Opposition Platform

The following platform was adopted at the Opposition Con-
vention held in St. John recently:
In the event of the Opposition being returned to power, we pledge
ourselves:—

NO PARTIZAN CONTROL OF CROWN LANDS.

1. We pledge ourselves to completely reorganize the Crown-
Lands Department, so that its administration shall be entirely
severed from politics and administered on sound business prin-
ciples under systematic plans by a non-partizan commission speci-
ally appointed for that purpose, responsible to the Legislature and
working in co-operation with the Dominion Commission of Con-
servation.

TAKE THE HIGHWAYS OUT OF POLITICS.

2. We pledge ourselves to take the highways out of politics,
giving the expenditure of the money collected from the people and
the control of the labor, together with the Government appropria-
tions, into the hands of supervisors, chosen by the people of each
parish, to whom a detailed and audited account must be rendered
every year at the annual meeting, and a duplicate thereof for-
warded to the Department of Public Works, the work of the super-
visors to be under the inspection of a competent provincial en-
gineer.

We also pledge ourselves to set aside the money collected
from the licenses upon automobiles and other motor vehicles, to-
gether with an equal appropriation from the revenues of the Pro-
vince each year, to pay the interest upon the bonds to provide for
permanent roads, which shall be constructed as rapidly as possible.

PROHIBITION PROVINCE WIDE.

3. We pledge ourselves at the first session of the Legislature
to pass a law prohibiting the sale of intoxicating liquors within
the Province to the fullest extent allowed by the Constitution, and
within three months after the passage of said Act to submit the
same by referendum to the electors of the Province, and should
the majority of votes cast be in favor of the said law, then to
bring the same into force by proclamation within one year there-
after.

ELECTION LAW.

4. (a) To amend the electoral law so as to make it impossible
for members of the Legislature to traffic with the Government and
still retain their seats.

(b) To make it possible for young men, when they reach the
age of 21 years, to register their names and be placed forthwith
upon the voters' lists, instead of waiting for the tedious machinery
of revision as it now exists.

(c) To divide the counties into electoral districts which shall
each be represented by one member.

(d) We will also consider amendments to the election law to
vary in municipal as well as provincial elections impos-

PROVINCIAL FINANCES.

5. To obtain at once a correct statement of the financial con-
dition of the Province in order that the people may have definite
knowledge of the vastly increased public debt and the enormous
obligations of guaranteed bonds they will be called upon to pay;
and to so reduce the cost of the administration of affairs and the
number of useless officials as to avoid the necessity for direct tax-
ation now confronting us.

AGRICULTURE

6. To give the farmers all the practical assistance that the
resources of the Province will permit, to improve agricultural
methods and the quality and quantity of the stock upon the farm;
to reduce the enormous salary list in the department, and to spend
the educational grant received from the Federal Government
without regard for political patronage.

VALLEY RAILWAY.

7. To complete the Valley Railway from a point on the Trans-
continental Railway at or near Grand Falls, to St. John, and insist
upon the Dominion Government carrying out the terms of the
original legislation and allow the Province forty per cent. of the
gross earnings thereof.

EDUCATION.

8. To always maintain and improve the educational service
of the Province and to co-operate with the Federal Government in
carrying out the recommendations of the commission upon tech-
nical education.

IMMIGRATION.

9. The inauguration of a vigorous immigration policy to
properly place before intending immigrants, whose number will
be large after termination of the war, the advantages of the agri-
cultural possibilities of New Brunswick.

Board of Health Notice

THE ATTENTION of all citizens is
hereby called to the following sec-
tions of the Provincial Plumbing regu-
lations:

7. Before proceeding to construct,
reconstruct, renew, add to, alter or
extend any portion of the plumbing or
drainage system of any building or
premises, the contractor, plumber or
person contracting or having charge
of the same, shall (except in the case
of leaks) obtain from the Local Board
of Health a permit for the contemplated
work.

10. The owner and the occupier of
any premises in connection with which
any work is done (for the doing of
which a permit is required under this
section without a permit, shall, as well
as the person actually doing the work,
be deemed to be guilty of a violation
of these regulations.

Notice is hereby given that in fu-
ture all violations of the above rules
will be prosecuted, and the Inspector
of Plumbing in this city has been in-
structed to take immediate proceed-
ings in the Police Court against the
parties offending.

WOMAN'S COLUMN

SOME NEW RECIPES

Potato Scones.

Sift into a mixing bowl one pint
of flour and add half a teaspoon-
ful of salt, one and a half teaspoon-
fuls of baking powder, two table-
spoonfuls of creamy mashed pota-
toes and an even tablespoonful of
butter. Rub the last two ingredi-
ents in with the finger tips and,
when it is as fine as possible, wet
to a soft dough with cold sweet
milk. Handle as little as possible—
roll out on the pastry board, cut
into a neat circle, lay in a greased
pan, mark into triangles. Brush
over with a little melted butter and
bake in a quick oven until crisp
and brown. Break apart when cook-
ed, split open and spread with
melted butter. Serve covered with
a small fringe napkin to retain the
heat.

Green Corn Salad

Cook fresh green corn from ten
to twenty minutes in boiling salt-
ed water to cover. Remove from
water, and when cool, cut with a
sharp, French knife, through the
centre of each row kernels. Then
cut, or scrape, corn from the cob.
Season with mustard and onion
juice scraped with a knife from an
onion cut in halves. Marinate corn
with French dressing, let stand for
one hour; drain, and serve on let-
tuce or chicory.

PATCH POCKETS FOR APRONS.

Patch pockets appear not only
on coat suits, but they have forced
their way to dainty sewing aprons.
A very attractive apron can be
fashioned of dotted swiss, fine linen

or fine lawn. Near the bottom at
either side attach oblong pieces of
the material to form pockets. Then
fill in the space between these up-
right pockets with one long pocket.
Bead the three pieces with valen-
ciennes. If you have the time, you
might embroider a dainty daisy
pattern on each pocket before you
stitch it to the apron. Decorate the
center pocket with a rosette made
of pink or blue ribbon. The pock-
ets will not only ornament the ap-
ron, but will prove most practical
for holding sewing utensils. A lun-
cheon set simply embroidered in
one color, preferably blue or green
may be very neatly finished with
a fringed white cotton braid. This
new finish to the luncheon set re-
minds us of old-fashioned fringed
doilies with which our grandmoth-
ers used to pass around the after-
noon tea and crackers.

matism, neuralgia, sore throat and
sprains.
