Nations in Accord On Emergency Plan To Rescue Germany

Seven-Power Statesmen's Parley Ends in Complete Understanding—Plenary Session Ratifies Agreement—Premier MacDonald and Foreign Secretary to Visit Berlin.

LONDON, July 23—The historic seven-power statesmen's conference ended today with complete accord on temporary emergency measures designed to save Germany from financial ruin.

The statesmen rose at 12.20 p. m., terminating the deliberations begun last Monday.

The British United Press was informed on reliable, though unofficial information, that the plenary session which met from 10 a. m. until noon approved the report of the finance ministers, suggesting ways and means temporarily to solve the German economic crisis.

To Make Hop

LONDON, July 23—Premier J. Ramsay MacDonald will fly to Berlin Monday after Foreign Secretary Arthur Henderson has started by train Sunday, it was announced officially today. Both will return Wednesday.

FISHING SLOOP LOST IN FOG OFF YARMOUTH

Yarmouth, N. S., July 22—Another day of dense fog and southwest gales has passed and as yet there are no tidings of the missing Centerville, Digby County motor vessel, Gerald D., Capt. Oswald Banks, which became disabled several days ago 25 miles southwest of Seal Island, while fishing. Owing to the heavy gale today none of the cutters stationed at this port were able to leave but the Canadian fishery patrol steamship Arleux, which was at Digby, was ordered out this morning in search of the missing craft.

The Gerald D. was stocked only for a three or four day fishing trip. The vessel has now been out a week and it is feared that should the craft be safely anchored riding out the gale Captain Banks and crew are becoming very short of food.

INDIAN CAUGHT A GOOD SIZED SALMON IN N. S.

Moncton, N. B. July 22—A 30 1/4 pound salmon measuring forty three inches in length and twenty inches around was caught on the West River, Sheet Harbor, N. S. by George McLeod, veteran Indian guide last week, according to information received by Mr. R. J. S. Weatherston, general freight and passenger agent of the Canadian National Railways here. It is claimed to be the largest fish ever caught in the Musquodoboit district landed with an ordinary salmon rod. A black dog (dry fly) and a No. 10 hook was used.

High Temperature

The official temperature today was recorded at 82 deg. above in the shade, although many private thermometers showed as high as 85 deg. A light breeze was welcome to crowds viewing the water sports.

Perhaps the trouble is not so much the hardness of the times as the softness of the people.

AMERICAN BANKS WILL STABILIZE GERMAN CREDIT

(Special to THE DAILY MAIL by the British United Press.)

London, Eng., July 23—American banks have already been organizing to stabilize German credit, secretary Henry L. Stimson told the press today after conclusion of the seven power sessions.

He said the work has been done under leadership of the Federal reserve system and that similar steps have been taken by the bank of England. Promise of the same kind of action has been made by the Bank of France and other creditors.

RATTLER AND KING SNAKE IN DRAW FIGHT

Chattanooga, Tennessee, July 23—Every year some one tries to get up a "snake-fight" somewhere in the land, and this year it was at the home of Bob Turner here.

A Tennessee rattler and a Texas king snake were the combatants, but the rattler merely tried to scale the ropes of the little squared ring while the king snake tried desperately to dig a hole.

It all ended in a draw, as so many snake-fights do, with the gallery yelling "baloney!"

PROVES CIVIL LAW SUIT COSTS PROHIBITIVE

New York, July 23—Litigation costs eats up approximately 70 per cent of the moneys involved in a civil law suit brought in New York, the Institute of Law of Johns Hopkins University reveals today in its study on that subject. An analysis of 527 cases indicated that it cost \$140.33 to collect \$201. This is divided at \$67 for the plaintiff and \$73.33 for the defendant. And above all this it takes two or three years to dispose of a case.

CARDINALS TALK OVER MUSSOLINI

(Special to THE DAILY MAIL by the British United Press.)

Vatican City, July 23—An extraordinary meeting of the Cardinals was called today by Pope Pius XI.

The meeting which began at 9.30 a.m. was understood to be in connection with the dispute between the Holy See and the Fascist government.

HOUSEHOLD REDUCING FAD CHEERS HUBBIES

London, July 23—Husbands of London are joyously acclaiming a new school of department which has "slim while you sleep" as the latest beauty slogan. Nearly every household duty is included in the beautifying course.

To the music of drum, castanet, or their own voices, lifted in folk song, women learn to wield the broom, the duster, the stirring spoon or even the dishcloth in a rhythmical way which is both slimming and beautifying.

When a woman learns to hold herself correctly while performing even the most everyday movements, the instructors say, the bugbear of middle age, the double chin, will disappear.

Some women lose several pounds of superfluous flesh in a fortnight others learn to relax their bodies, thus smoothing out worrying facial wrinkles.

SUPERSTITIOUS IN RUMANIA

Bucharest, Rumania, July 23—Superstition is depriving Bucharest people of the sight of Princess Ileana's wedding robe of satin crepe and silver tissue and her magnificent train exhibited together.

The fabricant who is making the train had suggested to the robmaker that both should be shown together at their respective houses on alternate days, but the robmaker was superstitious. It would be bad luck she said, for the trousseau to be seen complete before the wedding next Saturday.

Meanwhile the trainmaker is jealously guarding her delicate creation, which is more than four yards wide and two yards long and made of extremely fragile silver threads.

Princess Ileana has instructed the trainmaker an drobmaker to go to Sinaia to dress her with the assistance of Queen Marie.

LAYMAN CALLS TIME ON PASTOR

Thomasville, Ga., July 23—As a hot weather relief measure, the pastor of the Methodist Church here has agreed to limit his Sunday sermons to 20 minutes.

He even went so far as to let a layman stand by with a watch and bell and ring him off if he talked over the limit.

He gracefully sat down when "rung off" on his first attempt.

On account of a law that forbids cooking in apartment hotels, 20,000 kichenettes in Brooklyn, N. Y., will have to be converted into medicine closets or something.

MARTIAL LAW IN SEVILLE AFTER RIOT

Republican Government Seeks to Curb Labor Disturbances

CASUALTIES ARE MOUNTING

Many Arrested by Police As Anarchists and Reds

(Special to THE DAILY MAIL by the British United Press.)

Seville, Spain, July 23—The republican government resorted to martial law today through Seville province in an effort to quell violent labor disturbances which has spread destruction of life and property in the last 48 hours.

The death totalled 11 with at least 40 badly wounded. The police arrested 900 persons, who were described as anarchists and communists.

TRUMPETERS ARE SCARCE IN OLD COUNTRY

Lytham, England, July 23—Good jobs for girls are going begging. Mme. Eva Martin, director of the Lytham-St. Anne municipal women's orchestra, says girl trumpeters are scarce. All that blowing makes 'em stout.

FAST TALKER OVER RADIO

New York, N. Y., July 23—When Floyd Gibbons and Isaac Don Levine discussed Russia before an NBC mike each was given fourteen minutes to talk. The rapid-fire headline hunter spoke first, finishing on the dot. Levine, getting the glib Gibbons in fluence, read what he thought was a twenty minute script in eight minutes flat. They were forced to ad lib an interview for the final six minutes.

POCKETBOOK AS LIFESAVER

Poona, India, July 22—Sir John E. B. Hotson, acting governor of Bombay, narrowly escaped death today when a bullet, fired by a student, hit his coat just above the heart and was stopped by a metal stud of his pocketbook.

A second shot went wide. The Governor overpowered the youth, who was arrested.

A Matter of Taste

A Boston tourist who passed through the city today after a tour of Nova Scotia and New Brunswick, told an acquaintance here that he preferred overnight camps to hotels every time. He said that in one Nova Scotia town he visited he was unable to find even a decent restaurant. He added that the overnight camps and restaurants in Fredericton compared favorably with the best that he had seen.

A Fast One

The Frances K. the twenty-two foot motor boat recently imported from Peterboro by Walter G. Kitchen, has been given a tryout and has shown a thirty mile and hour clip. She is one of the naggiest craft on the river.

School Opening

The rumor prevalent among youngsters of the city that school opening would be placed over until after Labor Day has not been officially substantiated. A Board meeting will decide the matter in the near future.

Missionary in Jail For Killing Native Released Today

Shot Chinaman for Burglar and Was Lodged In Lockup by Authorities—Attempt on Life of Chinese President Made — Adviser Fatally Wounded.

PEIPING, China, July 23—Chinese officials at Thinanfu have released Dr. Francis Tucker, American missionary, whom they arrested for killing a Chinese, the American legation was informed today.

Dr. Tucker shot and killed a Chinese whom he believed a burglar entering the American board hospital at Techow, Shantung province, about two weeks ago. After agitation by the local Kuomintang (Nationalist) party branch, Chinese authorities seized Dr. Tucker and lodged him in jail at the provincial capital.

Shoot at President

SHANAGHAI, July 23—A futile daring attempt was made to assassinate T. V. Soong, Finance Minister and acting President on China, on his arrival by train from Nanking today. Soong was unhurt.

Yuloo Tong, an adviser in the Finance Ministry, was fatally wounded and several persons were injured, including one of Soong's bodyguard.

RESTIGOUCHE MAY GET ITS NEW BRIDGE

Ottawa, Ont., July 22—The Dominion Government is willing to enter into a discussion with the Province of Quebec and New Brunswick regarding the building of a bridge over the Restigouche River.

This answer was given by in the House of Commons by Hon. H. A. Stewart, Minister of Public Works, in response to a question from Hon. Charles Marcl (Lib. Bonaventure) as to whether the Dominion was willing to pay part of the cost.

Copies of Orders-in-Council authorizing the construction had been received from the provinces, Mr. Stewart said, and he was prepared to discuss the matter with them.

OSAKA TO HAVE HUGE STATION

Osaka, Japan, July 23—Construction of the largest railroad station in the far east is now actively under way here. The structure will cost approximately \$49,000,000. The first stage of the project was begun last year, and by December the concrete work of three of the five overhead lines had been completed at a cost of \$563,000.

These overhead lines will be connected by a concourse, 130 by 300 feet, work on which will start within a short time. The elevation of these lines is expected to be completed by the end of 1933, when the elevated system will be put into operation.

Water Drops

Water in the St. John fell 2 inches in the last 24 hours, according to a report of the Water Department. The present level is 1 foot 7 1/2 inches above summer low mark.

An insect has been discovered which seems to derive its sustenance wholly from tin. We must have the service station look over our light sedan for car weevils.

A PROPOSED NEW RULE WAS VOTED DOWN

Ottawa, July 22—By a vote of 35 to 13, the Senate last night defeated the motion of Hon. F. L. Beique (Lib. de Salaberry) for the adoption of a new rule governing the relationship of Senators with the Government or Government departments.

Party lines were divided on the motion reading: "No Senator shall be entitled, directly or indirectly, personally, or as a member of a firm, or a shareholder of a personal or family corporation, to any benefit or profits resulting from relations, either by himself or by such corporation with the Government or any of its Departments."

SEEK TO RAISE ST. CROIX DAM

Washington, D. C., July 22—The St. Croix Water Power Company of Maine, and the Sprague's Falls Manufacturing Company, Ltd., New Brunswick, have asked the International Joint Commission for authority to raise the level of a dam on the St. Croix River near Calais, Me.

The Commission today announced the two companies sought to increase the power output so as to enlarge the business in a jointly owned paper and power plant.

VISITORS' DAY AT SCOUT CAMP

Today is Visitors' Day and with the prospects of fine weather the Scouts are expecting a large number of visitors.

A track meet will take place this afternoon. The Camp Fire tonight will commence rather earlier than usual with an extended program. The Devon Band will be in attendance and for the benefit of visitors supper will be served at 6.30 P. M.
