RURAL NOTES

KINGSCLEAR.

Correspondent Spins Quite a Yarn—Social and Other News.

The Methodists of Central Kingsclear have decided to hold a social entitled "Among the Nations," once a month. The proceeds will be for church purposes. Tea and coffee will be served and other refreshments. A silver collection will be taken.

Our school re-opened on Monday, Aug. 28th, under the management of the former teacher, Miss Douglas.

The first social of the season was held at the residence of Mr. and Mrs. Joseph McKay. A very pleasant evening was spent by all, and our young folks are looking forward to the next one with pleasant anticipation.

Mrs. John McKeen is visiting her daughter in Fredericton, Mrs. Clowes Patterson.

Mrs. Joseph McKay has made her annual trip to York Mills to exchange her wool for yarn and call on her friends, Mrs. Alex. Wilson, Mrs. David Essena and Mrs. Jane Essena. This makes the fifteenth trip for Mrs. McKay to York Mills, and she speaks highly of the yarn. It is the strongest and smoothest yarn that she has ever worked with. She also speaks in the highest terms of the new proprietors, Messrs. Briggs & Little. They are obliging and try hard to accommodate their customers.

Mrs. Joseph McKay is arranging to leave soon on a trip to the Canadian West to visit members of her family. She will undoubtedly have a good time.

Just look at that illustration a second time. Look at the roominess of this new Studebaker SERIES 17 FOUR—the individualized COMFORT that's built into the car for every one of the SEVEN passengers it carries.

Not a detail has been overlooked that will make the car easier-riding. The front seats, for example, are divided—and they are, also adjustable—that is, they can be moved fore or aft to fit the passenger's wishes.

In the tonneau, roominess is especially evident—lots of room for five full-grown people. The rear seat is wide and deep and luxuriously upholstered with the finest straight-grain, semi-glazed leather. And everywhere roominess, convenience and a host of COMFORTS have been built into the car.

This new Studebaker is the most powerful 4-cylinder car on the Canadian market within hundreds of dollars of its price—the biggest car that any such price as \$1225 ever bought—but on COMFORT alone it stands as the GREAT value of the year. Come in and see this splendid "Made in Canada" Car.
