"Women who might make good mechanics are shunted into cooking and sewing," says Amelia Earhart. Time "Just like getting money from home," may bring the vision of a beautiful angel wiping her grimy hands on a pair of overalls.

Because of stringent times the thrilling sensation expressed in the phrase, "Just like getting money from home," is awaiting revival. Maybe October will give us a better break as to fine weather.

MRS. ANNA P. BENOIT, STAR SWIMMER, WAS STABBED BY HER TRAINER IN TORONTO HOUSE

Toronto, October 4—Herman Hunt, charged with attempted murder, is critically ill in hospital here tonight. He is alleged to have stabbed Mrs. Anna Priller Benoit, of Holyoke, Mass., swim star, and then drunk a solution of bichloride of mercury.

Police say Hunt, Mrs. Benoit's trainer, entered her apartment Saturday as she was having breakfast and stabbed her with a long hunting knife. Then he is alleged to have drunk a quantity of the poisonous liquid.

Three stitches were required to close up the deep gash in Mrs. Benoit's side. The doctor who attended her did not consider her condition as serious.

No Explanation Given

According to Mrs. Davis, in whose house she was staying, and who called the police after the assault, Hunt had been away for a month or more. Saturday he walked into the kitchen where Mrs. Benoit was having breakfast and Mrs. Davis said without a word, drew a long hunting knife and plunged it into the girl's side. He then walked out of the room, drank the solution and collapsed at the head of the stairs, where he was picked up by police, Mrs. Davis added.

Hunt was placed under arrest by Detective Shields at St. Joseph's Hospital.

Her Record

Anna Benoit has been competitor in the women's swims at the Canadian National Exhibition since their inception in 1927. In 1928 she won fifth prize. In 1929 she was taken from the water after swimming eight miles and in 1930 she was fourth. This year she was taken out after seven and a half miles when she was in seventh position.

Barely a week ago, Mrs. Benoit expressed the intention of remaining in Toronto for the winter. She then said her coach and trainer, Herman Hunt, had gone to Florida to the swimming pool and where he and Mrs. Benoit acted as swimming coaches last winter.

Was On Vacation

Holyoke, Mass., October 4—Mrs. Anna Priller Benoit, of this city, came into performance as a swimmer several years ago when she contested in a 10 mile swim in Lake Ontario. Since then she had taken part creditably in numerous swims. Herman Hunt has been her trainer.

It is learned that she met him in New Haven, Conn., prior to the Ontario swim referred to. Mrs. Benoit was scheduled to resume her duties as swimming instructor at the Huntington L. I. School for Girls and she is believed to have been spending a vacation in Canada.

ONTARIO DOES NOT WANT SPUDS FROM OUTSIDE

Toronto, Oct. 4—Potato growers of the province, meeting here to discuss what they termed the "desperate condition of the potato market in Ontario," resolved to send a delegation to Hon. T. L. Kennedy, Minister of Agriculture, with a view to seeking relief from the present acute conditions.

A decision was reached that the Ontario growers present would hold back their produce from the markets at prices below production cost in order that the present market may be cleared. They declared that they had no desire to control the situation but that price levels now prevailing were unjustified.

Measures of relief suggested were advertising campaigns pointing out the value of potatoes. Agreement was reached that importation of potatoes from other provinces or from the United would only aggravate the situation.

BESSBOROUGH READ LESSON IN SHEDIAC CHURCH

Shediac, N. B., Oct. 5—The Anglican church of St. Martins-in-the-Wood, Shediac Cape, was thronged this afternoon when His Excellency, the Earl of Bessborough, Governor-General of Canada, read the lessons during the service.

The Vice-regal party, including A. F. Lascelles, secretary, and Lieut. D. Fuller, R.N., aide-de-camp, were met at the door of the church by the rector, Rev. J. T. Mawhinney, who escorted them to their pew.

Rev. Canon W. B. Sisam, of Moncton, rector of St. George's church there, was the preacher. He made an appeal for the N. B. Protestant Orphans' Home. The collection for the funds of this institution amounted to \$114.

Following the service, the Vice-regal party were taken to the home at Shediac of Dr. J. Clarence Webster, F.R.S.C., and Mrs. Webster, where afternoon tea was served. After a short time at the Webster home, they returned to their train at Point du Chene, where they had dinner.

MADE YEARLY TRIP ON HIS BICYCLE

John S. Toner, local cycling fan, who still loves the sport, despite his 77 years, on Sunday made his tenth annual trip by bicycle to Saint John, returning tonight by boat. Mr. Toner visited his daughter, Mrs. H. F. Black in Saint John.

This popular veteran—who might have been a "grind" star in the big time cycling events—left this city at four o'clock Sunday morning, stopped for an hour at Petersville to attend church and arrived in Saint John at 6 p.m. Mr. Toner gives as his cause for not making record time, the fact that "many more automobiles were on the road this year." One time, Mr. Toner made the trip between the hours of 5 a.m. and 5 p.m. This wasn't the only trip that this old timer made this year for from time to time, he made shorter visits one to Chipman, another to Minto, and various other trips of lesser distance. Needless to say, Mr. Toner enjoys these yearly bicycle excursions immensely and as he says he "wouldn't miss them while I have my health."

BATTERIES FOR TODAY'S GAME (Special to Daily Mail) Philadelphia, Oct. 5—By latest report, Gabby Street, who is as silent as Connie Mack in regard to revealing who will start today's game in the box, will likely start Grimes and Wilson as Battery. Connie Mack had nothing to say as to who will be moundsmen for the A's. But it is thought that Grove, bad finger and all will twirl. Cochrane, will be on the receiving end.

SAYS TARIFF IS RAISED AGAINST BRITISH GOODS

Ottawa, October 4—Declaring that the result is "a startling increase in the tariff rate against goods from Great Britain", and that the British preference has been practically "wiped out" on products of a class or kind made in Canada, Right Hon. Mackenzie King, Opposition Leader, has issued a statement criticising two recent decrees of the Government.

The first fixes the rate of exchange in computing values for duty on goods imported from Great Britain at \$1.862-3 to the pound. The second applies a special or dumping duty to British imports of a class or kind made in Canada, purchased at less than \$4.86 2-3 to the pound.

These changes by Order-in-Council Mr. King asserts, "represent a greater variation in Canadian fiscal policy than has ever been adopted by any Canadian Government with the consent of Parliament."

Game Plentiful

Game must be more than usually plentiful this year, and if so is in contrast with the plenitude of money. Only yesterday Charles V. Pickard, motoring on the Hanwell road saw spike horn black moose. A short way further he spied several partridges only a few feet from the roadway. The only reason Mr. Pickard didn't have moose and partridge for lunch, was that he was not in possession of a rifle, taking into consideration of course, Mr. Pickard's expertise with the aforementioned rifle. He is a forest ranger, you see.
