A SERIOUS FIRE NEAR CORNWALL, ONTARIO, WAS CAUSED BY BOYS PLAYING WITH MATCHES

Cornwall, Ontario, August 30—Two persons were seriously injured, 30 rendered homeless and 3 buildings razed when fire, started by two boys playing with matches destroyed two-thirds of Osnaburck Centre late yesterday. Damage of \$100,000 was done in the village which is 20 miles west of Cornwall.

Jonah D. Lapointe, 70, is in Cornwall Hospital with little hope held out for his recovery. He was badly burned attempting to rescue his household effects. Irvin Neville, 22, fell from a roof and broke both ankles. He is also seriously burned.

Two churches, a lodge hall, the Township Hall, a store and many dwellings were among the buildings destroyed.

Starting shortly before 4 o'clock Saturday afternoon the fire swept an area a mile in length and half a mile wide before it was brought under control at 8 P. M. Firemen from Cornwall and more than 400 volunteers were hampered by lack of water and by the fact a high wind swept over a wide area to start new fires every few minutes.

Originates In Barn

The fire started in a barn owned by James McBain at the western boundary of the village. George Ware, aged five and David McBain, four, were playing in the barn, the McBain youngster rubbing together two matches which he had found in his home. One of the matches, he afterwards said, ignited and broke, the

burning splinter setting fire to a pile of straw. Within a few minutes the barn was a mass of flames and a strong southwest wind carried showers of sparks to all portions of the village. The boys escaped from the barn without difficulty.

Half an hour after, 15 buildings had been destroyed. A change of wind carried the sparks away from the main section of the village, but the flaming embers set fire to more than 20 buildings southeast of it. Isolated barns more than a mile from the scene of the original fire were destroyed before volunteer fire fighters could reach them.

Within an hour telephone calls for help brought more than 400 men from the nearby villages of Lunenburg, Newington and Ales. Owing to the recent dry weather only two wells within 200 yards of the original fire contained water and these were rapidly exhausted.

At 6 o'clock firemen from Cornwall arrived with a motorpump but were seriously hampered by a lack of water. Chemicals were used to good effect in saving a school house and one or two dwellings. The fact the fire covered such a large area made it almost impossible for firemen to concentrate upon any particular section. Consequently the conflagration continued until the wind dropped shortly after 8 o'clock.

The loss in practically every instance was complete.

P. E. I. ISLAND NOW HAS NEW GOVERNMENT

Charlottetown, P. E. I., August 30—Sworn in yesterday as Premier of his province, Hon. James D. Stewart will leave on Tuesday for Ottawa to discuss plans for unemployment relief in Prince Edward Island with the Federal Government. He will be accompanied by Hon. Dr. W. J. P. MacMillan, Minister of Health and Education.

In the meantime Hon. G. Shelton Sharp, Minister of Agriculture and Provincial Secretary will be acting Premier, according to announcement made after a short meeting of the new Cabinet.

The new Conservative Government which assumes office through defeat of the Lea Liberal administration on August 6, was sworn in formally at noon, after Hon. W. M. Lea had handed Lieutenant Governor Charles Dalton the resignation of the Cabinet. The Lieutenant-Governor administered the oath of office to the new Executive Council in the historic Confederation chamber.

Prior to his resignation, Hon. Mr. Lea, who was the Island Province's first farmer Premier, assuming that position with the resignation of Hon. A. C. Saunders a year ago, was waited upon by various department staffs and presented with a club bag.

Had Narrow Escape

Woodstock Sentinel: D. J. Riley, of Fredericton; Miss Bessie Murray, and another young woman who was with them, escaped with bruises and minor injuries on Saturday evening in a collision about three miles below Woodstock on the river road. The Fredericton car was driving toward Woodstock when it was struck by another one coming out of a driveway in front of a road canteen. It dragged along the ditch for about forty feet and turned over, pinning the occupants underneath. The car was badly damaged. In the other car were Scott Pike and James McCuthion, of St. Stephen.

Condition Serious

The condition of H. G. Fenety, Judge of Probate, who has been ill at his home in 247 Church street, is considered critical today. Judge Fenety has been ill for the past several weeks.

LINDBERGH WEARS KIMONO, DELIGHTS JAPS

Shana, Iturup Island, August 30—Colonel and Mrs. Charles Lindbergh had a hearty laugh over the amusement they have caused among the Japanese who have seen very few foreigners.

The Lindberghs breakfasted here in kimonos, supplied by all Japanese hotels. The villagers hearing of the strange Americans, flocked to the hotel, awaiting a glimpse of the visitors.

The Japanese thought the manner in which the visitors folded the kimonos about themselves was a great joke. The Colonel draped the folds in front, just the reverse of the Japanese custom.

The kimonos fitted Anne splendidly as they are made for small persons, but the best joke of all, in the eyes of the Japanese, was how the kimono didn't fit the tall Colonel.

REGISTRATION OF UNEMPLOYED BY PROVINCE

As part of the province-wide movement, initiated by the Provincial Government to relieve unemployment in New Brunswick this winter, a system of registration of all unemployed in the incorporated towns and cities, has been announced by Hon. D. A. Stewart, Minister of Public Works.

The registration plan follows the steps taken some weeks ago by Hon. Mr. Stewart to carry out a complete survey of the province in an effort to obtain the number of unemployed within the province. This latest move is being made to enable the Provincial Government to secure further data on the works which the cities and towns believe are essential to undertake during the coming winter.

Hon. Mr. Stewart pointed out in a statement today that no individual case will be handled by the Department of Public Works or the Government, but that the relief work will be carried out entirely on a provincial scale, as part of the general program now being arranged.

Any city or town which is to participate in the allotment of unemployment relief money must come into the general program, the Minister stated, and for that reason it is essential that a complete registration of the unemployed be taken.

FINE SHOW AT GAIETY

Wholesome entertainment in which a generous quota of sentiment is balanced by a good deal of hearty mirth, is offered in "Honeymoon Lane," Paramount production at the Gaiety, Monday and Tuesday.

Eddie Dowling, of Vaudeville, musical comedy and screen fame, is the author and star of the film, which has a musical comedy plot but is presented without the customary song and dance trimmings.

Ray Dooley, whose clowning has thrown many a Ziegfeld "Follies" audience into convulsions, is outstanding in the comedy moments of the picture and capable performances are turned in by June Collyer, Raymond Hatton, Ray Dooley, Noah Berry, Mary Carr, Armand Kaliz, Adolph Milar, Gene Lewis, Lloyd Whitlock, George Kotsanos, Corliss Palmer and Ethel Wales.

The story of "Honeymoon Lane" deals with an earnest young man's adventures in business and love. And Bobby Jones tells more about how to play golf.
