A WOMAN'S HEALTH NEEDS CONSTANT CARE

When the Blood Becomes Poor Disease
Speedily Follows.

Every woman's health is peculiarly dependent upon the condition of her blood. How many women suffer with headache, pain in the back, poor appetite, weak digestion, a constant feeling of weariness, palpitation of the heart, shortness of breath, pallor and nervousness. Of course all these symptoms may not be present—the more there are the worse the condition of the blood, and the more necessary that you should begin to enrich it without delay. Dr. Williams' Pink Pills are beyond doubt the greatest blood-building tonic offered to the public today. Every dose helps to make new, rich, red blood, which goes to every part of the body and brings new health and strength to weak, despondent people. Dr. Williams' Pink Pills are valuable to all women, but they are particularly useful to girls of school age who become pale, languid and nervous. This blood during the growing years of a girl's life usually means a flat-chested, hollow-cheeked womanhood. There can be neither health nor beauty without red blood, which gives brightness to the eyes and color to the cheeks and lips. Dr. Williams' Pink Pills do all this as is proved in thousands of cases. Mrs. Wm. Rowe, Carlaw avenue, Toronto, says: "I have received so much benefit from Dr. Williams' Pink Pills that I feel it my duty to recommend them to others. I was about completely prostrated with anaemia. I had no appetite, was terribly weak and subject to fainting spells. I suffered greatly from dizziness, and the various other symptoms that accompany a bloodless condition. Remedy after remedy was tried but to no avail until a friend advised me to try Dr. Williams' Pink Pills. Before completing the second box, I was again enjoying splendid health, and have since remained in that happy condition."

You can get Dr. Williams' Pink Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

MARYSVILLE NOTES

Marysville, June 28.—A very pretty wedding took place at Marysville this afternoon at the home of Mr. and Mrs. Hudson Buchanan, when their daughter, Winnifred, was united in marriage to Mr. Samuel Drew, of Weston, Me., in the presence of a number of the immediate friends of the contracting parties. Rev. Thomas Hicks was the officiating clergyman. The happy couple will take up their residence in Weston, Maine, and will carry with them the best wishes of a host of friends.

The most severe storm of the season passed over this place today. Rain began to fall early in the morning and continued throughout the day. Some landslides a short distance above this town caused the I. C. R. express to be 45 minutes late, and shortly after the tracks were cleared and the train passed over, another slide occurred near the river bank for a distance of about feet, the earth falling into the river. A crew of men are at work repairing the damage and in a short time expect to have the track in a safe condition.

Slants Of Humor

Clerk (to Tommy Atkins, who had asked to see some silver named brooches). "Here you are. Take your choice, Ethel, Maud, Gladys, Pearl, Dolly—any of these?" Tommy: "Yes all those but Gladys, and I'll have Dolly and Alice, too, if you've got 'em."

SANDHURST FUN

The latest story from Sandhurst given is by "Quex" in the London Evening News. Overnight the cadets conspired. When next morning the sergeant gave the order "Number off from the right" the voices rang out, "One, two, three, four, five, six, seven, eight, nine, ten, Knave, Queen, King."

Quick as lightning the sergeant continued with, "All court numbers fell out and report to the major."

COMMENCEMENT PROBLEMS

The graduate we must confess,
Spends anxious hours on her address:
About her dress makes much ado,
The more important of the two.

THEIR JUST DUE

June always rings in a few rare days just to josh along the poets.

pect to have the track in a safe condition.

Mrs. John Hazelwood, an aged and much respected resident of this place, is seriously ill at her home and very slight hope is entertained of her recovery.

Nomination was opened today to fill the vacancy in the town council caused by the resignation of Ald. G. A. Tapley. Mr. Herbert McNaughton being the only one nominated, he was declared elected by Town Clerk A. D. McPherson.

Was Troubled With BOILS ALL OVER HIS BODY.

When the blood becomes impure the first symptoms manifesting themselves are a breaking out on some part of the body of various sorts of bad blood troubles, such as boils, pimples, abscesses, ulcers, etc.

How many times have you met a friend with a handkerchief tied around his neck, and have asked him, "What is the matter with you?" "Oh, I have a boil on the back of my neck: I guess I will have to take something for my blood."

The best blood cleansing remedy on the market to-day is Burdock Blood Bitters, and the speediest and most thorough method of expelling all the useless and corrupt matter from the blood is to use this old and well tried remedy that has been on the market for the past forty years.

Mr. W. E. Cockerill, Golden, B.C., writes: "I was troubled with boils all over my body, and my blood was very bad. I tried all kinds of medicines and salves, but got no relief. I had to quit work, as I could not stoop to do anything. My boss told me to use Burdock Blood Bitters, after I had told him I had tried nearly everything else. I got one bottle of B.B.B., and before I had finished it the boils were all gone. It is the best blood cleanser I have ever taken. I have told several others who were suffering with boils, and they all say it is great medicine. I am forty-seven years of age, but I feel like sixteen since I got rid of the boils."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

"I trust that you don't feel angry over this," said the solicitous man in the white apron, as he shoved the last lingering customer out of his car.

"No-o-pe-hic" came in saddened tones from the edge of the gutter, "Jus' put out 'ats all."

COMMON INHERITANCE

"The world owes me something."
"Well you'll probably collect those ill that the flesh is heir to."
