SHAMROCKS
TO WITHDRAW
FROM LEAGUEFinances Too Low to
Carry on—St. Stephen
May Enter League.

St. John, June 7—The Shamrocks' baseball team have decided to withdraw from the New Brunswick Professional League. This was the announcement of Manager Thomas Coughlan last evening. The decision was reached last evening and the principal reason given was the fact that the East End grounds have proved an absolute failure as far as the financial receipts are concerned. The grounds themselves are the best in the city regards their condition but the location is inconvenient for many city people principally those of the North End of the city who were in the habit of never missing a game at the old St. Peter's ball park last summer.

Manager Coughlan announced last evening that he will wire the president of the league W. S. Hooper of Fredericton informing him that the game which was scheduled for the East End grounds this evening between Fredericton and the Shamrocks will have to be postponed on account of the Shamrocks' disbanding. Mr. Coughlan regrets extremely that such a thing as disbanding has occurred but at the same time he stated that it was unfair to the members of the team to bind them to an organization which could pay them little in the way of salary.

St. Stephen May Enter.

Manager Vincent Shea of the Veterans said last evening that as far as his team was concerned the league would proceed as usual and there was a chance of St. Stephen coming into the league for the remainder of the season.

JEWS STRONG AS
MIDDLEWEIGHTS

Cleveland, June 8—The present ruler of the bantamweight division is a Jewish battler one Abe Goldstein. The next ruler of the division may be a Jewish boy too namely Charley Goodman.

Like Goldstein, Goodman is a New Yorker. Goodman leaped to national fame over night by knocking out Carl Tremaine local star in seven rounds in a recent bout.

Goodman connected with a short right jolt to the jaw and Tremaine dropped like a load of brick.

What Goodman lacks in cleverness he makes up for in durability and offensive strength. He is one of Goldstein's real rivals.

Wills Match is Sure—
One with Gibbons
Seems More Doubtful
—In Motion Pictures.

New York, June 8—Jack Kearns, arrived in town and derided the rumor that Jack Dempsey's weight had been affected by motion picture work also that the champion was averse to going through with the proposed meeting with Harry Wills. "The champion is just as big and is stronger than ever" insisted Kearns. "What is more he has taken to the motion picture game in a way I never anticipated. As a matter of fact he seems to get a lot of fun out of the business. Just wait till you see Jack doing his stuff on the silver screen, I guess you will find he doesn't look like a chap who is very much worried over his work."

"As for the Wills talk. The only chance that there will be no meeting between Harry and the champ is for Wills to make a poor showing against some opponent and eliminate himself. The only thing required to bring about a meeting is for a reliable promoter to come forward with a satisfactory offer and the right sort of assurance."

"Is Rickard a satisfactory promoter" some one asked and Kearns answered:

"I'll say so. Tex certainly knows how to put over the big stuff. As a matter of fact I have verbal agreement with Tex which calls for Dempsey to meet any one Rickard selects. This goes for Wills or any one Tex decides to name."

"How about Gibbons?" he was asked, and after thinking a moment Kearns replied:

"I don't think his showing against Carpentier means anything in favor of a return match with Dempsey."

The other shooting was done over the Devon range. J. E. Page of the school staff who is instructor to the corps takes keen interest in the cadet corps and it is largely through his efforts that it is in such excellent condition.

COMPROMISE
ON RULING IN
TENNIS RANKS

Tilden Willing to Rejoin
American Davis Cup
Team—Matter to be
Reconsidered in 1925.

Providence, June 8—A compromise whereby William T. Tilden, 2d, and other tennis player-writers retain their amateur status and which is expected to settle the controversy between the United States Lawn Tennis Association and player writers was set forth here by William T. Tilden, 2d who is competing here in the State Tennis championship.

The compromise it is understood is acceptable to the U. S. L. T. A. Under its terms Tilden will be eligible to rejoin the United States Davis Cup team. It further provides that player writers provided that in daily reports of tournaments in which the player writer is competing he shall use neither his name nor title.

Tilden declared he would "accept an invitation to rejoin the Davis Cup squad of the United States Lawn Tennis Association and would be delighted to play for my country if my services are still desired."

His statement is in part as follows:

"In view of the action of the executive committee of the United States Lawn Tennis Association in special meeting assembled June 4, 1924 wherein they agreed to suspend the player-writer interpretation of the amateur rule passed at the annual meeting held February 1924 until after reconsideration of the entire matter at the annual meeting in 1925 and the appointment of a committee to report on the player writer interpretation in particular and the amateur rule in general I am willing to accept such a compromise instead of the special committee is appointed and a full statement of these terms is given out by the U. S. L. T. A., I will accept an invitation to rejoin the Davis Cup squad."

"My resignation having been forwarded to and officially accepted by the Davis Cup committee I am therefore unable to withdraw it, but will be delighted to play for my country if my services are still desired and the committee again officially invites me."

"This is done in view of the fact that this compromise places the player-writer questions in the same position it held in 1923 prior to the interpretation, and therefore my amateur status is clearly and officially recognized by the executive committee."

The owner of a big plant addressing a new employee:

"Did my foreman tell you what you will have to do?"

"Yes sir he told me to wake him up when I see you coming."

THE LINE OF
MODESTY AT
ATLANTIC CITY

(British United Press).

Atlantic City, N. J., June 7—The demarcation of modesty this season shall be four inches above the knee, the city commissioners have decided, in passing bathing suit legislation. Suits, one piece or otherwise, must come that far down the female form. Another ordinance forbids eating watermelon on the beach without a permit from the mayor.
