# CHARGES IN THE HOUSE Alleges That There Was a Huge Waste of Public Money in Connection With Munition Contracts---

Government Opposed to an Enquiry. Ottawa, March 14-The sincerity of the statement of Sir Robert Borden eral, was again put up to make the

effect that if any member of the ter. At the very outset he said that House on his responsibility of a nem he "had no intention of treating the ber would stand up in his place and alleged charges seriously," a thing make a formal charge against any wasn't necessarily a charge because member of the government in connection any man denominated it as such. tion with the Canadian shell trans- There was also a difference between actions a full and free investigation irregularity and fraud. It was charg would be made, was put to the test ed that the committee had let contoday.

HUN, UR.

ing the gravity of the charges, "said the House call that fraud? It was Hon. Dr. Pugsley this afternoon, alleged that they had wasted \$80,-"and realizing further that if the 000,000. Such charges had been charges are not proven the n an who brought against the present governmakes them will be treated with con- ment every day by the opposition. tempt, I now rise in my place to make such charges." There had been unnecessary delay. Well; Lloyd George himself had admake such charges."

were to the effect that under the \$22,000,000 contract for fuses had supervision of the minister of militia been let through Colonel Allison to the Canadian Shell Committee Lad American firns. let contracts without tender, or "Call that a charge if you like competition, had let at enormous said Mr. Meighen graciously, "a cers and directors; had wasted at that amount to?' least \$80,000,000 of the money of the \* Thus, with a flick of the finger, the people of Great Britain and Canada; whole fabric was disposed of to the 000,000 worth of fuses and had ad- by the prime minister could possibly vanced \$3,750,000' in cash; without be fulfilled. having secured a single fuse, and that all these things had been done with the knowledge and connivance the meantime, the Ten Commandof the minister of militia.

### BLUFF IS CALLED.

It would seem that the conditions washing their hands in blood money, laid down by the prime minister had are to be allowed to continue this been fulfilled and yet there probably type of abultions until the Allies wasn't a man in the House who have blasted the Germans out of doubted what the answer would be. Belgium.
