Rocking chairs like to travel. To prevent this, glue a narrow strip of velvet on the part of rocker touching the floor.

White curtains that have become yellow and brown from the sun can be dipped in diluted coffee and become a pretty ecru. The darker you wish the coffee should be.

If when ironing starched pieces the iron gets sticky, it is because the articles are too wet or too much starch has been used. To remedy this, rub the iron with a cloth dipped in paraffin every time it is taken off the fire.

Worn sheets which can no longer be turned and darned may be used to cover ironing boards, and old blankets make good padding. Long strips of old linen sheets may be set aside as bandages tightly rolled up, fastened with a safety pin, and enclosed in blue dust-excluding paper until they may be required.

In making white sauce, put the required amount of milk into saucepan, throw the flour on top lightly and beat it in with egg beater. Then add butter and salt and cook as usual. This is easier than trying to mix flour with butter or stir it into the milk, and it makes a perfectly smooth sauce.

Fat meat, though very nourishing, is often objected to by children. In such a case try giving it to them in this way. Cut off the fat before the joint is cooked, chop or mince it finely, mix with double the weight of flour, make into a paste with cold water, form into balls and boil for one hour. Served with either gravy or jam this is delicious and children will generally eat it readily.

PUTNAM'S
does *Catarrh*
make your *EARS* buzz?
Is your Hearing Poor?

If your ears ring and buzz with loud noises it is an infallible sign of Catarrh, and if not checked may result in partial deafness. The simplest remedy is CATARRHOZONE—inhale its soothing vapor a few times daily, and it prevents Catarrh from spreading. Head noises, buzzing and ringing in the ears are soon corrected by CATARRHOZONE. Nasty nose discharges are stopped. Sore, inflamed crusts are healed. Sickening mucus which drops back from the nose to the stomach is done away with. Headaches depart. The breath is purified. You will be free from colds, coughs, sore throat and catarrh if you use CATARRHOZONE. Two months' treatment, \$1.00; small size, 50c. At all dealers.

solve the gelatine in it. Season carefully. Half a teaspoon of sugar will bring out the flavor of the tomatoes and they will need a good teaspoon of salt and half a teaspoon of Worcestershire sauce. Pour out into a square pan and don't have the jelly more than half an inch deep. Chill. When firm and ready to serve cut the jelly into narrow strips and put together sandwich fashion with cream cheese spread between and serve on crisp lettuce with mayonnaise.

APPLE DELIGHT

- 4 or 6 cooking apples
- tablespoon sugar for each apple
- 1 lemon
- Bread crumbs
- Butter

Core the apples and pare leaving a narrow strip of skin around the center of each. Fill the centers of the apples with the sugar after placing them in a buttered baking dish, pour the strained juice of the lemon over them and add half a cup of water to pan. Sprinkle top with bread crumbs, cover and bake. Serve with hard sauce or syrup.

SALAD CLUB SANDWICHES

- 1-2 cup minced chicken or other cold meat
- 1-2 cup finely diced celery
- 1-4 cup mayonnaise
- 1 chopped hard-cooked egg
- 1-4 cup stuffed olives, chopped

Mix all ingredients, spread between two slices of toast or in heated, buttered rolls. Serve on crisp lettuce, garnished with slices of sweet pickle.

Eternal Dream

(From the Los Angeles Times)

Now spring's eternal spinning wheel, Will weave her sunbeam silks about, For gypsy summer days to steal And wear the sheer blown fabrics out.

The hills are deep with hallowed stains Of lurid dyes that dance and run— As though cathedral window panes Were held between the earth and sun.

The mocking bird now sounds her flute In those unsullied rhapsodies— Heard once ere Eden's songs were mute In dawns of past eternities.

From out the blue of heaven's plain The morning light is shot with gems. Each night the sunset skies with rain With endless colored diadems.

No joy or pain may I forget— But Aeons hence when in the spring, God spins the rose and violet, Oh, let me dream, remembering.

CYRUS C. JOHNSON.

ELECTRIC TRAIN SIX INCHES LONG

Paris, May 22—The smallest electric train in the world, measuring only six inches in length, has just left Paris for London, where it will be shown among the Model Railway Exhibits at the Central Hall, Westminster.

This little train runs on eight volts, and was made by an American. It is a perfect model of a Pennsylvania electric railway train, with seats, cushions, windows and even handles beautifully fashioned.

GANG INCOME IS SIX MILLION

Chicago, May 23—There is a gang in Chicago, whose income in four years has been more than \$6,000,000, United States District Attorney E. Q. Johnson said last night. His hearers presumed that he was referring to the syndicate of Alphonse Capone, the gang chief, although no mention of Capone was made.

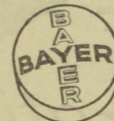

The Federal prosecutor spoke before the Rogers Park Men's Club, asserting that the gang's income, as learned by Government auditors, was \$1,717,552 in 1925; \$930,492 in 1926; \$1,787,436 in 1927, and \$1,641,979 in 1928.

Johnson said the gang's apparent "hard times" in 1926 were due to the efforts of Mayor Dever to curb lawlessness.
