## HAD WEAK HEART HAD TO STAY IN BED

Many women are kept in a state of fear of death, become weak, worn and miserable, and are unable to attend to their household, social or business duties, on account of the unnatural action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief. They do this by their calming, strengthening and invigorating action on the heart, causing it to beat regularly and naturally, and in addition to this they tone up the whole nerve system.

Mrs. J. Day, 234 John St. South, Hamilton, Ont., writes: "I was so run down with a weak heart that I could not even sweep the floor, nor could I sleep at night. I was so awfully sick sometimes I had to stay in bed all day as I was so weak. I used three and a half boxes of Milburn's Heart and Nerve Pills, and I am a cured woman to-day, and as strong as anyone could be, and am doing my own housework, even my own washing."

"I doctored for over two years, but got no help until I used your pills."

Milburn's Heart and Nerve Pills are 50c per box, 3 boxes for \$1.25. They can be had at all druggists or dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## HOPE TO HAVE ST. JOHN RIVER SEALED TOMORROW

It is expected that the St. John River Log Driving Company will have the St. John River sealed at Lincoln by noon tomorrow. Tugs and crews have been at work since Monday morning but yesterday the heavy run of ice seriously hampered operations. Low water is also keeping back the work of hanging the booms. The booms intended for Kingsclear cannot get any farther than Springhill unless the river raises at least one foot. It will take that much more water to enable the tugs to get up. Mr. Walter Jackson, boom manager for the company, however, says that good progress has been made in getting out the sheery-booms, considering conditions. The river is slowly rising and some odd logs are running.

On the Nashwaak the Partington Company's driving crews staked yesterday morning. They will get logs off the landings for some days. At the end of that time it is thought the weather will be warm enough to cause a rise in the water. Prospects for driving are considered good.

All the ice is not out of the Southwest Miramichi but the Miramichi Lumber Company has had crews driving on Cain's River for a week.

### Gallant N. B. Corps Lost 18 Killed and 30 Wounded in Three Days--General Turner's Letter

The St. John Telegraph is in receipt of a letter from Lieut. Col. J. L. McAvity, O.C., 26th Battalion enclosing a copy of a letter recently received from Major General R. E. W. Turner, the officer commanding the 2nd Canadian Division. The correspondence is as follows:

Gallant Work in the Trenches.  
Headquarters 26th Battalion,  
March 31, 1916.

To the Editor Telegraph,  
St. John, N.B.

Sir,—It is with pleasure and with considerable pardonable pride that I attach hereto a copy of a personal letter written by Major General R. E. W. Turner, V.C., C.B., D.F.S.O., commanding 2nd Canadian Division.

This letter was written after we had passed through a trying winter campaign and immediately after a particularly hard tour in the trenches, a session during which we had eighteen killed and thirty wounded in three days. Only a week before that we lost two of our best officers, Major W. H. Belyea and Lieut. H. W. Ferguson.

MAJOR GENERAL TURNER,  
Commanding the Second Canadian  
Division.

Knowing that the people of New Brunswick will appreciate information regarding their battalion at the front, I take the liberty of sending you this letter.

I have the honor to be, Sir,  
Your obedient servant,  
J. L. McAVITY,  
Lieut. Col., O.C. 26th Battalion.  
High Praise From Gen. Turner.

2nd Canadian Division,  
March 29, 1916.

To Lieut. Col. J. L. McAvity.

My Dear Colonel,—I was very sorry to hear of your bad luck yesterday a.m. and feel keenly with you the loss of so many good men.

Am glad to know that your brigade will shortly have the rest to which it is so well entitled and no battalion in the Division is better entitled to it than the 26th Battalion, which has consistently well performed its work and a bit more.

Believe me,  
Sincerely yours,

R. E. W. TURNER, V.C., C.B., D.S.O.  
Major General,  
Commanding 2nd Canadian Division

### Lost His Life

Sydney, N. S., April 18.—Wm. Cross, a Newfoundland naval reservist, while on a hundred mile walk from his home at Hermit's Cove to St. John's, where he was to join H. M. S. Britain, was picked up dead near Green's Pond.

Travelling across the bay, he fell through the ice. He made a gallant fight for life, breaking a path over half a mile to the shore, upon which he crawled and died from exposure.
