CLARENCE MITCHELL WON HIS FOURTH GAME AS GIANTS WIN FROM ROBINS

New York Giants Defeat Robins 6 to 3—Wilson Clouts Homer for Cubs as They Claw Reds, 13 to 1—Brandt Beat Phillies—Senators Defeat Yanks—Red Sox Surprise Macks.

New York, May 4—Clarence Mitchell, veteran southpaw spitball pitcher, won his fourth straight start as the New York Giants defeated the Brooklyn Robins, 6 to 3, to even the Brooklyn series today.

Hack Wilson and Les Bell knocked out home runs and Cuyles and Hornsby got three hits each as the Cubs slugged out a 13 to 1 victory over the Cincinnati Reds in the first game of the Chicago series.

Ed Brandt, Braves' southpaw, held the Phillies to three hits at Boston to annex his fourth straight victory, 4 to 3, and even the current series at one-all.

Pinky Whitney, Phillies' third sacker, repeated his feat of yesterday by hitting a home run in his first time at bat.

New York, May 4—The Washington

Senators once again cast their spell over the New York Yankees, winning today's game, 7 to 3. The victory was the Senators' 21st triumph in the last 26 games played with the Yanks.

The Browns made it two consecutive victories by defeating the Cleveland Indians at St. Louis, 3 to 1. It was the first game for the Browns after a trip that left them occupying the last position in the American League percentage column.

The Tigers made the best of eight hits and four White Sox errors at Detroit to win, 9 to 3, in the opening game of a series with the Chicago team.

The Boston Red Sox, in their first meeting of the season at Philadelphia with the Athletics, clubbed four Mack pitchers for 15 hits today and won the opening game of the three-game series by a score of 7 to 5.

SHARKEY-CARNERA

New York, May 4—The New York State Athletic Commission Saturday announced it would give titular recognition to the winner of the Jack Sharkey-Primo Carnera bout at Brooklyn, June 6.

Max Schmeling, recognized in most states as the heavyweight champion, was dethroned by the New York commission recently for his failure to defend his title. The body will recognize the winner of the Sharkey-Carnera go as the heavyweight titleholder.

Meanwhile, the Madison Square Garden Corporation of Illinois, has started injunction proceedings to halt the fight. The corporation claims that Carnera has a contract with it which calls for Carnera's services until September and that he did not obtain the consent of the corporation for the Sharkey match.

THE STRANGLER IN MONTREAL WITH DEGLANE

Montreal, May 4—Ed. Strangler Lewis who recently defeated Don George for the world title, will defend it against Henri Deglane at the Mount Royal Arena tonight. Both wrestlers have made a deposit of five thousand dollars as a guarantee of good faith in the hands of the athletic commission. Those who know the French wrestler are sure that he will put on a brave appearance against Lewis and that the latter will soon realize that he is not alone in the ring.

In the meantime Lewis meets all comers and the fact that he has agreed to meet Deglane here is a proof that he rates his ability pretty high, owing to the fact that a defeat in the hands of Deglane would ruin his plans for a long time to come.

Was A Draw

Last year in a match between the two, Lewis took the first fall in an hour and thirty minutes, Deglane retaliated with a fall in twenty minutes and the remaining time for the match, elapsed without any further damage on either side, the bout being declared a draw. This time there is no limbo and the victory will be the end of the match.

Promoters Lucien Rippe and Louis Letourneau have added to this attraction three more bouts between some of the best wrestlers of the continent. In another bout to a finish, Vassell will oppose Bibber McCoy, the famous Holy Cross athlete.

The semi-final between Stasiak and Lutze, should provide spectacular grappling unless the police force put an end to it as they did in Toronto lately when they met in the main bout. It is scheduled for one fall or 45 minutes.

In the opening bout, Zarynow will meet Wykoff. Both are clean wrestlers and their tremendous speed mixed tackle should provide one of the fastest bouts of the evening.

The original opening match Beaucaire vs. Mason has been cancelled owing to an injury sustained by the latter while in training.

Lewis Beaten

Montreal, Que., May 4—Henri Deglane, Montreal, defeated Ed "Strangler" Lewis on a foul here tonight in a wrestling bout billed as a world's championship. Deglane won the first fall in 32.15 and 9.33 later the Montreal boxing commission disqualified Lewis for biting his opponent.

Five doctors registered with the commission examined the French Canadian after the match and stated that she showed marks of having been bitten in the arm.

SPORTING BITS

Due In Hollywood

San Francisco, California, May 4—A report that Mrs. Helen Wills Moody tennis champion, was headed for Hollywood and a possible \$150,000 contract to make motion pictures, was confirmed inferentially yesterday by her husband, Frederick Moody Jr.

Told that dispatches from Southern California said that Mrs. Moody was due in Hollywood yesterday to confer about a contract, Moody said: "Well, that is slightly wrong; she leaves tonight and will get there tomorrow." He did not deny, however, that a conference with picture officials is Mrs. Moody's mission.

Asked if he felt free to confirm or deny the report, Moody said "No."

In Ohio Meet

Columbus, Ohio, May 4—The eighth annual Ohio relays opened at Ohio State University Saturday, with the running of 6 events for Ohio colleges and high schools.

Approximately a half hundred of the nation's leading university and college track teams were gathered here for the main events on the program, which started today in the towering Ohio Stadium. A warm sun favored the meet Saturday.

The meet opened with the establishment of six new records, two in the division for high schools. De Armond Huston, of Denison University, set a new mark in the 100-yard dash, stepping the stretch in 9.7 seconds.

Hamilton, Ontario Central Collegiate Institute won the Prep School mile relay. Time, 3.29.2.

"Bats are reported flying about Chicago." Maybe it's because their belfry left town, after losing out at the election.

RAMBLES IN SPORT

Advices are that Saint John, Fredericton, Halifax and Charlottetown are taking the initiative in the formation of a Maritime Harness Racing Circuit to replace the Maine & New Brunswick, which recently split up. Moncton, Amherst and Truro also are prospective members of the new circuit with additional P. E. I. tracks ready to join too.

Hack Wilson is being highly shadowed by the dashing play of Rogers Hornsby on the Cubs' roster, at second base and managing the club. Wilson is said to be Hornsby's mortal enemy, and he is hitting way below his 1930 form. If Hack has that kind of disposition, he may not return to form this season at all under his old time enemy. And if he doesn't, it isn't going to do the Cubs any good. This despite the phenomenal play of the Rajah, who is going a breeze at present writing.

Hornsby by the way, is having better luck with the Cubs than Joe McCarthy is having with the Yanks, with his "poof of cripples", as Buz O'Meara in the Star tells us.

All eyes are now on the big bowling tournament which started in St. John today. The local Palace Alley team has the usually good entry, and the personnel of the team is practically the same as in other years. Kierstead, Lawlor, Pugh, King and Kitchen are about the best, and most reliable bowlers in the city.

A grist of hockey players are ex-

pected in the capital this week and next. McArthur, Gammon and Bubar are the only ones here as yet.

The Boston Nationals are up in the top of the heap as usual. They are the perfect type of club that "blooms in the spring." The Red Boston Red Sox are more consistent.

Cleveland Indians seem to be the big surprise so far and may prove awfully dangerous before the American League flag is clinched. If that Ferrell youth continues at the rate, he started, the Athletics, Yanks, Senators and White Sox will have plenty of tremors.

New York, N. Y., May 4—Jim London, claimant of the world's heavyweight wrestling championship, defended his title claims, which are recognized in some states, against Ray Steele, of California last Saturday night in the main bout of the benefit show at Madison Square Garden, held for the benefit of the House of Calvary Cancer Hospital. London threw Steele with a reverse headlock and body scissors after an hour, 22 minutes and 31 seconds of wrestling in a finish match. The crowd was estimated at 14,000.

ACHES

There's scarcely an ache or pain that Aspirin will not relieve promptly. It can't remove the cause, but it will relieve the pain! Headaches. Back-aches. Neuritis and neuralgia. Yes, and even rheumatism. Read proven directions for many important uses. Genuine Aspirin can't depress the heart. Look for the Bayer cross;
