

## YORK CIRCUIT COURT HEARS FIVE WITNESSES

Auto Collision Case Has the Attention of the Court Today—Expect to Complete Hearing Tonight Other Cases.

The York Circuit court began its second day of the January docket of three cases, hearing five witnesses this morning in the case of Corey M. Cook vs Ralph Gilman—an automobile collision case.

The five witnesses who took the stand this morning were Ralph Gilman, the defendant, Hylie Carr, taxi driver, Gene Burnham, local garage man, William Patterson, and Louis Jamieson. The case was expected to be completed this afternoon. Mr. Justice LeBlanc is the presiding judge.

Two other cases are up for hearing this term, one non-jury, and the other with a jury, both civil actions. The jury case is that of LeBlanc Crowley, Gregory Crowley and Theresa Crowley, infants, by Le Blanc Crowley, their nearest friend vs Edward Feeney. The non jury action is Partlow A. Pickard vs Ashley Colter.

## FIRST MEETING SCIENCE CLUB LAST EVENING

14th Annual Meeting of Club; Successful Year Mentioned — Dr. Stephens Was Speaker — Charter Member.

A large number of members and guests were present last night at the year's first meeting of the Science Club held at "Elmervest" Waterloo Row, the residence of Dr. John Stephens. The meeting was the 14th Annual Meeting and, after the secretary had reported a satisfactory year passed, the election of officers was carried out. The new officers are:

Honary President, Hon. W. F. Todd; President, John Webster; 1st Vice-President Dr. G. A. Inch; 2nd Vice-President, W. H. Moore; Secretary-Treasurer G. A. Good.

Dr. Stephens was the speaker of the evening and his discussion of such a highly technical subject as "Steam Electric Development" for a strictly nontechnical audience was most interesting to all his hearers. He said that electricity was a form of energy that,

## DELEGATES OF FORESTRY MEET AT LUNCHEON

Majority of Forest Engineers Have Arrived for 23rd Annual Meeting — Luncheon and Dinner at Queen.

A luncheon today at the Queen Hotel topped off a busy morning for the delegates and executive of the Canadian Society of Forest Engineers, who are holding their 23rd annual meeting today and tomorrow, and which is being attended by forest officials from all over the Dominion of Canada, and parts of United States.

Though nothing was officially done earlier this morning between twelve and one o'clock an executive meeting was carried on. Nothing was given out for publication from the session, but the work was routine, and in connection with the program for the two days' session. The luncheon followed the executive meeting.

### The Delegates

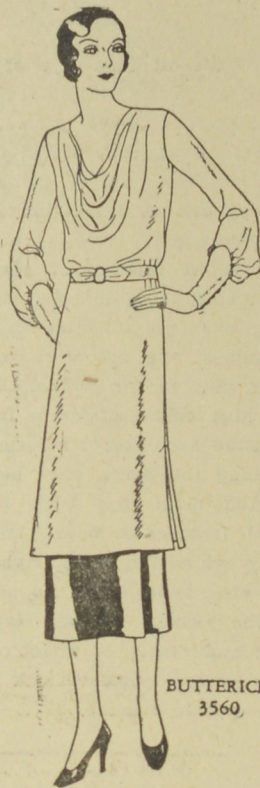

Delegates registered today included the following: Clyde Leavitt, trea-

## WENT TOBogganing

The girls—ten in number—of the Department of Agriculture here, enjoyed a toboggan party last night on the hills back of the city, and following this they returned to the city and partook of luncheon at the Imperial.

To Seek Incorporation  
T. H. Whalen gives notice in this week's Royal Gazette that application will be made at the approaching session of the Legislature for the passage of an act incorporating the New Brunswick Mink Breeders Association. The object is to encourage the raising and domestication of mink.

Mid-Week Market  
Stove and furnace wood was the principal commodity offered for sale in the city market this morning, about twelve loads being disposed of. The market was not a very large one. Apples sold at from \$2 to \$5 a barrel, potatoes for \$1.50 butter for 35 cents, eggs 45 cents, pork at 16 cents and fowl for 30 cents.

A Good Egg Yield  
Judging by the showing made by twenty contest pens of hens at the Fredericton Experimental Station last week, there ought soon to be a substantial drop in the price of eggs. The aggregate yield last week was 708 eggs, which is said to be a record breaker for January at this station. A pen belonging to J. E. Monahan of Charlotte County led with 53 eggs which scored 54.4 points. The Experimental Station pen was second and a pen belonging to Clarence R. Searle was third. The Searle pen leads the contest with 476 eggs and 427.5 points

Cold Storage Plant  
Letters patent have been issued to John B. McNair barrister, Leonore M. Gerow, accountant and Selena E. White, stenographer incorporating them as "The Hygienic Cold Storage & Company Limited. The object is to engage in the cold storage business in all its branches, to install ice manufacturing plant, and to build or acquire and operate hockey, skating and curling rinks. The capital stock is to be fifty thousand dollars, and the head office is to be at Barker's Point.

Play Here Tonight  
Six skips of the Fredericton Curling Club play the St. Andrew's Club of Saint John here tonight at the local Curling rink. The rinks will be composed of skips as follows: F. P. Hatt, Walter Limerick, T. A. Belmore, T. A. Wilson, Charles R. Barry, and Harry E. Fowler. The date of the Fredericton club's bonspiel and banquet has been set for January 26th. At a bonspiel at Moncton for January 27th, Fredericton will be represented.
