Standing in County League Was Altered Saturday Night

U. N. B. Now at Top—College and Marysville Won, Beating Fredericton and Devon—Score 3 to 0 in Each—Ice Poor.

Fredericton H.	2	1	5	5	
Marysville	1	2	4	5	
Devon	1	2	1	5	

The York County Hockey League is living up to its reputation of producing close and fast hockey games. Two more were played Saturday in spite of poor ice, badly cut up and soft. Marysville broke into the win column at the expense of Devon, winning 3 to 0 and University of New Brunswick improved its standing and shoved Fredericton Second Team out of the league leadership. On games won and lost the two teams are even but the collegians have had much the better in scoring but one goal having been scored on them in three matches played.

The summary indicates the closeness of the scoring in all games only four goal separating the highest from the lowest team.

Again their was an absence of club uniforms and it was confusing to spectators, referees and players to have the same uniforms used on opposing teams.

Bingo Harrison on Deck.

"Bingo" Harrison emerged from retirement and performed at centre for Marysville. His presence seemed to put life into the team which outplayed Devon practically right through the match although the Tigers had returned from Edmundston with an exhibition game to their credit.

Devon failed to get through the Marysville defence to drive in any dangerous shots and did not look as good a team as earlier in the season.

Harrison scored for Marysville early in the game. The second period went scoreless. In the third Harrison was largely responsible for the second goal carrying the rubber in. Higgins scored on a wing shot when Harrison lost the puck. The third goal was made by Harrison who scored after he had piled up on the ice in front of the net.

The teams were;—
Marysville—Goal B. Harrison; Defence Miller McInnis Stafford; forwards, P. Harrison, Hodgson, Higgins, P. Minue, Armstrong, F. Minue.

Devon Tigers—Goal, Taylor; Defence, W. Neill, J. Neill; forwards, Staples, Brown, Gulliver, Deep, Miles. Referee, "Bud" Steen.

University Looks Better.

The showing of the University team was watched particularly on account of the intercollegiate series which is to start here next week with Dalhousie playing. The section opens this week at Halifax where Mt. Allison play Dal.

The college team is looking better as time goes on. The forwards were particularly fast for the poor ice and worked in some good combination. As usual "Speck" Thompson was all over the ice. He at centre with Lynch at left wing and "Si" Keenan at right wing make a dangerous forward line and Chalmers at centre with Gagnon and Dubois on the wings make a good relief line. Doddridge and Aubey start-

MONCTON PLAYS HERE FRIDAY IN RETURN GAME

Big Crowd Should Turn Out for Second Section — Alan Stirling in Montreal Bank League.

The New Brunswick Southern League schedule calls for Moncton Athletics to face Fredericton here again Friday night next. With the Green and White having beaten this team handily at Moncton last Friday there is no doubt of a big crowd turning out for the contest. The showing of Fredericton in the last two games against Sussex and Moncton shows that the team has struck its gait and barring loss of players it should be putting up good hockey right along.

More County League Games.

The York County League which has provided six good games so far will provide a couple more early in the week. This league is expected to do what it is intended to do and show up some material fit for future senior company.

Alan Stirling in Bank Hockey.

The Fredericton hockey talent does not go unappreciated away from home is shown by the fact that Alan Stirling has figured in two games in the Montreal Bank Hockey League. He was subbed by Bank of Montreal early in the first game he played and was used on defence in the second. "Sig" Slater of the Montreal Vics, an Olympic player and one of the best amateurs in the game plays on the same team.

Husband—Well it's been in style six times.

ed as defence with Currie relieving. Doddridge who is captain of the team carried the rubber better. In the net Hickson was on again as he has been declared eligible for the college games. He was in great form and kept out all Fredericton shots.

Thompson scored the first goal on a nice wing shot early in the opening period. Not long afterward Keenan took the rubber down and fed it to centre ice where Thompson beat Young out with a short shot.

The third college goal was easily earned Jake Lynch scoring on a back-handed slap at the puck near the Fredericton net in the second period.

Leading by three goals the college team played a sound game in the last period lying back on defence and keeping the Fredericton team from coming through. This period was fast with good hockey produced.

Paul Barry was on the Fredericton defence being another senior player allowed in the series. The balance of the team was as before. Horncastle, Doug Keenan and Lee Harrison worked hard on the forward line but were up against a hard proposition in the double college forward line.

The teams were;—
University of N. B.—Goal, Hickson; Defence, Doddridge, Aubey, Currie; forwards Lynch, Thompson, E. Keenan, Dubois, Chalmers, Gagnon.

Fredericton Seconds—Goal, Young; Defence, Barry, Stirling; forwards, Horncastle, D. Keenan, L. Harrison, H. Keene.

FREDERICTON HIGH DROPPED ANOTHER GAME

Basketball Team Beaten 61 to 18 at Saint John Saturday—The Home Team Strong.

Saint John, Jan. 24—Four hundred fans, the largest crowd to witness an interscholastic game here in the last five years, watched Saint John "High" basketball team win an easy victory over Fredericton High School on the Y. M. C. A. floor Saturday afternoon, 61-18.

Saint John High used a five men defence to good advantage and forced Fredericton to resort to long shooting for the basket, which accounted for the small score run up by the visitors. Saint John used a passing system that baffled the Capital boys.

By virtue of their win over Fredericton High, Saint John have moved into first place with Rothesay in the interscholastic league race, each team having won two games. Rothesay comes to Saint John next Saturday afternoon, and it is expected that as large a crowd will be in attendance when the two league leaders meet in a very important game.

After the game the visiting players were entertained at a banquet held in the Y. M. C. A., being under the convensorship of Miss Gale of the High school faculty.

MAORI COMMENT ON HOCKEY

Montreal Jan. 22—W. Barclay, captain of the Maori Rugby Football Club, which is returning to New Zealand after a successful tour of England, Wales and France, was a greatly interested spectator at the Rail-Phone matches last evening at the Forum, along with Manager H. Harris and other members of the party. They occupied boxes on the west side of the rink, as special guests of the Rail-Phone League.

When asked what he thought of Canada's national winter pastime, Mr. Barclay said: "It's a pretty slick game to hand it out."
