Of Interest to Women

LENGTH OF SKIRTS

How long shall we have our daytime frocks? We hear one thing and another, from various sources, and hardly know what to do with our new frock hems because of the diversity of opinions that swept Paris during the latest collections.

Now, we sit back and ponder the skirt-length question. It is twelve inches form the ground for all our daytime things. This takes us up to our formal afternoon functions, when we get picturesque and have leisure to manage our trailing skirts.

Last season's accepted daytime length was thirteen inches, so longer skirts do prevail. I wonder now, if by adding length to our clothes slyly, a half inch or an inch at a time, the couturiers are planning to gently but firmly accustom us to longer skirts for daytime? Maybe this is a pretty good idea, too, for we grant the attractiveness of longer skirts even though we can't negotiate street cars and busses so well in them!

SLIM WRISTS INSPIRE SHORT GLOVE'S RETURN

New York—The one button glove and the short gauntlet are back in style. The vogue for slim wrists has caused the modish moderns to adopt short gloves again. Many of the newest designs are edged with an inch-wide band of fur at the wrist in keeping the elegant mode.

MY NEIGHBOR AYS

When washing ceilings or walls tie a rag around your wrist. This will catch the water that runs down and will prevent it running down your arm.

Dry celery leaves and parsley, then pulverize. Keep in salt shakers. They are worth the trouble to prepare and make a tasty garnish.

To remove peach stains from linens stretch the stain across a bowl and pour boiling water through it until the stain disappears.

Few people know how to hang sheets properly on the line. Shake them well while still wet and hang them with the hems together and the hemming pinned to the line. This prevents whipping the corners and lessens the wear and tear, while the shape for ironing.

PIE CRUST

For one medium-size double crust pie: 2 cups pastry flour, ½ cup shortening, ½ teaspoon salt, ice water as needed. Sift flour and salt and cut in shortening. Add enough water to hold dough together. The results. It is better to chill the pastry before rolling out. Divide the dough and roll out each crust separately. For pie shell bake at 450 degrees Fahrenheit from 12 to 15 minutes.

PINEAPPLE MALLORET

Twenty marshmallows, 1 cup juice from canned pineapple, 1-3 cup water, 2 tablespoons lemon juice, 2 teaspoons sugar, ¼ cup eggwhites, few grains salt. Put pineapple juice, water and marshmallow over hot water and steam to liquid stage. Add lemon juice and one half the sugar and set aside until slightly chilled. Add remaining sugar and salt

*Does Catarrh
make your EARS buzz?
Is your Hearing Poor?*

If your ears ring and buzz with loud noises it is an infallible sign of Catarrh, and if not checked may result in partial deafness. The simplest remedy is CATARRHOZONE—inhalant its soothing vapor a few times daily, and it prevents Catarrh from spreading. Head noises, buzzing and ringing in the ears are soon corrected by CATARRHOZONE. Nasty nose discharges are stopped. Sore, inflamed crusts are healed. Sickening mucus which drops back from the nose to the stomach is done away with. Head aches depart. The breath is purified. You will be free from colds, coughs, sore throat and catarrh if you use CATARRHOZONE. Two months' treatment, \$1.00; small size, 50c. At all dealers.

to white of eggs. Whip them very stiff and combine with foundation, mixing very thoroughly. Pour into tray and freeze without stirring.

BARBERRY JELLY

Take as many barberries as apples. Core and quarter but do not pare the apples. Put apples and berries in preserving kettle and water to the top of the fruit. Boil until the apples are soft and then strain, without pressing, through jelly bag; boil the juice twenty minutes, measure the juice and add an equal quantity of sugar. Boil about ten minutes or until it jellies; pour into glasses and seal. Delicious with cold meats.

FRENCH TOAST

Six pieces stale bread, 3 egg yolks, 1 teaspoon sugar, ¼ teaspoon salt, ¼ teaspoon paprika, 1½ cups milk, 5 tablespoons fat. Beat eggs in shallow dish. Add sugar, salt, paprika and milk. Use fork for beating. Dip bread slices in egg mixture and brown in fat which has been heated in frying pan. Turn and brown other sides. Serve with confectioner's sugar, honey or maple syrup.

U. N. B. DEFEAT CITY IN MacTIER CUP GAME

(Continued from page six)

As it was, this final score, practically decided things.

Young "Did" Burke's interception of a City pass near the Red and Black line, was a feature here. He raced for fifteen yards before he was downed. But he carried the ball out of dangerous territory, for the Green and White were forcing the play hard at this point. Bus McLenahan, tried a field goal, from in front of the City goal, which however, careened off by inches. It was a bold attempt, and drew applause from the crowd.

Fowler, at full for college, and Boone and Todd exchanged kicks. In the closing minutes of play Bull was given a penalty kick, but the ball rolled poorly off his boot. At various times City were near to safeties in this half, but U. N. B. always rallied in the pinch, and displayed their usual fighting spirit.

Coach "Burdo" Burden looks to have another fine team, and may uncover a few more stars before the season is over.

The lineups follow, City:—Fullback Boone, Three quarters, Gammon, Clark, Coveney and Burt; halves, Bull (Capt.) Todd and McAlenahan; forwards, Squires, Sterling, Kilburn, Vaughan, Atkinson, Coffey, and Hughes.

University of New Brunswick:—Full back, Fowler; three-quarters, Adams, Burke, McLeod, McLenahan, M. Watson; halves, Paterson, Chalmers; forwards, Oldham, Douglass (Capt.), Goodine, Pickard, Pond, Lee, and Hy-slop.

Referee, Egbert Cass.

Fence Gossip

Bus Woods and George Johnson were both out of the game for U. N. B., injuries forcing them from the game. Johnson, it is reported, is out for the season. (He would be a valuable man in the backfield, as Woods, an experienced player.

Many thought Bud Steen should have been on the City three quarter line. Bud's play against U. N. B. has always been good, and his tricky runs, might have resulted in scoring for the Green and White yesterday.

It seems to be a continuous war between Adams and Cohorts of the city. Adams, however, always seems to play an unusual good game against the City team.

The City might be said to be passing the buck in regards to tackles. Twice yesterday City men were out of position, and men were left uncovered to score tries for the Red and Black. We doubt whether the college expected either of those tries to materialize, particularly the last one, when Pickard wormed through unmolested. A slight push, as he was running down the white stripe, or any kind of a tackle would have saved that last try. And city players were clustered all about. Each one evidently expected the other to make the tackle.

Burden wore a smile of triumph after the game. The U. N. B. mentor hopes to defeat Caledonia on Saturday and take the MacTier Cup back.

SHERIFF FEEDS COWS HE SEIZED

Beacon, N. Y. Oct. 20—A herd of cows, which was supposed to belong to B. F. Bleck, who resides in a suburb of Beacon, and which was seized by Sheriff Cookingham in the execution of a judgment, caused embarrassment among the authorities today when a jury ruled that the cows did not belong to Bleck at all.

The jury ruled that seven of the cows belonged to Nathan Neuman, of New Hackensack, N. Y., and seventeen to Russell Baine, of Fishkill, N. Y. The Sheriff had the privilege of feeding the cows while their ownership was in dispute and now, in pursuance of his civil duties, he must return the bovines to their rightful owners.
