Of Interest to the Women

BOYISH SIMPLICITY
FEATURES BRITISH
GOWNS THIS SEASON.

London—Boyish simplicity will be the predominant note in women's styles for 1924. The English fashion mentors and dressmakers have decreed short, semi-fitting gowns falling perfectly straight down the figure in bold stream line effect will be worn with turndown white Eton collars and turn back cuffs.

The natural contour of the body both front and back will be subordinated in order to achieve youthful, boyish straightness and angularity. The women will be practically without any waists and where any attempt is made to achieve one it will be at the top of the hips.

A further touch of masculinity will be imparted by the adoption of bobbed hair for single women while married ones will wear their hair well-plastered down on the head.

Frocks will be a few inches shorter but there will be no reason to the "just below the knee" skirt. Small hats will be the rule although with higher crowns. Ribbons and embroideries will be the accepted trimmings.

IT IS SAID—

A teaspoonful of salt thoroughly stirred into the basin of starch will add a splendid gloss to linens.

A weak solution of vinegar and water will remove finger marks from polished wood. Then polish with your usual furniture polish or cream.

A careful selection of mirrors and positions for same will add a great deal of space to the small house.

Plain sponge cake is good flavored with two teaspoonfuls of vanilla two of lemon juice and four of orange juice.

Salt put in before cooking will be ruinous to the flavor of meats. They should be partly cooked before seasoning.

To sharpen the knives of the food chopped run a few bits of sapolio through as though grinding food.

To add to the attractiveness of one's table there are glasses of translucent green for fruit cocktails. Little two pronged forks of glass match in color.

You can save time and fuel in boiling potatoes by slicing them thin before putting them on to cook.

A sink strainer such as can be bought for 15 cents is an indispensable addition to your new sink.

To keep the leather in good condition old blacking should be washed off shoes before a new coat is put on.

If sweet potatoes are to be kept for some time they should be packed in dry, clean sand and kept in a dry place.

TONGUE COATED Bad Taste in Mouth

Eyes tinged with Yellow
Liver Trouble the Cause

Mrs. A. C. Brown, Oromocto, Ont., writes:—"I have been troubled with my liver for a few years back, and was so bad I did not feel able to do my work.

I had severe pains in my stomach, so bad I could hardly stand them at times; coated tongue; bad taste in the mouth, especially in the morning; whites of eyes tinged with yellow, and had a muddy and sallow complexion.

I had read a great deal about Milburn's Laxa-Liver Pills and decided I would try a vial, and after taking two or three I found I was greatly improved, and can truthfully say that I felt more like living and can now do my own work without any trouble."

Milburn's Laxa-Liver Pills are 25c. direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

March, as usual, will be like a left-handed pitcher, having a little of everything, but no control.

Cause of Early Old Age

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound. 10

PRIZE PLAY TO BE PRESENTED HERE THIS YEAR

"Their Honor, the Mayor", the \$3,000.00 prize Chautauqua play, will be presented in this city as one of the events of this summer's Chautauqua program.

This \$3,000.00 prize, which is awarded annually by the Chautauqua Drama Board for the best play for Chautauqua production submitted in its nation wide competition, goes this year to Miss Emma Jane Behl of Chicago.

These two announcements were made today by Dr. Paul M. Pearson of Swathmore Director of the Swathmore Chautauqua Association and Secretary of the Drama Board.

The decision as to the winning play was reached at a recent meeting of the Board held following a trial production of the play at the Hedgerow Theatre, Rose Valley, Pa. The members of the Drama Board are, Theodore B. Hinckley of Chicago Gregory Zilboorg of New York, translator of "He Who Gets Slapped" Sam Hume of Los Angeles, Winthrop Ames of New York, Charles F. Horner of Kansas City, and Paul M. Pearson of Swathmore.

Commenting on the award, Dr. Pearson said: "We believe we have secured a play which will be as big a success as last year's choice 'Crossed Wires' by Richard A. Purdy, the New York banker. 'Crossed Wires' is now in Broadway rehearsal under the direction of Oliver Morosco. 'Their Honor, the Mayor' has, as its title implies, a political theme which will be particularly timely during the summer of 1924 and much of its 'business' revolves around the omni-present radio. Its theme is a more purposeful one than is found in the usual Broadway success and that has been one of the aims of the Drama Board in conducting its annual competition. The play has had two successful trial productions, one in Rose Valley, Pa., and one in Evanston, Ill. It is available for Chautauqua use only until October 1924. It is likely that a number of the Chautauqua managers will use the play as the drama number of their programs this year. I have already decided to produce it on all five of the circuits of the Swathmore Chautauquas which will carry it into about 400 towns and present it to about 1,000,000 people."

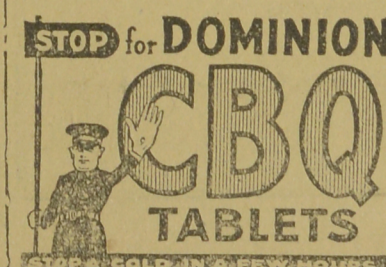

Another \$3,000.00 award will be made in 1925. Information may be obtained from Paul M. Pearson, Secretary of the Drama Board, Swathmore, Pa.

HAD A CLASH WITH STRIKERS

Chicago, March 1—One man was shot and several persons were beaten in a clash between alleged sympathizers with striking garment workers and employees of a dress-making factory.

According to reports to the police, who rushed riot squads to the plant, William Goldstein, owner of the factory was shot in the right leg when alleged strike sympathizers stormed the shop.

Fortunately leap year's extra day was not given to March.
