Local Theft Case.

A local theft case in which preliminary evidence was taken some time ago and the accused sent up being liberated on his own recognizance, is The King vs Seymour Chase. Harry Mount and John McGoldrick who were sentenced to terms in Dorchester Penitentiary, were witnesses in the case and will be required again.

McGivney Theft Cases.

The civic election in Fredericton took place today but without any polling as but six candidates were placed in nomination for the six vacancies in the City Council—one for mayor and five for aldermen. The mayor of W. G. Clark re-elected. The aldermen are Ald. W. K. Hay, Wellington Ward, re-elected; Ald. Oliver T. Smith, St. Ann's Ward; Ald. D. W. Ross, Carleton Ward, re-elected; Ald. C. N. Goodspeed, Queen's Ward, re-elected; Ald. LeBaron R. Bull, King's Ward.

The newly elected aldermen will be sworn in Tuesday afternoon at four o'clock by His Worship Mayor Clark. The ceremony will take place at the City Hall.

Organizing New Council.

The new City Council will proceed at once to reorganize. Ex-Ald. Ivan McKnight retires from the chairmanship of the Fire Committee an important post and ex-Ald. Harry A. Smith retires from the chairmanship of the Municipal Home Committee another important position. Their successors are Ald. LeBaron Bull and Ald. Oliver T. Smith. It is possible that they will be placed in the positions made vacant by the change but there also is a possibility that there may be a shift in chairmanships and the Fire Committee chairmanship given to one of the older aldermen. There also is said to be a possibility that Ald. Goodspeed will not continue as chairman of the Administration of Justice Committee.

FOUNDING STOCK FARM.

Municipal Home Farm at Nashwaaksis Offering Bull-calf For Sale—Excellent Stock.

The Municipal Home Farm at Nashwaaksis, operated in connection with the Municipal Home of York County is offering for sale a bull-calf which was raised on the farm. The offer is the first operation in the attempt to found a stock farm in connection with the Home. In the United States and elsewhere in Canada municipal homes have some excellent stock-farms.

Some criticism has been directed recently toward the high prices paid for two Holstein cows purchased for the Municipal Home Farm. Both animals, however, were from the well known breeders, Dickie Bros., Truro, N. S., who often have shown their stock in Fredericton.

Cobequid Ruth, one of the cows, is sired by Cobequid LaHonda Jim, a famous show bull. His dam is a former world's record cow, Miss LaHonda.

Cobequid LaHonda May, the other cow, has Cobequid Canary May, a great show cow which has milked as high as 100 pounds a day, as her dam. She also is well bred on the sire's side.

Leave of Absence.

Leave of absence has been granted to Lt.-Col. M. C. Buchanan, M. C., commanding the York Regiment from Jan. 4 to Jan. 24.

Profit by Our Diamond
Experience

Don't judge a diamond by its karat weight alone, for diamonds of equal weight are not necessarily of equal value.

The worth of a genuine diamond—its purity of color and perfection in cutting—can be judged best by men who know diamonds.
