Ed Sunderlin has bought the pacer John Hedgewood, 2.14 $\frac{1}{4}$. He has been seen on tracks in this section but will race in New England this season. He pulls out from Athol this week for White River Junction with a 2 $\frac{1}{2}$ -ton truck in which will be Rifle Grenade, 2.04 $\frac{1}{4}$; Zom Q., 2.09 $\frac{1}{4}$, and John Hedgewood, 2.14 $\frac{1}{4}$. The trio have trained nicely and will be hard to handle along the Vermont circuit.

Word comes from the potato country that Roy Grattan 2.01 $\frac{1}{4}$, is out of training, having picked up a nail.

Margaret Dillon will be shipped from Readville to Canton, O., today.

Brusloff, 2.04 $\frac{1}{2}$, will be given stiff jogging this Summer as his owner, W. H. Cane, desires Walter Cox to try his skill with him next year.

I. C. Young of Winchester has sent his Dillon Axworthy filly out of La-Ristina, 2.12 $\frac{1}{4}$, to Oakhurst Farm to be bred to Atlantic Express, 2.07 $\frac{1}{4}$.

The two-minute trio are in such demand for their exhibition that they will seldom be seen in the open races. Margaret Dillon and Sir Roch are out of the 2.05 class at Endicott, having been booked for Newcastle, Ind., that week.

Trainer Harry Fry of Mt. Holly, N. J., won the \$1,005 sweepstakes at Trenton last Thursday with his \$150 bargain trotter Gavolo over a field of 15 in 2.16 $\frac{1}{4}$, 2.16 $\frac{1}{2}$, 2.18 $\frac{1}{4}$.

W. N. Reynolds is going to spend a few weeks of the early Summer in Europe. This is perhaps the reason that Iskander and Trumpet are being brought along so slowly in their training.

RESULT OF BOUT DISAPPOINTED LUIS A. FIRPO

The South American
Thinks Perhaps Wills
is All Through.

Buenos Aires, June 11—(United Press)—After reading accounts of the Harry Wills-Bartley Madlen fight at Long Island City, Luis Angel Firpo who had hoped to be signed to meet the winner, said:

"Probably Wills had an off day. Every boxer has one. I had mine on September 14. On any other day I could have beaten Erminio Spalla, the Italian, as easily as did Al Reich who is a better boxer than Spalla. I didn't expect Wills to make much of a showing against Madden, anyway. This Madden has been a stumbling block for many aspirants."

A few minutes later, when Firpo read the cabled comments uncomplimentary to Wills, he scratched his head disappointedly and said he guessed perhaps the negro was "through." Juan Homs, Richard's representative, is awaiting instructions.

Rickard Undecided.

New York, June 11—(United Press)—Tex Rickard said he would take a couple of days to decide whether to put on a Harry Wills-Luis Firpo bout, as originally intended. The promoter was greatly disappointed at Wills' poor showing. He said the match would not draw as large a gate as had been hoped for, and that he doubted if Firpo would lower his demands.

CAPITALS WON.

The Capitals of Fredericton and the Nashwaaksis baseball teams played seven innings last evening. The Capitals coming out on the big end of a 17 to 9 score. Fielding on the part of the locals was not of the best and numerous errors helped the visitors to run up such a large score. The game was marked by heavy hitting. McGinnis of the Capitals driving out the prettiest circuit clout ever seen on the Nashwaaksis diamond. The batteries—Capitals, Lynch, Duggan and Donovan, Nashwaaksis—Johnston, Machum, McDonald and Gorman.

MARGARET DILLON LOOKS THE FASTEST

Worked 2.06 $\frac{1}{2}$ at Readville Last Week—
Races at Canton, O.,
on the 19th.

Boston, June 10—Readville rail-birds and there were many of them out, were treated to some really fast training miles week, the fastest being 2.06 $\frac{1}{2}$ by the pacing queen, Margaret Dillon, 1.58 $\frac{1}{4}$, which Billy McManemon is getting ready to take on Single G. and Sir Roch at Canton, O., the 19th in a \$3,000 purse.

The sweet little mare came the last quarter in 30 seconds with another home favorite, Anoakia at her side. The black mare went away a bit ahead of the bay and made her trip in 2.08, which pleased her trainer, Joe Johnson, very much.

Three-Year-Old.

The sensational work at Readville, however, was provided by a three-year-old trotter, the Rhode Island bred Blue Jay, which Billy Flemming trains for Dwight Edwards of Auburn, Me. The roan colt came the last end of his trial at a two-minute clip and did it like a champion. The mile was in 2.11 $\frac{1}{4}$.

Harry Brusie, who came up from Charter Oak with a dozen head, had a lot of speed to display, a mile in 2.10 by the pacer, Kazoff, being the best.

Joe Johnson went in 2.12 with his other Grand Circuit candidate, Colonel Bidwell, Lester Dore moved Eva Dewey along well, shading 2.13 with the Northern bred pacer.

These miles seem very fast away with Walter Cox at Goshen, who has not yet touched 2.15, with his horses.

The Orange County mile track is in the centre of the rain belt this Spring and while the Co horses have had the average number of slow miles, they are a bit backward in fast work. Murphy having been in 2.12 with Etta Druen and some of his other trotters at Syracuse a week ago.

Speed Between Showers.

Making speed between showers has been possible at Goshen, for Fred Hyde and Jimmie Small gave the clockers a steam up a bit last week. On Memorial Day Iva Loo and Margaret Spangler, the pacing mares, owned by Oscar Wolfenden of Attleboro, maintained in 2.09 $\frac{1}{4}$, and last Monday Small set Frank Whitcomb's pacer Sunflash down for a mile in 2.05 $\frac{1}{4}$.

These repeats are doubtless the fastest of the Spring over any track. Margaret Spangler was impressive at the end of her miles and her manners all through her work are of the best.

MONCTON WINS FROM G.W.V.A. 7-3

St. John, June 11—Gene Tippetts was pounded for 10 hits by the visiting Monctonians last evening and the Veterans came out on the low end of a 7-3 score in a N. B. Pro. League fixture on the East End grounds. Tippetts was touched up for four hits in the opening stanza one of which was McManus' circuit clout, the ball bouncing through a window in one of the houses near the entrance gates. IN AGAIN, OUT AGAIN, HIS MOTTO

New York, June 11—Released from Sing Sing only three weeks ago George Weider who was sent to prison in 1912 for a burglary committed at the home of J. Pierpont Morgan and who took another trip up the river in 1918 for robbing the home of D. W. Potter is on his way back to prolonged period of prison life.

Weider was arrested early today in an apartment house, grappling furiously with a resident here. The police say that despite the fact that he has been away from prison only three weeks he has been consistently at work robbing homes of the wealthy on both the East Side and West Side of New York.

Weider was taken to the lineup at Police headquarters and his identity quickly established. When arrested he was fashionably attired. He gave his age as 28 years.

In Weider's rooms according to the following robberies—all committed in the past week.

The burglary of the home of Harry Content head of H. Content & Co., stock brokers in which it is alleged that \$6,000 of jewelry was stolen. The robbery occurred on June 2.

The burglary of the home of Dr. Cyril Barnett on May 30 in which \$600 in cash and jewelry was stolen.

The burglary of the home of Charles A. Brodek on May 30 in which \$300 in cash was stolen.

The burglary of the apartment of a man named Faurs on June 3. The amount of loot taken unknown.

Weider's arrest came quite by accident. Sergt. Johnsmeyer and Patrolman Minheim were driving along West 105th street when they heard a woman's scream from the apartment house. Entering the building they found Weider grappling with Laydenn Harris a member of the Cotton Exchange in the hallway of the second floor.

Police Stop Battle.

The right between Harris and Weider had aroused the whole building. Quickly putting an end to it the police arrested Weider and searched him. In his pockets were two pairs of spectacles and some jewelry which Harris identified as his. There was also \$258 in cash in Weider's pockets which Harris thought belonged to him.
