

SIMON YOUTH
CHARGED WITH
MANSLAUGHTER

Louis Simon, 22, Saint John, Given Preliminary Hearing This Afternoon re Death of Samuel Lewis.

The preliminary hearing in the case of King vs. Louis Simon, aged 22, of Saint John, who is charged with manslaughter in connection with the death of Samuel Lewis, also of Saint John, is scheduled for this afternoon at the local police court, commencing at two o'clock.

Provincial Police laid the information a week ago in conjunction with investigation into an auto accident which resulted fatally for Lewis, a middle aged man of 53 years.

Simon is charged with being criminally negligent in connection with Lewis' death in an auto accident on the McAdam-St. Stephen highway on Sunday night of Sept. 7. The accused was the driver of a large truck in which Lewis and a number of others were returning to Saint John from McAdam.

The truck was sideswiped by another car, one of the truck occupants said, and Lewis was thrown out by the impact. His injuries were such that he died in the Saint John Infirmary the next day.

Simon was arrested the day following the accident and brought here by Constables Milne and Stewart, of the N. B. Provincial Police, and when he appeared before Magistrate Limerick, he was remanded until today, with no bail allowed.

The accused has secured counsel and it is expected a number of witnesses for the defence will be called when the hearing is opened this afternoon.

With the sun drying the track to a red-hot speed surface the free-for-allers are expected to worry the track record. Vaudeville attractions will go on before the grandstand between heats.

Progress in judging has been more rapid than ever before and complete results will be ready tonight or tomorrow.

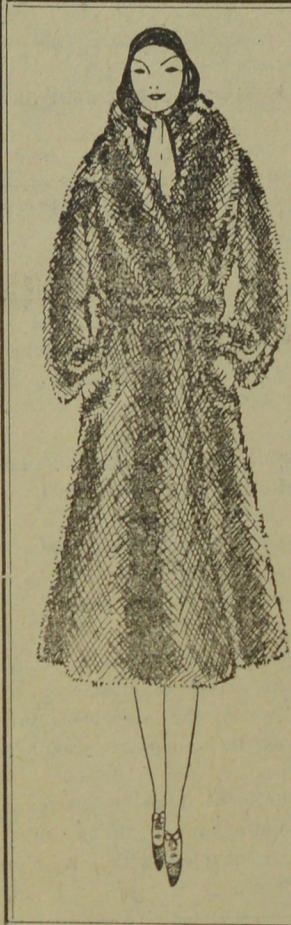

The display of flowers in the Main Building is as dazzling as ever, with every variety growing under local climatic conditions, represented at its best. The exhibit of Gordon R. Foster, local amateur, is attracting considerable attention. Again this
