Of Interest to Women

'OF BLACK' SHADES NEW

Since we have had a number of "off white" shades—it only seems right and proper that "off blacks" would follow—blackberry is one of these—dark plum and blues darker than navy are also in the list.

The influence of the romantic eighteenth century is rather marked in current fashions and will continue to be marked, especially in brocades which like metal clothes, are being so rejuvenated that the debutante is permitted them.

The absence of an armhole is apparent on many cleverly cut coats and jackets this season—some dresses also having this new line.

The phrase "dark-bright" colors has appeared and is descriptive of colors that are both clear and dark—intense, definite tones of exceeding style importance.

The printed mode is indelible—dark grounds continuing to be the favorite.

Bittersweet registers as a new color—it is also called orange topaz.

Wool crepes are being much worn, especially in black with the usual lingerie touches at neck and wrist.

Cottons and linens are effectively interpreting the summer trend in outdoor apparel.

All sorts of names are being applied to the new dull finished stocking which appears to be meeting with tremendous success. Among the varieties are those with a georgette finish.

CHEESE SOUFFLES, INDIVIDUAL

Meet 4 tablespoons butter and add 4 tablespoons flour. When blended, stir in 1 cup milk, 1-2 teaspoon salt, a dash of pepper and 1-2 teaspoon Worcestershire sauce. Stir until very thick and boiling and then add 1-2 pound soft American cheese cut fine. Stir until the cheese melts. Add the beaten yolks of 3 eggs and fold in the stiffly beaten whites. Cut rounds of bread 2 1-2 to 3 inches in diameter and toast on one side. Spread a thick layer of the cheese mixture on the untoasted side and bake in a very hot oven—450 degrees—for 5 to 8 minutes or until brown. Serve at once. The mixture will spread a bit in baking, so leave about a 1-4-inch rim of bread around the edge.

RASPBERRY SHERBET

Crush a quart of berries and add to them a quart of water. Slice and add a lemon. Put in the refrigerator for three hours. Then strain the juice over two and one-half cups of granulated sugar, squeezing the cloth through which the berries are strained to extract all the juice. When the sugar is quite dissolved, strain the mixture again and freeze.

TAPIOCA PUDDING

Soak a cup of tapioca overnight in water to cover. Drain it and put it in a quart of milk, with a pinch of salt; cook until the tapioca is transparent. Then add the yolks of 5 well-beaten eggs; add sugar and vanilla to taste. Take from the fire and turn in the whites of the eggs, beaten to a stiff froth. Pour into a buttered baking dish. Set this in a pan of water and bake until the pudding thickens; then remove the under pan of water and bake the pudding until brown.

A well-known racing motorist is described as a man of parts. Spare ones!

What ever became of the old-fashioned stock markets that had its ups?

JELLIED SALMON LOAF

1 package lemon-flavored gelatin mixture.
1 3-4 cups boiling water
1-2 teaspoon salt
1-4 teaspoon pepper
1-2 cup diced celery
1 cup salmon
2 hard cooked eggs sliced
1-4 cup chopped sweet pickles
4 tablespoons salad dressing
Pour boiling water over gelatin mixture and stir until dissolved. Cool and add other ingredients. Pour into glass mold rinsed out with cold water. Set in cool place to stiffen. Unmold and serve, cut in slices 2-3 inch thick.

Cover 1-2 package of gelatin with cold water; when it is dissolved add 1-2 cup milk and 1-2 cup milk and 1-2 cup of sugar; heat to boiling point, stirring constantly, then set aside to cool; whip 1 pint of cream very light, beat the whites of 3 eggs stiff, and add both to the gelatin. When it has nearly congealed flavor with vanilla turn into a glass dish and set in a cool place.

BAD ACCIDENT IN FRASER MILL AT NELSON

(Chatham Gazette)

A very severe accident happened to Andrew Scott, twenty years old son of William Scott of Ferry Road while at work in the Fraser mill, Nelson, on Saturday morning.

A block flew from a edger with terrific force and struck the young man on the side of the face, tearing away the flesh and ear and rendering him unconscious.

He was quickly conveyed to the Miramichi Hospital and his injuries attended to, but he did not regain consciousness until the next day. The latest word last night was to the effect that his condition is somewhat improved and hopes are now entertained for his recovery.
