PREMIER BALDWIN TO VISIT THE PROVINCE ON TUESDAY NEXT; AN ADDRESS TO BE PRESENTED

Saint John, Aug. 13.—Presentation of a joint address upon behalf of the Province of New Brunswick and the City of Saint John at the very spot at what is now Market Square, where the founders of Saint John landed in 1783 and Rt. Hon. Stanley Baldwin's reply, will feature the visit of the Prime Minister of Great Britain to New Brunswick next Tuesday forenoon as he stops for two hours in the Loyalist City en route to catch the steamer at the most easterly Canadian port on his return to England from his triumphant tour of the Dominion of Canada.

While traffic in the commercial centre of the city will be completely halted for the ceremonies, amplifiers and loud speakers will carry the words of the address read by Hon. John B. M. Baxter, Premier of New Brunswick, and Rt. Hon. Mr. Baldwin's reply to crowds of citizens of Saint John and people from all parts of the province, who are expected to assemble in thousands for the official proceedings. From a speaking platform, now being erected at Market Square, the first British Prime Minister to visit Canada while in office will make one of the last of the series of addresses which have added to the importance of Rt. Hon. Mr. Baldwin's tour of the Dominion.

To Arrive Tuesday.

The Prime Minister of Great Britain and his party are due to reach Saint John at 10.30 a. m. (daylight saving time) by Canadian Pacific special train. Accompanying Rt. Hon. Mr. Baldwin, Mrs. Baldwin and their official party will be Rt. Hon. W. L. Mackenzie King, Prime Minister of Canada; Colonel the Hon. J. L. Ralston, Minister of National Defence; President E. W. Beatty of the C. P. R. and a large official entourage, including between 20 and 25 newspapermen. They will be officially welcomed at the Union Station by Lieutenant-Gov-

ernor Todd, Premier Baxter, Mayor White and Col. W. B. Anderson, District Officer Commanding No. 7 Military District, with Mrs. Todd, Mrs. Baxter and Mrs. White.

Reception at Square.

After the presentations have taken place the party will proceed in a string of motor cars to Market Square, where the public reception will be held. The first feature of the ceremonies will be a general salute as Premier Baldwin arrives by a Guard of Honor furnished by the Saint John Fusiliers, composed of two officers, fifty other ranks and the regimental colors. Premier Baldwin will inspect the Guard of Honor and will then proceed to the speaking platform, where the joint address will be read by Premier Baxter and presented by Mayor White after members of the Provincial Cabinet, members of the Common Council of Saint John and others will be presented.

Will Inspect Dry Dock.

Following Premier Baldwin's reply, the party will motor to the Saint John Dry Dock, which will be inspected after which, if time permits, Rt. Hon. Mr. Baldwin and party will be taken to the roof of the Admiral Beatty to enjoy the panoramic view from there before returning to their train, which is to leave at 12.30 o'clock for Charlottetown, the next stop on the official itinerary.

Details of the arrangements for the visit of Premier Baldwin and party were completed at conferences held yesterday by Premier Baxter, Mayor White and Colonel Anderson, which Lieut.-Colonel Sparling, A. A. Q. M. G. and J. D. Black, director of the Bureau of Provincial Information, also attended, and last night the official program of arrangements was forwarded to Ottawa by Military District No. 7 headquarters for final approval by the Minister of National Defence, who is personally in charge of arrangements for the Canadian tour.

Weak and Nervous

The Condition of a P. E. I. Lady Who Again Rejoices in Good Health.

"I can most heartily recommend Dr. Williams' Pink Pills to all weak people," says Mrs. Augustin Arsenault, Wellington Station, P.E.I. "Before I began their use I was very weak and nervous. I had always worked hard, with no thought of my health, until suddenly my strength left me. I began to feel tired and depressed, and did not sleep well at night, feeling just as tired in the morning as when I went to bed at night. I began to feel discouraged when I would think of the work necessary for me to do. I got some medicine from the doctor whom I consulted, but it did not appear to meet my case as I showed no improvement while taking it. Then a neighbor advised me to try Dr. Williams' Pink Pills and I got a supply of this medicine. I very soon found they were helping me, and I continued their use until I was well again, and I have been strong and well ever since."

Dr. Williams' Pink Pills do one thing—and do it well. They build up, purify and enrich the blood, and as the blood supplies the whole body, new life is given to the entire system. Better sleep, steady nerves, improved appetite, increased vigor—all these can be yours by taking Dr. Williams' Pink Pills. Begin today. Sold by all medicine dealers or by mail, post paid, at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE MARITIME PLAYERS HAVE FINE RECORD

The Maritime College Players, who won two ball games from the local city team Thursday, left this afternoon for Harvey where they will present their three act comedy drama tonight and will return to the city afterward and sleep at the Tourist Camping Grounds. They will leave tomorrow for Newcastle to play a series of baseball games there. The Maritime College Players' orchestra put on a very successful dance at the Old Gaiety last night. It is understood that they made sufficient to meet their expenses in the city as they are amateur players and cannot charge for their services. They have played fifty games in all during their tour this summer, winning thirty, tying four and losing sixteen.

COMMUNITY SINGING WAS ENJOYABLE

(Continued from page eight)

clapping of hands was heard the applause of the automobiles, a loud honking or horns. Some very wise citizens listened to the singing from canoes on the river. Certainly music never sounds more lovely than when it floats across water. The entertainment lasted from 8.30 to 10 o'clock.

Mr. George Tennant, organist of the Brunswick Street Baptist Church was active in organizing last night's concert.

BARN BURNED WITH CONTENTS AT BRISTOL

Florenville, Aug. 12.—In a severe electric storm which passed over here at 2 p. m. today, lightning struck a barn on the farm owned by Stafford Banks at Bristol and burned it to the ground. The barn was filled with hay and also contained a new double wagon with hay rack loaded with hay which had been driven in on the barn floor. All was burned. No insurance was carried.

SLICE OF HOTEL RUG TAKEN AS A SOUVENIR

Oshkosh, Aug. 13.—Towels and similar articles are frequently collected as souvenirs by hotel patrons but when a good sized section of a rug is cut away and taken along the practice becomes serious. An Oshkosh (Wis.) hotel reports such a loss when some tourists used a room in which a new rug has been placed recently. The missing section was three feet wide and six feet long, and left the rug in most untidy condition.

A Bad Accident.

A car driven by Hilton Robinson came to grief about twenty miles below Fredericton yesterday. The car, going at a fair rate of speed, skidded on the slippery road and bumped into a telephone pole, snapping the pole off short. The occupants escaped without injury but the car was so badly damaged that to continue their journey, which was to Hatfield's Point, was impossible.

NERVE RASPING.

"And my snoring annoys you?"
"Oh I don't mind your sawing wood but every once in a while you hit a rusty nail."
