TEN MINUTES
TO BUY DRESS

London, Jan. 15—Ten minutes is not long enough for a woman to buy a dress, declared Miss M. Dutch, counselor, when the Westminster Council was discussing traffic regulations. Regulators of "one-way" traffic, she said, should take into consideration the fact that Dover street is a street of dressmakers and hairdressers and allow cars to halt a reasonable time. The other councillors did not agree with Miss Dutch, and parking was limited to ten minutes.

MR. JOHN L. PECK, SENIOR MEMBER
FOR ALBERT DIES IN HOSPITAL;
HAD SUCCESSFUL BUSINESS CAREER

Moncton, N. B., Jan. 14—John L. Peck, aged 69 years, senior member for Albert in the Provincial Legislature of New Brunswick, died in the Moncton Hospital this afternoon after an illness of four weeks.

Mr. Peck had been a member of the Legislature for Albert since 1917. He was born in Albert County and was one of the most prominent men in the industrial, political and social life of the county. For years he had been in the lumbering and shipping business, but for the last 15 or 20 years he had conducted a private banking business in Hillsboro. He was widely known throughout the province through his business and political associations. He was a Conservative in politics.

Sketch of His Career.

John Lewis Peck was born at Hopewell Hill, Albert county, in the year 1857, the son of Elisha and Rebecca Lewis Peck, in the old home and on the old farm which was part of the original Peck block granted to John Peck about the year 1780. He attended common school until the age of 14 years when he entered the employ of his grandfather, Hon. John Lewis, at Hillsboro, the store business having been established in 1828. Hon. John Lewis died in 1888 after turning the business over to his grandson, John L. Peck, at a time when, on account of the closing of the old Albert Mines and the decline of shipbuilding, business was at a low ebb.

Lumber Trade Entered.

Lumbering, which up to that time had been carried on in a haphazard way, offered an opportunity which Peck had vision enough to recognize. He began to purchase lumber from the small operators, first marketing it in Saint John by schooner, but eventually joining with J. Nelson Smith, of Coverdale, father of the Hon. Lewis Smith, the present provincial minister of agriculture, in loading steamers and sailing vessels at Hopewell Cape and Grindstone Island for shipment to Great Britain, direct. For a number of years this business proved very profitable.

The lumber and store business was only part of his activities. He erected a large building in which he established a private bank under his own name. Following this he erected a large store and office building, a grist mill, a wood-working factor, a skating rink and a number of tenement houses. He was largely instrumental in building the Prince Albert Hotel in Hillsboro and was the contractor for the large new First Hillsboro Baptist church. His last building effort was the erection of a large residence, the largest and probably the finest in the county of Albert.

In Political Arena.

Following in the footsteps of his grandfather, the Hon. John Lewis, and of his uncle, Dr. William J. Lewis he entered the political arena and in 1903, with A. E. Trites of Salisbury as a running mate, contested the county for the Provincial House. He and his partner were defeated, however, by Hon. C. J. Osman and S. S. Ryan. He entered the field again in 1917, running in the provincial election with the Hon. Lewis Smith and on that occasion both were successful. They were re-elected in the 1921 and 1925 elections.

Mr. Peck's only son, Lieut. George Peck, who left college, enlisted and went overseas, was killed in action in France. News of his son's death was a blow from which Mr. Peck never really recovered. From that time on he gradually withdrew from business and at the time of his death had withdrawn from practically all but his banking business. In 1921, as a memorial to his son and to the other soldiers of the county of Albert who had lost their lives in the Great War, Mr. Peck erected a fine concrete and stone Community Hall, which he presented to the citizens of Hillsboro in fee simple.

Prominent Mason.

At the time of his death, Mr. Peck was treasurer of and a leading supporter of the First Hillsboro Baptist church, a director of the public hall and a member of the Legislative As-

sembly. He was a prominent member of the Masonic fraternity.

Besides his wife, who is a daughter of the late Chipman Bishop, he is survived by two daughters (Mary), Mrs. C. W. McLatchey, Sussex, and (Flora B.), Mrs. George Blight, wife of the county secretary for Albert. A son was killed in the Great War. Three sisters, Mrs. W. K. Gross, Moncton; Mrs. Alice R. Peck, Miss Annie R. Peck, Hopewell Hill, and one brother, William Peck, Hopewell Hill, also survive.

The funeral will be held Monday afternoon at Hillsboro.

The Premier's Tribute.

Saint John, Jan. 15—In connection with the death at Moncton yesterday of John L. Peck, senior member of the Legislature for Albert County, Premier John B. M. Baxter issued last night the following statement:

"It was with a deep sense of loss that I learned of the death of John L. Peck at Moncton. He was an old and valued friend and a staunch supporter. He was a man who was close not only to Albert County but to the whole province as well. The late John L. Peck took a keen interest in the financial matters of the province while the party was in opposition and was a keen critic. He was greatly interested in the Legislature and was respected on both sides of the House."

The Premier stated that the Provincial Government would be represented at the funeral, which will be held at Moncton on Monday afternoon.

KEEP LITTLE ONES
WELL IN WINTER

By Regulating the Stomach and Bowels With Baby's Own Tablets.

Winter is a dangerous season for the little ones. The days are changeable—one bright, the next cold and stormy, that the mother is afraid to take the children out for the fresh air and exercise they need so much. In consequence they are often cooped up in overheated, badly ventilated rooms and are soon seized with colds or grippe. What is needed to keep the little ones well is Baby's Own Tablets. They will regulate the stomach and bowels and drive out colds, and through their use the baby will be able to get over the winter season in perfect safety.

In using Baby's Own Tablets the mother has an absolute guarantee that she is giving her precious little ones something that cannot possibly do harm to even the newborn babe as the Tablets contain not one particle of opiates or other dangerous drug. They are sold by medicine dealers or at 25 cents a box, by mail from The Dr. Williams' Medicine Co., Brockville, Ont.
