In times of depression it is hard to find a cheer leader outside the football stadium.

If everybody were to become honest overnight there would be no employment for locksmiths.

Of Interest to Women

MY NEIGHBOR SAYS

Freshness of fish can be determined by the elasticity and firmness of the flesh. The color, of course, is a valuable aid.

When making bread never put hot water on yeast cake, as it kills the yeast plant and consequently prevents bread rising. Use lukewarm water.

A tasty soup can be made of leftover peas, beans or carrots cooked slowly for 20 minutes and then mashed and added to a thin white sauce, highly seasoned.

If the oven is very hot put a piece of waxed paper under the casserole cover. This will prevent the contents of the casserole baking too quickly.

Rings left in clothing after it has been cleaned with gasoline may be avoided if a pad is put under the spot before gasoline is applied. Rub from the circumference of the circle toward the centre. Rubbing around a spot is more necessary than rubbing on it. Always rub dry.

If you have difficulty in shaping clover rolls try rolling a teaspoon of dough into a ball, then make two more just like it and put together in muffin pan. Just before putting into oven put a small piece of butter in the center of roll. This will keep sections separate.

FUDGE CAKE

4 squares bitter chocolate
5 tablespoons boiling water
1-2 cup butter
1 1-2 cups sugar
1-2 cup milk
1 3-4 cups sifted flour
1-2 teaspoon salt
1 teaspoon baking powder
2 teaspoons vanilla
Shave the chocolate and stir into the boiling water. Cream shortening and beat in the sugar, then beat in the egg yolks and the melted chocolate and vanilla. Add the flour, sifted with salt and baking powder, alternately with the milk. Fold in the beaten egg whites and bake in layers or loaf as desired.

FUDGE FROSTING

2 1-2 cups confectioner's sugar
1-2 cup cocoa
3 tablespoons hot cream
1 teaspoon vanilla
Mix the sugar and cocoa, then add the cream, a little at a time and beat as you mix. Stir in the vanilla. It may be necessary to add a little more cream. The icing should be about as thick as fudge and should be spread on cake while that is hot.

BAKED APPLES, BON FEMME

A new flavor in baked apples
Core large apples. Put into a greased baking dish. Fill cavities with apricot jam or orange marmalade. Sprinkle brown sugar over the top. Put a piece of butter on each apple, add a small amount of water and bake in a moderate oven until tender, basting frequently. Serve with cream accompanied by ginger snaps. We very often have a request for a recipe for prune whip.

APPLE CUSTARD

1 1-2 cup scalded milk
3 eggs
1 cup strained sauce
1-2 cup sugar
Dash nutmeg
This will delight the children. Pour scalded milk onto beaten eggs. Stir in apple sauce which has been mixed with sugar. Turn into custard cups, sprinkle nutmeg over the top, set cups in a pan containing an inch of water and make in a slow oven, 300 degrees Fahrenheit until firm, about one hour.

Why do most prophets speak in hollow tones? To them the distant view ever is without enchantment, and they seem to get pleasure from forcing their state of mind upon others. Always the worst is going to happen—but never does

PRUNE WHIP

8 large cooked prunes
1-4 cup sugar
2 eggs whites
Few grains salt
Mash prunes with fork, sprinkle with sugar and continue mashing until sugar and prunes are well blended. Fold into egg whites beaten stiff with salt. Chill thoroughly and serve with a soft custard sauce. Here again, ginger snaps make a good accompaniment.

ORANGE PINEAPPLE SPONGE

1 1-2 teaspoon gelatin.
1-4 cup cold water
1-2 cup boiling water
1 teaspoon lemon juice
Few grains salt
1-4 cup sugar
1-2 cup canned pineapple juice
1-2 cup orange juice
2 egg whites
Soften gelatin in cold water. Dissolve in boiling water. Add sugar, salt and fruit juices. Chill. When jelly starts to congeal, beat until frothy. Fold in egg whites beaten glasses, garnish with pieces of canned pineapple and with preserved strawberries. Chill thoroughly and serve with a soft custard sauce and this time with chocolate cakes or cookies.

DOG TREES A LARGE BEAR

Canton, Pennsylvania, Dec. 3—Clyde Speary and his shepherd dog went hunting for squirrels.

Speary sat down to wait for one to appear. He noticed his dog was excited. The dog picked up a scent and trailed it over the top of a ridge. Speary followed. The dog had treed a bear.

Speary and his dog went home with a bear instead of a squirrel.

GIVES DONT'S FOR PARENTS

SUBDUES WHISTLE

Paris, Dec. 3—French locomotive drivers have been asked to cut down their whistling, not because an American professor said only morons whistle, but as part of an anti-noise campaign.
