MY NEIGHBOR SAYS

Silver will not tarnish readily if a small piece of camphor gum is placed with it when stored away.

Before setting a hot sauce away to cool, place bits of butter to melt over the surface to prevent a film forming on top of sauce.

Save bits of soap until you have a pint add glycerine or oatmeal for toilet use; to the rest add borax or naphtha for laundry use, or finest sea sand for scouring purposes.

To make window cleaning easy dip a piece of chamois in hot water, wring it and go all over the pane with it, turning the chamois frequently. No rubbing with dusters is required as the pane will dry with a beautiful polish.

If the sink is at all greasy try the following plan: Dip a piece of flannel in kerosene oil and rub all over the surface of the sink with it. Then wash well with warm water and soap and leave the cold water faucet running for a few minutes. This helps to clean the pipes as well as the sink.

As soon as fruits and vegetables reach the home they should be looked over and all imperfections removed, and then placed in covered jars or wrapped in oiled paper and placed on one of the upper shelves of the electric refrigerator. Radishes, and celery which have lost their crispness may be placed in a bowl with ice cubes and left in refrigerator for a few hours, then drained and put in a covered jar or wrapped.

PRUNE ICE CREAM

1 cup milk
1-3 cup sugar
1 tablespoon lemon juice
1 cu cream or evaporated milk, whipped
2 eggs, separated
1 cup prune pulp
1-8 teaspoon salt

Scald milk in double boiler. Beat egg yolks with sugar and pour hot milk over them, stirring continuously. Return to double boiler and cook until mixture coats spoon (about 5 minutes). Cool. Add salt and lemon juice to prune pulp. Blend thoroughly into custard. Fold in stiffly beaten egg whites and freeze in electric refrigerator. If freezing is done in regular freezer, whole eggs may be as the egg yolks are used. This makes six servings.

Assuming Mr. Gandhi will wear pants in London, as promised, his is the kind of figure that calls for both suspenders and a belt.

Nostrils tainted by Catarrh Quickly Spread disease

If your nose is unclean, or even tainted with the germs that cause colds and catarrh, you are likely to spread diseased conditions to other members of your family.

Most colds start in the nose. Stop them in the nose and you avoid lots of trouble later on. The most effective disinfectant is the healing vapor of Catarrhazone. The medicated vapors of Catarrhazone spread a thin film of healing oils over the entire breathing apparatus. It cleans away mucus discharges, stops spitting and sneezing, does away with headaches, coughing, throat trouble and catarrh. To prevent winter ills, to stop sniffles, to heal and strengthen the nose and throat, use Catarrhazone. Complete outfit you can secure in any drug store or one dollar. Smaller size 50c.

MEXICO WILL SHIFT ITS CLOCKS

Mexico City, May 1—Mexico will go on "official" time May 1 when clocks in Mexico City and other points will be set ahead one hour. The difference then between Mexico City and Eastern Standard Time will be one hour and between Mexico City and New York daylight saving time two hours. Six months ago official time in Mexico was supplanted by astronomic time, but it has been decided in summers hereafter to observe "official" time which will be, in effect, daylight saving time.

HE CAUGHT THE FISH, BUT—

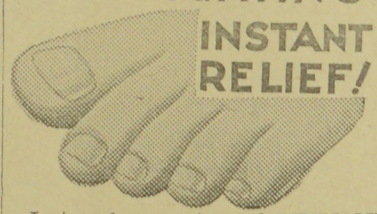

Hammond, Ind., May 1, —This is a fish story based upon a tale by Hugo Volkman.

In landing a pickerel yesterday he sprained his ankle, fell to the bottom of the boat, injured his scalp, wrenched his back and neck in arising, lost his false teeth, then toppled into the lake.

When fellow fishermen pulled him out Hugo was holding on to the fish.

CHAPLIN NOT TO VISIT JAPAN

Nice, France, May 1—Charlie Chaplin said today that he had abandoned the idea of a trip to Japan and would return to the United States from France. He found Algeria too hot for comfort at this season.

He will remain in Nice several weeks, finishing a scenario on which he is working. He is suffering from a slight attack of lumbago.

Knee-Joints Were Sore; His Ankles Swelled

A Thin, Amber Colored Liniment Was Rubbed On and Pain Disappeared

"My knee and ankle joints bothered me a lot—they were a bit swelled and quite painful. I got great benefit when I rubbed on Nerviline. It is a strong liniment, and destroys pain quickly. I could feel Nerviline sink in deeply. It went right after these pains that had made my joints so sore. I urge all sufferers from rheumatism to faithfully try out Nerviline." This was the experience of E. H. Hillyard, well known in the City of Georgetown, for trial. Write him for one quick.
