REPORT OF THE LIBRARY COMMITTEE

New Brunswick and Canadian Sections are to Be Introduced.

Legislative Library,
April 20th, 1927.

Your Committee on the Legislative Library begs to submit the following Report:

The meeting of the Committee was held at 12.15 p. m. in the Library Room on the 20th instant.

The Librarian reported that 1,468 books had been taken out during the past year, and that \$65.00 had been received in fees. These figures are somewhat less than those of the previous year.

The usual amount of \$200.00 was voted for the purchase of books for the present year.

At the last session of the Committee a Special Committee was appointed, consisting of Chancellor C. C. Jones, of the University of New Brunswick, Hon. Charles D. Richards and the Chairman of the Library Committee, to look into all matters pertaining to the Library and report this year.

The following is the report submitted by this Special Committee:

Legislative Library,
February 19th, 1927.

We, the undersigned, having been appointed as a Special Committee to look into the matters pertaining to the Legislative Library, and to report to the regular Library Committee during the next session of the Legislature, wish to make the following report:

Your Committee met today, and after a careful examination, as far as possible in the short time at our disposal, and after a full discussion, wish to make the following recommendations:

1. That all books be re-classified by someone competent to undertake the work, and that all books out of date, or not of general interest, be stored.

2. That a new Section be introduced for New Brunswick books; and as far as possible every worth-while book of historical, biographical, or statistical value, and the works of all New Brunswick authors, be purchased for this section.

Also that a Canadian Section be introduced, of a like nature.

3. That a Purchasing Committee be appointed to have charge of purchase of all books, and to have a general supervision of the Library throughout the year, meeting from time to time as necessary. This Committee to be composed of the Chairman of the Library Committee appointed by the Legislature, the Chancellor of the University of New Brunswick, the Principal of the Normal School, and two others to be chosen from year to year.

Respectfully submitted,

(Sgd.) W. Benton Evans,
Charles D. Richards,
C. C. Jones.

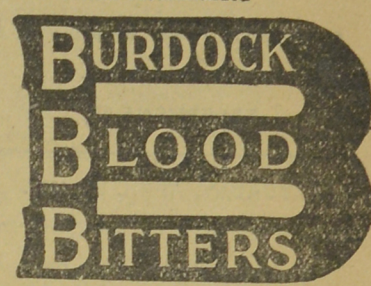

After a full discussion of this report it was decided, on motion, that the recommendations of the Special Committee be carried out, and that the Purchasing Committee be appointed consisting of the Chancellor of the University of New Brunswick, the Principal of the Normal School, and the Chairman of the Library Committee, and that they have power to nominate the two additional members recommended.

Your Committee desire to express their appreciation of the efficient services rendered during the past year by the Librarian, Mrs. Allen, and the Assistant Librarian, Mr. H. C. Rutter.

Respectfully submitted,
(Sgd.) W. Benton Evans,
Chairman.

Headache Made Her So Sick She Could Not Work

Miss Lola White, Cape Bald, N.B., writes:—"I suffered severely, for a long time, with a bad headache. It would ache and ache until it made me so sick I could not work at all. A friend recommended

and after using a few bottles of this medicine I feel that I cannot recommend it too highly to all those who suffer from headache of any kind."

I DID NOT KNOW.

I did not know that Spring could be
So beautifully blue,
Until I saw your lilac self
And walked alone with you

I never heard a robin sing
More sweetly from the bough
That that one bird which throws
to me
A loved-lined lyric, now.

The daffodils take on a look
I never saw before,
I see your gleaming glance in them
My golden Elinor.

The cherry blossoms pen your name
Against the setting sun,
The winds say "Yes and yes and
yes,"
The lovely days are done.

I never understood before
How lovely Life could be
But now I look with different eyes
On earth, and sky, and sea.

Mae—Did you get my last letter?
Bill—I hope not, dear.

Stinging Corns Drop Out in Hot Foot Bath

Corns and callouses come off under the Hot Water Treatment so quickly and painless that everyone should know about it. Here is what you do: Take hot foot bath, and put a few drops of Putnam's Painless Corn Extractor over the tender surface, and the pain stops. You get glorious relief from Putnam's Painless Corn Extractor. Remember the name. Costs but little and gives big results. Sold less Corn Extractor and follow the treatment. A Saving To The Citizens Of Fredericton

Our new rate compared with the old means a substantial saving in cash to the citizens of Fredericton. A still larger saving is possible, however. It will be a saving in time and in household drudgery through a greater use of electricity.

When electricity can be used to wash, iron, cook, clean and refrigerate at a cost of only 4c to 3c per kilowatt hour, it is extravagance not to use it.

ELECTRICITY THE SILENT SERVANT

In the home electricity is the silent servant that has made housekeeping lighter and easier. The electric flat iron, for instance, has made ironing a simpler and more pleasant task. It has reduced the length of time required by nearly one-third. The electricity costs less than 2½c an hour.

You can get a good electric flat iron from us or from your dealer at a low price.
