEBISCITE, 1924.

For Daylight Saving
Against Daylight Saving

G. R. PERKINS, City Clerk.

HOW TO VOTE.

If the Voter wishes to vote for Daylight Saving Time, he must mark his ballot by drawing a line through the words "Against Daylight Saving".

If the Voter wishes to vote against Daylight Saving Time, he must mark his ballot by drawing a line through the words "For Daylight Saving".

Polling places at the City Hall for Division No. 1 and at the County Court House for Division No. 2.

Polls open at nine o'clock and close at four o'clock on said day.

The Voter shall use the official ballot paper and shall strike out or mark through with a pencil of black lead, or a pen with black or blue-black ink. Not more than one elector shall at any one time enter the polling place, and such elector, upon entering, shall declare his or her name, surname and addition, and if the name of such elector is found on the list of voters, he or she shall receive from the Presiding Officer an ungummed envelope, on the back of which the Presiding Officer shall write with a pencil of black lead or with a pen and ink, his initials in the presence of the voter.

The elector on receiving the envelope, shall forthwith proceed within the screened compartment and shall there, having marked his or her ballot, or having previously done so, replace his or her ballot within the envelope handed to him or her by the Presiding Officer, and shall, without any delay, hand the envelope containing the ballot in the ballot box, the Presiding Officer, who shall ascertain by examining his initials that it is the same with which he had furnished the voter, and if so satisfied shall immediately and in the presence of the voter, place the envelope containing the ballot in the ballot box, and the voter shall immediately leave the polling place. No such ballot shall be received by the Presiding Officer until the voter has proceeded to the screened compartment within the polling place, and while there placed his or her ballot in the envelope furnished him or her by the Presiding Officer.

The Poll Clerk shall, under the direction of the Presiding Officer then enter the name of the voter on the check list.

G. R. PERKINS, City Clerk.

New High School Building Plebiscite

To be held on THURSDAY, MAY 22, 1924. How to Vote FOR or AGAINST NEW HIGH SCHOOL BUILDING:

FORM OF BALLOT. SCHOOL PLEBISCITE, 1924.

For New High School Building
Against New High School Building

G. R. PERKINS, City Clerk.

HOW TO VOTE.

If the Voter wishes to vote for a New High School Building, he must mark his ballot by drawing a line through the words "Against New High School Building".

If the Voter wishes to vote against a New High School Building, he must mark his ballot by drawing a line through the words "For New High School Building".

Polling places at the City Hall for Division No. 1 and at the County Court House for Division No. 2.

Polls open at nine o'clock and close at four o'clock on said day.

The Voter shall use the official ballot paper and shall strike out or mark through with a pencil of black lead, or a pen with black or blue-black ink.
