

TOURISTS ARE PLEASED WITH CAMP GROUNDS

Shady Spot With Bathing Beach Near by — Many Parties Put Up There in the Course of a Week.

Motor tourists say that the Fredericton Camping Grounds are the pleasantest they have ever visited. Once they get here, pitch their tents on the green grass under the shady trees, and take a dip in the sparkling river, they hate to leave.

From eight to twelve touring cars put up there nearly every night, and now, during the races, there are many more than this number. Some of these autos come and go in a day, but others stay several days, enjoying a real rest in the lovely spot.

Meal time is the busy time at the Tourist Camping Grounds. A dozen little camping cook stoves are at work emitting appetizing odors. The large stove on the camping grounds is seldom used except during rain.

The children, especially, think there is no camping grounds like ours, where they can enjoy bathing, ball, and tag to their hearts content.

It is good to know that those who have visited our Tourist Camping Grounds have such pleasant memories of it to carry away.

PROVINCIAL GOVERNMENT MEETS TOMORROW

The New Intoxicating Liquor Act is Likely to Be Proclaimed Soon—Commissioners in the City.

A meeting of the Provincial Government scheduled for a week ago but which had to be postponed on account of the visit to the province of His Excellency the Governor General, will take place here tomorrow. It is understood that there is considerable business of importance to be disposed of.

The regulations governing the sale of intoxicating liquor under the act of last session will be finally passed upon and in all probability an order-in-council will be passed bringing the act into force. While no announcement has yet been made regarding the date for the act becoming effective it will likely be pretty close to the 15th of August.

The members of the New Brunswick Board of Liquor Commissioners are all in the city and will hold a meeting tomorrow. The meeting, according to reports is likely to be an important one. The commission has about completed arrangements for the opening of twenty stores in different sections of the province. A large and well set (Continued on page 9)

BARKER'S POINT WILL NOT HAVE A NEW SCHOOL

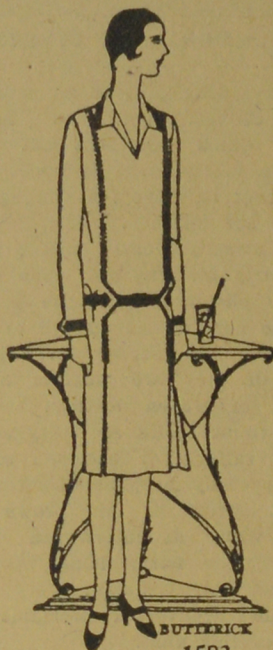

Proposal to Erect Concrete Building Voted Down by the Ratepayers at a Public Meeting Last Night.

At a special meeting of the ratepayers of Barker's Point in the school house last evening proposals to erect a new school building or repair the old one was voted down by a 17 to 9 vote. This was done notwithstanding the fact that the present school building has been condemned by the Inspector as being unfit for school purposes, it is not only badly out of repair but is far too small to accommodate the children in the district. According to the school law a class room has to be a certain size but in the case of the Point school it is away below the average.

The meeting last evening was called to order at 8.30 by Guy Dunbar one of the trustees, a large number of the ratepayers and many ladies were present. Franklin Armstrong was elected chairman and E. G. Merritt acted as secretary.

Committee's Report.
Arthur Wheaton the chairman of the special committee read his report in reference to repairing the old building (Continued on page five)

CITY AFFAIRS

Lost Without It.
A former resident of Fredericton now living in the United States, writes: "I receive The Daily Mail regularly and would be lost without it. I look for it the first thing in the morning and read it all every day."

Condition Improving.
William Markey, C. N. R. conductor of South Devon who was operated on at Victoria Hospital for appendicitis some days ago is reported by the Hospital as having passed a comfortable night and condition somewhat improved today.

Visits Home Town.
Mr. and Mrs. Brooks Straton and family of Rumford Falls, Maine, are visiting Mrs. Thomas Allen at her home on University Avenue. Mr. Straton is renewing acquaintance with many old friends as his boyhood was passed in Fredericton.

Motored From Ontario.
Mr. and Mrs. Roger G. Cooper and their daughter, Anne Marie, one time residents of this city, now of Windsor, Ont., arrived here by auto yesterday to make a visit of some weeks with Mr. Cooper's father, ex-Ald. F. L. Cooper and other relatives. Their many old friends are extending a cordial welcome.

Here For the Races.
Another large party of visitors arrived in the city today and yesterday for the races, among whom are: S. U. Bell, Saint John; M. S. Bernstein, Saint John; R. R. Brown, Woodstock; Y. P. MacDonald, Moncton; H. S. Forbes, Moncton; C. L. Lester, Truro, N. S.; C. J. Coleman, Halifax; Mr. and Mrs. Horton, Bathurst.

Band Concert in Park.
A band concert was held at Wilmot Park last evening and was attended by a large gathering, especially of people in cars. The concert opened with "O Canada" but after the inspiring rendering of this patriotic anthem it became too dark to see, and there occurring temporary trouble with the lights, the continuance of the performance was delayed until after nine o'clock when the lights came on.

Hydroplane Arrives.
A handsome hydroplane settled off Atherton's landing at 3.20 o'clock yesterday afternoon. The plane, which is from Halifax, is owned by the Canadian Air Ways Limited, but is at present in government service. It is bound for the north shore of the St. Lawrence River on surveying work. The two fliers, Mulcahy and McClellan, stalwart, bronzed young men, say that the trip from Halifax here took them four hours, but that there was a head wind and that if the wind had been with them it would have taken only a little over two hours. They will leave for Quebec tomorrow, weather permitting, and expect to make the flight in three or four hours.

QUALITY SERVICE

We Have Positively Nothing Better

This was the reply we received when we asked a representative of the largest Coffee house on the continent, if by any chance they would have a higher grade of Coffee than the particular brand of theirs we are selling. "We have", said he "several brands of coffee at various prices, but nothing better than the brand you carry."

Increased Sales pronounce him
Sincere.
