HONEYCOMB LEGS

Honeycomb legs are in vogue. They are wearing fishnet fantasia stockings with a great, big mesh, and they're wearing them in the daytime as well as in the evening. Black is however, reserved for evening wear because it is too startling at other times, while other shades for evening are ivory and beaver. For daytime there are polo, gypsy beige mink, beaver and dijon.

THE SUIT FEVER

Paris is flirting with the idea of separate skirts for suits. That is, two or even three skirts with the same coat. She realizes that thus she can have a lighter coat with a darker skirt, and vice versa, plus a coat with a skirt of contrasting shade. Paris, in fact, is perfectly feverish over spring suits—more power to her.

WHITE ROSE CAKES

1-2 cup butter
1 cup sugar
1-2 cup milk
1 1-2 cup milk
1 1-2 cups flour
3 teaspoons baking powder
2 egg whites
1 teaspoon rose extract

Cream the butter and sugar; add alternately the milk and dry ingredients sifted together; fold in the stiffly beaten egg whites and add the extract. Bake in buttered patty pans in a moderate oven 350 deg. F., for about 20 minutes. These cakes are especially nice frosted with a pink icing and decorated with a sugar rosebud.

LEMON ICE BOX CAKE

1-2 cup butter
1 cup powdered sugar
1-4 cup milk
1-4 cup granulated sugar
1 1-2 tablespoons cornstarch
3 eggs, separated
Juice of 1 lemon
Grated rind of 1-2 lemon
Lady fingers or sponge cake slices
1 cup whipping cream

Cream butter and powdered sugar together. Cook in double boiler until smooth, milk, sugar, cornstarch and egg yolks. Add lemon juice and grated rind just before removing from the fire. Add butter and powdered sugar creamed together. Fold in beaten egg whites. Line bottom and sides of a mold or spring form with ladyfingers, separated or thin slices of sponge cake. Spread a layer of filling over ladyfingers, add another layer of ladyfingers. Repeat until the ingredients have been entirely used. Place in refrigerator for 24 hours. The filling will soak the ladyfingers and all will solidly. Cover with whipped cream an hour or so before serving.

The Desert In Springtime

(From the Los Angeles Times)

Here at the mountain's base the wild flowers grow,
Budding in shades of softly tinted blue,
Cupped at the dawn with gleaming drops of dew,
At even touched by shadows fringed with snow;
There are no sounds, save of the stream below,
To silence shatter or to silence woo,
As sunlight with an everchanging hue
Gilds bloom with bloom and sets the sands aglow.

Intangible as beauty is, there seems
To be a moment in the early spring
Expressive of the theme to which all earth
Has lent its aspirations and its dreams;
A little space in which the heart may sing
Its glad hosannas for the flowers' rebirth.

MABEL W. PHILLIPS.

SPRING SONG

(From the Holt Rustler)

If the paper's not so good this week,
We beg our readers' pardon.
The fault is wholly with our wife—
She's had us making garden.

ROY E. POWELL.

One of the largest copra planations in the world is at Tauviuni in the Fiji Islands.

There is much beauty in the thought that people don't have to pay taxes on spring.

MILBURN'S HEART AND NERVE PILLS

Price 50c a box

Miss Theresa M. Bavary, Gallingertown, Ont., writes:—"I was troubled, for almost a year, with my heart and nerves, especially on retiring at night when I would be unable to sleep for hours. I was easily fatigued, and became very excitable and irritable. A friend recommended Milburn's Heart and Nerve Pills and after taking them for a few weeks I could enjoy a good night's rest, and rapidly regained my former state of health."

Sold at all drug and general stores, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

May Night

My heart look not on loveliness tonight
Lest beauty leave you suddenly confounded;
Guard well your eyes against a dazzling light
The spirit may not bear. Be wisely bounded
By shrewder barriers than Night has laid.
Be circumspect, my heart, and do not roam
Lest you be found bewildered and afraid
Of roads that bring no traveler safely home

It will be safer, doubtless, on the morrow
To venture forth with unexpectant eyes.
Tonight you go forth a beggar in disguise
To gape alone at loveliness in flower—
Be wise, my heart, and bride at home this hour!

SIDNEY KING RUSSELL, in New York un.

If we ever had to travel at the rate of 103 p.h. in a motor boat it would probably be a hospital with some grave malady, and the ride would kill us anyway.

We are interested now in figuring out how much tougher a small boy farther up the street is going to have to become before his fond mother stops alluding to him as "lamb."

FASHION HINT

"How to make old short skirts conform to the new length was a problem to me until I hit on this plan. I dropped the hems; and as the part that had been turned under was darker than the rest, I re-dyed the entire dress, after having bleached the goods, following directions in the Diamond Dyes package.

"I used Diamond Dyes for the re-dyeing, of course. I have dyed many things with these wonderful colors. They have saved me many dollars and have never failed to give perfect results—smooth, even colors—fast to wear and washing. Friends think my things are new when I re-dye or tint them with Diamond Dyes. They do give the most gorgeous colors!"
