Of Interest to the Women

APRIL TROUSSEAU.

The trousseaux for the Easter week bridges and their attendants are showing rare exquisite hand-made underwear of crepe, chiffon, satin and the fancy weaves and colors in linen and cotton.

Yellow and mauve are leading colors and in addition to insets and embroideries there are trimmings of velvets, fur, moire and colored crystals. Amber colored beads in small cut crystal are combined with black and form a flower design on flesh colored crepe de Chine.

Quilled ribbon makes wonderfully natural looking flowers with bead centers, and corsets and garters are embroidered with these and edged with rhinestones.

Flesh and peach colored net, lace and brocaded satin brassiers are trimmed with flat beads and ribbon flowers in small designs and these sets are packed in long, flat cases of the material of the contents buttoned at one end and monogrammed.

Much black with white is used in these spring trousseaux and even in the hose marked at the top usually with three block letters.

The tailors are putting up very smart suits and one piece dresses in cocoa, tan and dark blue. Plain and small checked materials are being used in wool and silk, as well as faille and alpaca. The suits are made with snugly fitted shoulders, long close sleeves and straight hip and knee length coats. As the design demands from one to three buttons are used at the front, below a band collar with and without an attached scarf. A frilled and tucked tuck-in blouse is shown of matching colored silk, or a white lingerie one tailored or frilled and embroidered.

Linen dresses are seemingly more popular than last year. They are included in the bride's wardrobe and also that of her younger sister in shades of yellow, mauve and blue. Not all are made with the long lines—some have an almost normal belt line and pleated or flaring skirts. They are mounted on bodices of mull or crepe buttoned with pearl buttons at center front.

The printed crepe satins are also very popular, plainly made with some fullness at the sides held with small buttons or rosettes of narrow velvet of the dress color and deep collar and cuffs of lace and embroidery. Hand embroidered crepes are also chosen for morning dresses. These are mostly in the cocoa and tan shades, done in small bright colored flower and in mauve with deep purple flowers.

Many of the dressmakers have these already in hand and are trimming them with narrow ribbon velvet of the flower shade. Tuck-in blouses increase in favor with the approaching season of suits with short coats.

FIG PUDDING.

1 pint water 1-2 cup sugar, 3 eable-spoons flour, 1 pound dried figs, 1 pound walnuts, 1 egg white.

Boil together the water, sugar and flour for ten minutes, then add the dried figs cut in pieces. After the mixture has cooked for ten minutes take from the fire and add the walnuts and white of an egg well beaten. Pour in molds, chill and serve cold with whipped cream.

A TRIAL SONG FOR YOUTH.

There are no fetters may bind youths feet,
here are no shackles may hold him
When the sons of the high roads call
in the spring
And the winds of the world enfold
him.

Let him depart; it is better so
With never a world of censure
Bind on the spurs and let him go
On the quest of the Vast Adventure.

There is no cup that may drown
man's grief—
As well I know who have tasted—
For the lost faith and the vanished
dream
And the weight of the dead years
wasted.

Yet youth must rove—it is better so
When the joy of the world is waking
For the golden hours ere he come to
know
The hurt of his own heart breaking.

—C. T. DAVIS.

Relieves Dyspepsia

M.D. advises: "Persons who suffer from severe indigestion and constipation should take after each meal and at bedtime, fifteen to thirty drops of the Extract of Roots known to the Drug Trade as 'Mother Seigel's Curative Syrup.' Get the Genuine."

PERSUADES HER NOT TO WED HIM

Paris, April 23—With extreme reluctance, Helen Marie Patterson, former actress and divorced wife of Otto Young Heyworth, heir to \$15,000,000, has given up the idea of marrying "Dapper Don" Collins who is fighting extradition to the United States to answer to various crimes.

While still a patient at the American hospital at Neuilly, the young woman made frequent visits to Collins in the Sainte prison, where he is being held. She was injured on New Year's eve by a fall from the third floor of a hotel, fracturing her lip.

Collins, whose real name is Robert Arthur Tourbillon, is known also as Harry Hussey and a score of other aliases to police of Europe and America. He is wanted in America for a number of crimes and for an unserved term in Sing-Sing. The chief crimes charged against him are the shooting of John H. Reid in the Bronx in 1921, blackmail and rum-running. In his operations he has made beautiful women his tools to trap rich men in compromising positions. His swagger was a fascination for women of all classes and the latest to be smitten, the former Mrs. Heyworth, was persuaded by him with great difficulty to give up her idea of marrying him. She finally consented "to make the sacrifice."

By No Means Allow Your Bowels To Get Constipated

If you allow your bowels to become constipated you will have bilious attacks, sick headaches, coated tongue, foul breath, sallow complexion, specks floating before the eyes, whites of the eyes dull and yellow, heartburn, water brash, etc.

Keep your bowels regular by using Milburn's Laxa-Liver Pills, as by doing so you will be able to keep well and have no more trouble with your liver.

Mrs. I. Rubin, Halbrite, Sask., writes:—"I was very badly troubled with constipation, often had bad headaches, my tongue was coated, and I felt anything but well."

After taking Milburn's Laxa-Liver Pills I have felt much better as they certainly did me a lot of good."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
