DR. COFFYN'S MAORITY IS NOW ONE BETTER

Bathurst, Nov. 22—The recounting of the ballots cast in the Gloucester county by-election on Oct. 26, to fill the vacancy in the N. B. Legislature caused by the death last December of John P. Lordon, of Bathurst, Opposition, was concluded before Judge H. F. McLatchey here yesterday morning and in the afternoon, His Honor issued a certificate to Sheriff Poirier deputy returning officer, that he had found 7,485 votes cast for Dr. W. H. Coffyn, Government candidate, of Bathurst, and 7,391 for F. T. B. Young, Opposition candidate, of Caraquet, thereby giving Dr. Coffyn a majority of 94, one more than he had when declared elected on declaration day, Nov. 2.

There were 45 rejected Coffyn ballots and 33 Young ballots. Mostly all were rejected on account of two or more being in one envelop.

Both candidates were present throughout the proceedings yesterday. There were 82 boxes in the 36 polling sub-divisions. Objection to the 57 Coffyn ballots cast in Lower Caraquet was renewed yesterday and after hearing H. C. Ramsay, on behalf of Mr. Young, and J. L. Ryan, on behalf of Dr. Coffyn, Judge McLatchey ruled that since the ballots were on white paper and printed on black ink, and since the Election Act was silent as to the size and form of the ballot, he felt bound to count them, the law being mandatory and not directory.

After receiving the certificate from the judges, Sheriff Poirier declared Dr. Coffyn elected.

Last evening the Bathurst band and a large number of his followers assembled in front of the doctor's office and serenaded him.
