ACADIA WON TRACK AND FIELD MEET

Wolfville, N. S., May 17—The annual Maritime intercollegiate track and field meet held here today was captured by Acadia University for the second successive year. The Valley collegians won by a comfortable margin, collecting 11 firsts, five seconds and three thirds, for a total of 78 points. U. N. B., with 38 points, placed second; St. F. X. with 17 points, third, and Mt. Allison, with 11, fourth. Dalhousie's representatives did not figure in any scoring.

The weather was ideal except for a slight wind which at times bothered the athletes and the cinder paths were in excellent shape. The fact that four Maritime intercollegiate records were sent by the board proved the biggest sensation of the meet.

"Beef" Cameron, husky St. F. X. star, added 4 3-4 inches to the shot-put record by hurling the ball 38 feet 11 1-2 inches. "Tiny" Matheson, Ma. Allison's playful strong boy, threw the discus 113 feet 1 inch, to add six feet to the former record. "Howie" Ryan, Acadia's mighty atom, added two-fifths of an inch to the hop, step and jump mark in negotiating a distance of 41 feet 8 2-5 inches. The last record-breaking feat was accomplished by the Acadia mile relay team of Ryan, Walker, Comeau and Eville, who chopped seven seconds off the record made by last year's Acadia foreosome at Fredericton. The time was 3 minutes 39 seconds, giving each member an average time of 54 4-5 seconds for the quarter mile.

Stratton, of U. N. B. who won the pole vault without much opposition, attempted a new record by endeavoring to clear the bar at 11 feet 1 inch and very nearly succeeded in doing so, his third jump barely knocking down the bar.
